GUYZOTT'S YELLOW DOCK AND SARSAPARILLA IS NOW PUT UP IN THE LARGEST SIZED BOTTLES, AND IS ACKNOWLEDGED TO BE THE BEST SARSAPARILLA MADE, AS IS CERTIFIED BY THE WONDERFUL CURES IT HAS PERFORMED. THE ORIGINAL COPIES WHICH ARE IN THE POSSESSION OF THE PROPRIETOR. REMEMBER, THIS IS THE ONLY TRUE AND ORIGINAL ARTICLE.

Sorefula, Syphilis, Mercurial Complaints, Gangrene, Rheumatism, and a vast variety of other diseases are speedily and perfectly cured by the use of this medicine.

READ THE FOLLOWING CERTIFICATE. TALLAPOOSA Co., Ala. Jan. 2, 1852. DEAR SIR—I send you this to certify to you that your Extract of Yellow Dock and Sarsaparilla has performed one of the most wonderful cures on me that has ever been effected on man.

I have been afflicted for forty years with eruptions on my legs and feet; in 1849 they got so bad that I had to go on crutches, and in 1849 I had one leg amputated above the knee. In about nine months after my other leg broke out in large eating sores from my knee to my foot, and discharged a great deal of offensive matter. My groin also broke out in large blisters which discharged much offensive matter, and at the same time my left hand broke out in large running sores nearly to my elbow.

The misery that I have suffered for the last two years I cannot describe to you. I was in such agony that I never rested day or night. In October last my son brought me one of your bottles of Sarsaparilla, I read it, and found record of some wonderful cures performed by your "Extract of Yellow Dock and Sarsaparilla," I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all became easy and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had nearly all healed. My sores got well as if by enchantment. I have now used in all eight bottles of your "Extract of Yellow Dock and Sarsaparilla," and I now consider myself well.

I entreat all of the afflicted to try this medicine, for I believe it will cure any known disease in the world. Lay aside all prejudice and just try it, and proclaim its great worth to suffering mankind and entreat them to take it, for it will cure them.

My case is well known in a large portion of South Carolina, Georgia and Alabama, and if any should doubt the above cure, I invite them to call on me, and I will show them the scars. I can be found in Tallapoosa Co., Alabama, one mile from Sixe's Ferry. BENJAH HUGHES. The Yellow Dock and Sarsaparilla is peculiarly adapted for females of delicate health, resulting from irregularity of menstrual discharges, and other diseases peculiar to their sex. The proprietor has in his possession a great number of certificates of cures, performed of the above description. We assure the afflicted, that a bottle or two of Dr. Guyzott's Extract of Yellow Dock and Sarsaparilla will at once regulate those difficulties and renew the natural energy.

Put up in quart bottles—Price \$1 per bottle. Sold Wholesale and Retail by SCOVIL & NEAD, 111 Chartres Street, N. O.

AYER'S CHERRY PECTORAL For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

THIS remedy is offered to the community with the confidence we feel in an article which seldom fails to realize the happiest effect that can be desired. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. When once tried, its superiority over every other medicine of its kind, is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs, which are incident to our climate.

Nothing has called louder for the earnest enquiry of medical men, than the alarming prevalence and fatality of consumptive complaints, nor has any one class of diseases had more of their investigation and cure. But as yet no adequate remedy had been provided, on which the public could depend for protection from attacks upon the respiratory organs, until the introduction of the CHERRY PECTORAL. This article is the product of a long, laborious, and I believe successful endeavor, to furnish the community with such a remedy. Of this last statement the American people are now themselves prepared to judge, and I appeal with confidence to their decision, if there is any dependence to be placed in what men of every class and station certify it is done for them, if we can trust our own senses, when we see dangerous affections of the throat and lungs yield to it, if we can depend on the assurance of intelligent Physicians, who make it their business to know,—in short, if there is any reliance upon anything, then it is profubly proven that this medicine does cure, and does cure the class of diseases it is designed for, beyond any and all others that are known to mankind. If this be true, it cannot be too freely published, nor be too widely known. The afflicted should know it. A remedy that cures, is priceless to them. Parents should know it, their children are priceless to them. All should know it, for health can be priced to no one. Not only should it be circulated here, but everywhere, not only in this country, but in all countries.

How habitually we have noted on this continent, is shown in the fact that already this article has made the circle of the globe. The sun never sets on its limits. No contingent is without it, and but few people. Although not so in general use in other nations as in this, it is employed by the more intelligent in almost all civilized countries. It is extensively employed in both Americas—in Europe, Asia, Africa, Australia and the far off islands of the sea. Life is as dear to its possessors there as here, and they grasp at a valuable remedy with even more avidity. Unlike most preparations of its kind, it is an expensive composition of costly material. Still it is afforded to the public at a reasonably low price, and what is of vastly more importance to them, its quality is never suffered to decline from its original standard of excellence. Every bottle of this medicine, now manufactured, is as good as ever has been made heretofore, or as we are capable of making. No toil or cost is spared, in maintaining it in the best perfection which it is possible to produce. Hence the patient who procures the genuine CHERRY PECTORAL, can rely on having as good an article as has ever been had by those who testify to its cures.

By pursuing this course, I have the hope of doing some good in the world, as well as the satisfaction of believing that much has been done already. Prepared by J. C. AYER, Chemist, Lowell, Mass. Sold by all Druggists in Yazo City, and by Dealers generally throughout the U. States.

Can be effectually cured by DR. HOOFLAND'S Celebrated German Bitters, PREPARED BY DR. C. M. JACKSON, No. 120 Arch Street, Philadelphia. Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases, after skillful physicians had failed. These Bitters are worthy the attention of invalids. Possessing a great virtue in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without a safe, certain and pleasant.

READ AND BE CONVINCED. More Testimony from Alabama in favor of DR. HOOFLAND'S celebrated GERMAN BITTERS, prepared by DR. C. M. JACKSON, Philadelphia. "The greatest known remedy for Liver Complaint, Dyspepsia, Jaundice, Nervous Debility, Disease of the Kidneys, &c. &c. DICKSON & GIBBS, Alexandria, Ala., Sept. 30, 1852, said: "We have taken pains to introduce your German Bitters, and we find it to be a very valuable medicine."

C. A. ROBINSON, Bellefont, Ala., Jan. 30, 1851, said: "Your medicines must eventually have a large sale; all those who use them will find it very much. The people have been much deceived here by trifling patent nostrums, and that affects the sale of your valuable Bitters, and will, until, it becomes known." C. FOWLER, Tuskegee, Ala., January 1, 1851, said: "The Bitters are selling well, and I think they will continue so, as they give good satisfaction to those who have used them."

DR. H. P. LEONARD, Fayette, Ga., Ala., Jan. 15, 1851, said: "Your Bitters have done wonders in this section. A youth, a son of G. M. Hubbard, Esq., of this county, had been for several months under the care of our best practitioners without relief, and the case reported doubtful and the young man, although scarcely able to get able to get about, commenced with the Bitters. He found so much relief from the first bottle, he continued to take, until a complete cure was effected. He is now perfectly well and stout." These Bitters are ENTIRELY VEGETABLE, thereby possessing great advantage over most of the preparations recommended for similar diseases. For sale by dealers in medicine everywhere. Sold in Yazo City by G. T. MANN & CO. May 3, 1854.
