Last Saturday Mr. J. B. Robinson was hauling a load of logs near Chickasaw Switch, with an ox team consisting of three yoke of oxen, and, in crossing a bridge a span of it fell in, suspending the middle yoke of oxen by their necks. In this position, according to Mr. Festus Norman's version of the affair, they remained one hour and thirty five minutes. When released they were still alive and are most probably helping pull a load of logs now.

WIFE TOO ILL TO WORK IN BED MOST OF TIME

Her Health Restored by Lydia E. Pinkham's Vegetable Compound.

Indianapolis, Indiana. — "My health was so poor and my constitution so run down that I could not work. I was thin, pale and weak, weighed but 109 pounds and was in bed most of the time. I began taking Lydia E. Pinkham's Vegetable Compound and five months later I weighed 133 pounds. I do all the housework and washing for eleven and I can truthfully say Lydia E. Pinkham's Vegetable Compound has been a godsend to me for I would have been in my grave today but for it. I would tell all women suffering as I was to try your valuable remedy."—Mrs. WM. GREEN, 332 S. Addison Street, Indianapolis, Indiana.

There is hardly a neighborhood in this country, wherein some woman has not found health by using this good old-fashioned root and herb remedy.

If there is anything about which you would like special advice, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.
