Q. & C. Additional Improvement.
The use of overhead fans, so popular in offices, is not usual in Dining cars, but the management of the Queen and Crescent Route believes they are much preferable.
The Dining Cars running between New Orleans and Chattanooga on the Queen and Crescent Route day train, which leaves New Orleans at 9:10 A. M., daily will be at once equipped with electric fans.
There are to be four overhead or deck fans and one rotary bracket fan in each car.

It Is Dollars And Cents To You

And to us where you trade. You want to go where your money is worth the most---not just where you can buy the most goods for your money, but where you will get the most VALUES AND SATISFACTION. We realize this fact and our effort is bent in that direction. When we make our purchases we make it a point not to buy anything that we cannot RECOMMEND in every respect. You can, therefore, rest assured that whenever you buy anything from us it will give satisfaction :: ::

A Sad Death.
We deeply sympathize with Mr. Lee Matthews in the sudden and unexpected death of his wife, which occurred last Monday night, from heart failure while he was absent from home. Mrs. Matthews was a half sister to Allen Boutwell. She leaves her husband, three small children and many relatives to mourn her untimely death. The sympathies of the entire community go out to them in their sad affliction.

Card of Thanks.
I desire to express my sincere heartfelt thanks to the good people of Ellisville, for their kindness and sympathy in the recent sad affliction of the sudden death of my beloved wife. They will always have a warm place in my affections for their kindly assistance in the hour of my great grief.
