AYER'S SUGAR CATHARTIC COATED PILLS

CURE

Headache, Nausea, Dizziness, and Drowsiness. They stimulate the Stomach, Liver, and Bowels, to healthy action, assist digestion, and increase the appetite. They combine cathartic, diuretic, and tonic properties of the greatest value, are a purely vegetable compound, and may be taken with perfect safety, either by children or adults. E. L. Thomas, Framingham, Mass., writes: "For a number of years I was subject to violent Headaches, arising from a disordered condition of the stomach and bowels. About a year ago I commenced the use of Ayer's Pills, and have not had a headache since." W. P. Hannah, Gormley P. O., York Co., Ont., writes: "I have used Ayer's Pills for the last thirty years, and can safely say that I have never found their equal as a cathartic medicine. I am never without them in my house." C. D. Moore, Elgin, Ill., writes: "Indigestion, Headache, and Loss of Appetite, had so weakened and debilitated my system, that I was obliged to give up work. After being under the doctor's care for two weeks, without getting any relief, I began taking Ayer's Pills. My appetite and strength returned, and I was soon enabled to resume my work, in perfect health."

Do Not Be Deceived.

Hypocrisy is the complaint vice pays to virtue. Imitation is the compliment failure pays to success. The name—not the character of Benson's Capcine Plasters is imitated by unscrupulous parties, who make and try to sell plasters variously called "Capsicin," "Capsicum," "Capsicin," plasters, with the manifest intention to deceive. So cunningly and boldly is this done that careless people are dountless sometimes beguiled into buying such articles in place of the genuine. Happily the number who follow this vocation decrease every year through the refusal of reputable dealers to handle the imitation goods, meanwhile be cautious. In the middle of the genuine is cut or po ousedthe word "Capcine," and on the face cloth is the "Three Seals" trademark. Ask for Benson's—then examine. One Benson's is worth a dozen of any other kind.

Board of Supervisors.

The board of supervisors of Warren county met at the courthouse in regular session for June at 10 o'clock yesterday morning.

Present T. J. Hanes, president; J. H. Adams, T. W. Brabston, J. D. Laughlan and W. A Hopper.

The minutes of the meeting of May 5th were read and approved.

Mr. James M. Gibson, on behalf of the liquor dealers of Warren county, presented a petition asking that the board cause an election to be held to determine whether or not liquors shall be sold in Warren county.

The matter was laid over until 12 o'clock Tuesday.

The following preamble and tion was adopted:

"Whereas, It is understood by the board of supervisors that Mr. W. is making the mattrass at Clear Creek with other than willow trees; therefore be it

Resolved, That Mr. Bell be instructed to make the mattrass entirely of willows, as that is the construction the board put upon his bid; and that he file his bond immediately in accordance with section 2,179 code of 1880; otherwise his contract shall be null and void.

The following resolution was adopted:

Resolved, That the matter of the allowance of the account of S. Spengler for lumber to build Sunnyside school-house; and the allowance of the account of Messrs. Mattingly and Gunning, for repairing the National cemetery road, be referred to the district attorney for his opinion as to whether the board is authorized by law to make such allowance, and if so, in what manner, whether in scrip or in cash, both of said accounts having been incurred by a previous board in 1885, and request him to refer the board to the law in these cases.

The bid of Mr. D. Rice for school bonds being the lowest was accepted at seventy-four cents on the dollar.

The bid of Mr. James P. Roach for the Ship Island bonds, being the only one, was accepted, $1,5000 at par.

P. J. O'Connell was awarded the work of repairing road No. 32, his bid for same being the lowest, $35. O. E. Hall, overseer of the road, having filed affidavit that the work could not be done by the hands on the road. The work, to be done under the direction of Supervisor W. A. Hopper.

The board ordered an election to be held on the 28th of June, in the second and third districts of this county, for certain officers to fill vacancies.

SECOND DAY'S PROCEEDINGS.

The board met pursuant to adjournment; all the members present.

The minutes of the last meeting were read, corrected and approved.

The bids on the work at Pace bottom, road 17, were read as follows: Kennedy & Morris, dirt work, $40; wood work, $95; Miller & Beck, dirt work, $40; wood work, $78.

On motion the bids of Messrs. Miller & Beck were accepted on their doing the work, under supervision of the member of the board from that district, and according to specifications of Kennedy & Morris' bid.

Sealed proposals were ordered to be advertised for for the building of a bridge over Darden bayou, on road 79, according to plans and specifications in the clerk's office.

On motion, sealed proposals were ordered to be advertised for for the building of a bridge at the Hyland place, road 19, according to plans and specifications in the clerk's office.

On motion, sealed proposals were ordered to be advertised for for the building of a bridge over Stout's bayou, on road No. 1, according to plans and specifications on file in the clerk's office.

