

GARDEN CLUBS DO GOOD WORK

Supervisor John Dexter Compiling List of Those Who Will Exhibit at Local Fair.

Boy and girl members of the local Garden clubs are doing excellent work according to John Dexter, city garden supervisor. Despite the difficulty of securing a sufficient water supply to grow their garden vegetables to the best advantage, each and every boy and girl in these clubs has succeeded remarkably well, he says.

The Garden club fair, to be held September 5 in Great Falls, will be of interest to local citizens. The following constitutes a partial list of the names of boys and girls who will have entries, and who have done good work this summer. The list consists of names of boys and girls whose gardens Mr. Dexter has visited and from time to time new names will be added:

Marion Duncan, Edith Rule, Mike Dederer, Violet Byrd, Eleanor Crowley, Harold Raymond, Emil Troeltsch, Robert Troeltsch, Frank Shaw, Roy Galusha, Willard Heifer, John Marzetta, Peter Trinaastich, Amy Marzetta, Agnes Jeffries, Gladys DeMarco, Leland Murphy, Maud Murphy, John Byrd, Carl H. Rippel, Emily Corr and Richard Jewsberry.

50 JOBS HUNTING WOMEN OR GIRLS

Local U. S. Employment Office Deluged With Applications for Housework Maids.

Miss Florence Lohr, superintendent of the Women's Division of the local U. S. Employment bureau, has many positions listed for women and young girls which she is unable to fill.

Miss Lohr finds that it is almost an impossibility to secure enough maids for housework in Great Falls homes and at the present time she has something over 50 applications lying on her desk from local housewives seeking competent help that are unfilled and it is a puzzle when, where and how they may be filled.

Miss Lohr is also in receipt of several calls for waitresses.

COLT STARVING BY DEAD MARE

Sheriff's Officers Find Emaciated Animal and Give It Care at the County Jail.

An orphan colt, picked up from beside its dead mother, where it appears to have steadfastly remained for two or three days, judging from its emaciated condition due to lack of food and drink, was picked up by Deputy Sheriff E. J. Tait and W. C. Bean Friday afternoon and driven to the county jail yard in an automobile.

Here it was given the first meal it had had for a good many hours. In a few minutes the little animal, a beautiful tan color, was the pet of the sheriff's force and household. Everyone wanted to do something to relieve its condition.

Last night the colt was doing nicely in the sheriff's garage and it is believed will pull thru the ordeal. Sheriff Burns is determined it shall have the best of care while in his possession. He has not as yet decided what disposition to make of it.

The colt was found near the water-works in the vicinity of Black Eagle.

PIANIST HONORS MRS. GRANT CALL

Local Artist One of 15 Who Will Receive Instruction From Leopold Godowski.

Mrs. Grant Call of this city, known professionally as Mary Hughes Call, has been selected as one of the fifteen master pupils to receive instructions from Leopold Godowski, the international pianist who will give a five weeks' master course in piano instruction at Seattle beginning with Monday, August 4.

Professor Godowski is the famous Russian pianist who more than twenty years ago taught music in Chicago for a few years. Later he returned to Europe where he was instructor in piano at Berlin until he established a studio at Vienna where he had his home until the outbreak of the war in 1914 and he like most other artists were forced to flee to this country if he wished to continue his work. He is recognized in the musical world as the greatest living teacher and was the instructor of the famous "Houseschule" at Vienna.

In order to be selected as a member of Professor Godowski's master class, one must be a concert pianist but perhaps the most important requirement is that the applicant be financially able to pay \$40 per hour for three hours at each of the three meetings to be held every week for five weeks.

This is the last of two master courses which Godowski is conducting in the United States this summer. The first was held at Los Angeles from the last of May until the latter part of June. Mrs. Call, motoring with a party of friends, will leave Great Falls next Friday evening for Helena, taking the Northern Pacific from there to Seattle.
