Emerson's house was broken into and a fur coat and several other articles were missing, some of the goods were found in Ford's possession, but he says he found them. While every thing points to his being one of the guilty parties, he may be able to prove himself clear, as word was brought in that a man was at Martin Wasasha's ranch on the Marias Monday and traded an over coat answering the description of the one stolen, to Mr. Wasasha. Officers are on the man's track and are expected in any time.

Justice Walker issued a warrant for one John Doe charged with grand larceny. On Thursday night a bunch of horses was left in the corral at Baltic by Emerson & Raglin. They lost no time in following him up and caught the man and horse at Bull Head springs.

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled. There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as an adult. For sale by Thos. B. Magee.

When you feel that life is hardly worth the candle take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse your stomach, tone up your liver and regulate your bowels making you feel like a new man. For sale by Thos. B. Magee.

The Roander Missed it.

Syracuse, N. Y., Nov. 23.—The spectacle of 1,000 drunken men marching in a line, or trying to march, was seen on one of the main thoroughfares of this city last evening. The men got their "jags" at a brewery, which threw open its doors to the public yesterday and allowed everybody to go in and take what beer they wanted.

The company is making a new brew of beer, and decided to let the people sample before it was placed on sale. The visitors began to arrive at noon and at 1 o'clock there were 500 persons inside. A luncheon was also served and after getting their fill many left to make room for others.

There was little disorder and not one arrest was made as a result of the free beer party. Over 200 barrels of beer were swallowed at the brewery during the afternoon.

For a glass of Bohemian beer or a first class cigar, call at the Q. & L. Nothing but the best kept in stock.