On motion the action of the board had Monday in regard to the date of holding an election in the second and third districts, was reconsidered and further action taken, fixing the date of the election on June 28th, 1886.

The bond of P. J. O'Connel, for road work on road No. 32, for $70, was approved and filed.

THIRD DAYS PROCEEDINGS.

The board met pursuant to adjournment. The minutes of previous days meeting were read and approved.

On motion of T. W. Bradston, the salary of the superintendent of education was fixed at $600 per annum, and that said salary shall date and be payable from July 1, 1886; and that the county of Warren shall pay $384, the said county's proportion of said salary, and that the city of Vicksburg, which constitutes a separate school district, shall pay $216, the said city's proportion of said salary, and that said salary shall be paid monthly.

The following claims against the county were allowed:

J. B. Lanier, repairing Baldwin's ferry bridge, $18, and for Reagan's lake bridge, $59.

M. S. Kendricks for repairing bridge adjoining Reagan's lake bridge, $13, instead of $18, as per contract, he having omitted a portion of the work.

Alex. Wilson, for hauling lumber for road 48, $3.

W. D. Shingles, for carrying two prisoners to jail from Adam's landing, $7.

Vicksburg Gas Light Company, gas at Court-house for May and April, $19.50.

A. L. Kleinman, repairing bridge, building culvert, furnishing and hauling lumber on road 121, $16 65.

A. Bullock, Esq., attorney for Mrs. Charlotte Spears, presented a petition claiming damage for right of way through her land for road No. 99, near Bovina. The board heard the argument and laid the matter over for further consideration.

On motion the contract awarded to Wilson Bell for building willow mattresses on Clear Creek was annulled, he refusing to comply with the requirements of the board in building said mattresses exclusively of willows.

Messrs. Mattingly & Gunning presented their bill of $1,600 for repairing the National cemetery road. On motion they were allowed $1,200.

J. G. Bell, overseer of road No. 98, made application for lumber to repair bridges on said road, which was granted.

On motion it was ordered that eight pieces of lumber on road No. 99 be applied for use on road No. 47.

Dorsey Foreman presented a claim amounting to $560 for loss of two mules, wagon and harness, etc., on account of bad condition of road near Newtown, which on motion was rejected.

The following resolution was adopted:

Resolved, That the clerk of the board be required to have in complete readiness for examination of this board, at its next regular meeting, to be in July, all of the county treasurer's reports from 1st of January, 1880, to the 1st of March, 1885, and all the warrants, bonds and coupons, that have been cancelled between the aforesaid dates, commencing with the first report of the treasurer in 1880, and that said clerk be required to have the said cancelled warrants, bonds and coupons so arranged that they may be checked up in the order in which they appear on the lists that were filed with them at the time that they were cancelled, and said clerk is required to present at said meeting the "treasurer's docket" with all of the treasurer's reports, duly recorded therein as required by law.

Messes. Kennedy & Morris were allowed $82.50 for filling hole on Red Bone and Fisher's Ferry road as per contract; $25 for repairing Red Bone bridge; $25 for repairing bridge west of Red Bone; $125 for building bridge over McHGee's slough on Baldwin's Ferry road, and $300 for filling washout on road No. 34, near Miss Lillie Cook's place.

On motion it was ordered that the president of the board be and is authorized to borrow $500.

On motion Mr. Horace Marshall was granted use of room used by Mr. Moore until after the grand jury adjourns.

On motion, it was ordered that the president of the board be authorized to borrow $703.75, now in the hands of John M. Cameron, county treasurer, belonging to the school fund of section 16, township 16, range five east, and that a loan warrant issue therefor, to be used in payment of current expenses of the county.

The gas bills for the jail for November, December, January and May, which had been referred to a committee, were rejected.

The bond of L. C. Bell, for building Cole's Creek bridge on road 99, was filed and approved.

L. C. Bell was allowed $19.70 for putting up the Cole's creek bridge.

H. M. Goff was allowed $18.80.

On affidavit by overseer of road No. 59 that certain work on said road was necessary to be done, which the road hands cannot do, Supervisor T. W. Brabston was authorized to receive bids for same.

The bridge on Muddy creek, road No. 57, having been reported in bad condition, Supervisor Brabston was authorized to receive bids to repair same if necessary.

Wm. Curphy was allowed $2.70 for two hundred feet of lumber.

A communication from the State board of health in regard to the appointment of a health officer for the county was laid over until next meeting.

A number of inquest cases were read and allowed.

W. J. Fletcher's bill for inquest on the body of Ed Woodson, was rejected, and another without name or mention of deceased on May 13th, was returned for information.

The bids for repairing the old Fort Hill or Yazoo Valley road were opened and the bid of Kennedy & Morris for $695, being the only one, was accepted, they being required to give bond for keeping same in repair for two years.

