Hon. J. T. Gunter Again Elected.

As a result of the primary election held yesterday Hon. J. T. Gunter will again occupy the office of Mayor of the City of Columbus for another term, while the Council will be composed of the same members with the exception of Mr. E. S. Moore as Councilman from the fifth ward. For School trustees Mr. W. M. Kilpatrick lead the ticket with others in the following order, W. C. Gunter, W. N. Puckett, and Wm. Newby.

This election closed one of the quietest campaigns the city has witnessed in some time and was peaceful and orderly throughout, the election being held with no sign of rowdiness, and the campaign being conducted with the best feeling between the rival candidates. The total number of votes polled was 464, and while a good vote for Columbus, yet, considering her boasted tentuousness and population, it should have been larger. A large number of those who appeared at the booths to vote were disqualified from the fact that they had failed to register and pay taxes, which partly explains the small number of votes polled.

The following is the official vote:

FOR MAYOR	
J. T. Gunter	254
J. A. Hudson	180
FOR COUNCILMEN	
Ward No. 1, B. A. Weaver	351
Ward No. 2, J. H. Stevens	338
Ward No. 3, J. L. Walker	347
Ward No. 4, D. S. McClanahan	342
Ward No. 5, E. S. Moore	373
Ward No. 6, W. L. Gardner	346
FOR SCHOOL TRUSTEES	
W. N. Puckett	327
Wm. Newby	320
W. C. Gunter	343
Wm. Kilpatrick	352
T. J. O'Neill	161

The candidates receiving the four highest votes in the trustees race are the nominees.

Growing Aches and Pains.

Mrs. Josie Scher, Brenon, Texas, writes, April 15, 1902: "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for bitten feet with good success. It is the best liniment I ever used." 25c, 50c, \$1.00. Sold by Johnston & Caine.

For Sale.

Lot on the North of the City property in Block three facing Sixth Street, 40 feet front by 132 feet back. J. T. GUNTER, Mayor.

Women and the Baltimore Fire.

A generous and graceful tribute to the calmness of women in danger is that paid by Mr. Lynn Roby Meekins, editor of the Baltimore Herald, in his article in the June Delinquent. He tells not only of women who worked in the thick of the destruction with and for their employers, husbands and fathers, and of the brave and cheerful way in which, when all was lost, they set to work at humble occupations to support themselves, but of their ability to rise quite above the consideration of material things in the recognition of essentials. "One young husband," he says, "made his way home and, pale and trembling, approached his wife. 'My dear, I am ruined,' he exclaimed. 'My dear,' she replied, smiling through her anxiety, 'you are not hurt a bit.' That was the woman's view of the situation. It was mainly personal."

Herbine

Will overcome indigestion and dyspepsia, regulate the bowels and cure liver and kidney complaints. It is the best blood enricher and invigorator in the world. It is purely vegetable, perfectly harmless, and should you be a sufferer from disease, you will use it if you are wise. R. N. Andrews, Editor and Mgr. Cocoa and Rockledge News, Fla., writes: "I have used your Herbine in my family and find it a most excellent medicine. Its effects upon myself have been a marked benefit. I recommend it unhesitatingly." 50c. Sold by Johnston & Caine.

Death of Bertie Love.

We regret to note the sad death of Bertie Love, daughter of Mr. Bob Love of this city, who died at her home Sunday morning at 3 o'clock after an illness of only a few hours duration. The deceased was about eleven years of age and was taken ill Saturday morning rapidly growing worse in spite of all that physicians could do to ease her suffering. The funeral occurred from the residence Sunday afternoon, Rev. A. J. Miller conducting the services. The following acted as pall-bearers: Messrs. D. D. Richards, J. O. Parsons, J. F. Perkerson, Charles Jacob, Henry Noland and J. D. Halcomb, Jr.

Exposure.

The cold draughts of air, too keen and cutting winds, sudden changes of temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds. Ballard's Horshound Syrup is the best cure. Mrs. A. Barr, Houston, Texas, writes, Jan. 31, 1902: "One bottle of Ballard's Horshound Syrup cured me of a very bad cough. It is very pleasant to take." 25c, 50c, \$1.00. Sold by Johnston & Caine.