In the matter of the petition of N. J. Bazinsky and others, asking for an election for and against the sale of vinous and spirituous liquors in Warren county:

On this day came N. J. Bazinsky and others and filed a petition herein praying an election as provided for in an act of the legislature of the State of Mississippi approved March 11th, 1886, entitled an act for preventing the evils of intemperance, by local option in any county in the State, by submitting the question of prohibiting the sale of intoxicating liquors to the qualified voters of each county, provide penalties for its violation and for other purposes, to determine whether or not such spirituous liquors as are mentioned in the sixth section of said act shall be sold within the limits of Warren county:

And it appearing to the satisfaction of the board that one-tenth of the qualified voters of Warren county, who are qualified to vote for members of the legislature in this county had signed said petition and petitioned the board asking said election: It is therefore ordered that an election as prayed for by said petitioners do take place and be had under said provisions of said act to determine the question whether or not such spirituous liquors as are mentioned in the 6th section of said act shall be sold in this county; said election to take place upon the 17th day of July, 1886.

It is thereupon further ordered, That G. G. Pegram, John W. Kline and Clem Davis be and the same are hereby appointed commissioners to hold said election, who shall take the oath of office prescribed to hold said election as prescribed in said act, and to return the result of the same to this board according to law.

Ordered this the 9th day of June, 1886.

CURE FOR PILES.

Piles are frequently proceeded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indgestion are present, as flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a very common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the Tumors, allaying the intense itching, and affecting a permanent cure. Price, 50 cents. Address, The Dr. Bosanko Medicine Co. Piqua, Ohio. Sold by C. C. Reynolds & Co. 1

An End to Bone Scraping.

Edward Shepherd, of Harrisburg Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let the suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Salve at 25c. per box by Hardaway & Cassell. 5

Sick Headache Cured in Five Minutes.

C. F. Simmons & Co., St. Louis: While attending the General Assembly of the Cumberland Presbyterian Church at Austin, Texas, I received a small bottle of your Liver Medicine. On my way home I was taken very sick and took a dose of the medicine, and in less than five minutes it cured me of the worst spell of sick headache that I ever had in my life. The balance of the bottle has been used with good effect by my family. It ought to be in every family in the United States. J. C. BLANTON, Pastor, C. P. Church, Pleasant Site, Ala., June 27th, 1881.

Be on Your Guard.

Benson's Capcine Plasters are widely imitated. That is the fact. Now, why are they imitated? Because they are the only porous plaster in existence that is really trustworthy and valuable. Benson's Plasters are highly and scientifically medicated, and cure in a few hours ailments upon which no others have any effect whatever. The public are therefore cautioned against plasters bearing the names of "Capsicin," "Capsicum," "Capsicine" or "Capcin," which are meant to pass for "Capcine (please note the difference) and also against plasters bearing the names "Benton's," "Burton's," etc. When buying ask distinctly for Benson's Plaster and protect yourself by a personal examination. The genuine has the word "Capcine" cut or porous-ed in the body of the plaster and the "Three Seals" trade-mark on the face cloth.

A MYSTERY.

The Suspicious Action and Probable Find of Treasure by Strangers.

FORT GIBSON, MISS., June 7, 1886.

Our people are speculating as to the strange doings of strangers near town some two weeks ago. Three men, one white and the others colored, clad in the fatigue uniform of the United States army, and armed, the white man with a sword and the colored men with guns, were observed by some field hands measuring with a tape line from a given point in a meadow on the banks of Center Creek, two miles from town. Finding that they were watched they concealed themselves, and the negroes who saw them went away and reported what they had seen. The following day a neighbor who heard the report went to the spot to investigate, but found no one, but he did find a fresh dug hole nearly as large as a full-sized grave in the spot where these men were seen. What they were searching for and whether they found what they were seeking, is speculation. A small bone, apparently a rib, was found close by, but whether human or animal none could tell. The location of this ground is in the rear of the Confederate line of battle fought May 1, 1863, and probably the day following some soldiers of Grant's army may have concealed treasures, valuables or plate here, and its location become known, after a lapse of twenty-three years. If it was a body they were exhuming there need have been no secrecy, unless it was murder. Near this spot in ante bellum days lived an old negro, who had accumulated some six hundred dollars in gold. One morning he was found with his neck broken in a wash near here, and his pockets turned. It was rumored that he kept his money buried, and probably these fellows were searching for the gold. A silver Spanish piece was found near this spot, a few days ago, that bore date of 1784. The soil had washed from around it, leaving it elevated five or six inches from the level. The soil had washed down to just the size of the coin, showing it had laid there for many years. Frequently some of our own people take a notion and hunt for buried treasures near the oil mills. Large holes have been dug in the plantation, but nothing has ever been found, but people will ever be so when treasure is the object.

Good Results in Every Case.

D. A. Bradford, wholesale paper dealer of Chattanooga, Tenn., writes, that he was seriously afflicted with a severe cold that settled on his lungs; had tried many remedies without benefit. Being induced to try Dr. King's New Discovery for Consumption, did so and was entirely cured by use of a few bottles. Since which time he has used it in his family for all Coughs and Colds with best results. This is the experience of thousands whose lives have been saved by this Wonderful Discovery.

Why the River Did Not Reach 47 Feet at Vicksburg.

VICKSBURG, MISS., May 27, 1886.

Editor of Madison (La.) Times:

I write to warn you against adopting electric light in Tallulah. Since its adoption in this city a bug has made its appearance here that "lays over" anything in the bugology of this country like as a dollar "lays over" a dime.

This bug looks as though it might be a cross between a buzzard and a soft-shell turtle—it is something smaller than either of its progenitors, but for downright ugliness and loathsomness, either of the aforesaid birds, in personal appearance is a perfect "daisy."

Their chief ambition in life appears to be, to extinguish the electric light wherever found. After vainly batting away at it for an hour or two they seem to become discouraged and fall to the ground when they crawl lazily about until some one comes near—they then commence to "possum"——whether they take the person to be the electric light—tries to turn tables on them and put out their light or are only "lying low" to catch somebody, we have not yet determined.

The question agitating the minds of Vicksburgers now is what shall we do with them. No doubt the bugs are equally undecided what they will do with the Vicksburgers.

The most accepted theory is that they come out of the river—if so that will account for J. B. Miles' prophecy as to the height the river would reach at this point, lacking two feet and a half of being true. VICKSBURGER.

THE HON. TOM CATCHINGS

Certain to be Renominated and Re-elected to Congress.

Correspondence of the Appeal.

ROSEDALE, BOLIVAR COUNTY, JUNE 8.

Your correspondent from Vicksburg, writing in relation to the nominee for Congressman from the "Shoestring" District, is evidently not posted and is a little too previous. There is but one name spoken of outside of Vicksburg, and that is the Hon. T. C. Catchings. I have no idea the Hon. L. W. Magruder could be brought to oppose Gen. Catchings. The ten counties composing this district will be a unit for Catchings and he will be nominated by acclamation. Tom Catchings never has been beaten yet for any position he asked, and beyond question is not only the choice of the Democrats in the District, but will be supported by the Republicans over any man that has the temerity to oppose him. Nine out of the ten counties in the District have virtually spoken before the District Executive Committee meets. Nearly, if not all, the papers in the District have indorsed him for renomination, among them the Greenville Times, of Washington county, and the COMMERCIAL HERALD, of Vicksburg, the two ablest and most prominent papers in the District; Delta Review, of Washington county; Rolling Fork Pilot, of Sharkey county; Mayersville Spectator, of Issaquena county; Valley Flag, of Leflore county; Leader, of Bolivar county; Clarksdale Banner, of Coahoma county, and I think the Friars Point Gazette, of Coahoma county.

This looks "like business" for anybody that thinks Tom Catchings won't be the nominee. Your correspondent to the contrary, Tom Catchings will have a "walk-over," and if not will go over in "a darn big trot," and "don't you forget it." "Dar you is, Mars Tom, shore as you born."

Our Worst Enemies,

Next to our voices, are our follies. Among them is the imperilling of future bodily comfort, and the average tenure of life to which persons of moderately good constitutions are persumably entitled, by imprudence in eating and drinking, and the reckless use of drugs. It is one of the happy capabilities of Hostetter's Stomach Bitters that it can repair damage thus inflicted. When the blood is thin and watery, the bowels out of order, the complexion and tongue both giving evidence of biliousness, there is a necessity for repairs upon the human tenement obvious enough to startle its possessor. A course of the Bitters, the abandonment of "drugging" for relief, and a common sense diet and mode of life these will speedily produce a change for the better. What quinine for and fever ago, and mercury for billiousness and constipation, won't do, the Bitters will. It also relieves rheumatism and neuralgia, and inactivity of the kidneys.

common porous plasters which you can get for a song at any of the Cheap John druggists—you have merely thrown away your money, for one Benson's Capcine Plaster is worth them all. The reason is this—Benson's is the only porous plaster in the market that is honestly and skillfully made, and scientifically medicated. Others are no more than nomina imitations of Benson's. They are cheap because they possess none of the ingredients which render Benson's valuable. The latter are prompt to act, pleasant to wear, and cure in a few hours ailments which others will not even relieve. The public are especially warned against so-called "Capsicin," "Capsicum," "Capcin" or "Capsicine" plasters, as worthless articles intended to deceive. Ask for Benson's and look for the "Three Seals" trademark and the word "Capcine" cut in the centre.
