The Element of Safety

in making investments is always of supreme importance.

The safety of our Certificates of Deposit is assured through our recognized financial responsibility.

In addition they net a reasonable interest return, and are quickly convertible into cash, should occasion demand.

They represent a form of investment deservedly popular among conservative people. More detailed information furnished upon request.

The Glasgow National Bank

man has been arrested. The front of the church was torn away and a woman and a girl passing by were injured. An aged woman was injured when the interior of the jeweler's house was wrecked.

The automobile used by the men who bombed the Catholic church was found early today abandoned in Fairmount park. The car had been stolen.

The police are searching for clues to the identity of the man who was killed in exploding a bomb at the home of Attorney General Palmer in Washington.

"PLAIN WORDS" IN WRECKAGE. Boston, June 3.—The police are convinced the explosions last night at the home of Police Judge Alfred F. Hayden in the Rixbury district and that of State Representative Leland Powers in Newtonville were part of the nationwide plot.

Pamphlets entitled "Plain Words" were found scattered outside the Hayden house and also in the wreckage. Absence of the Hayden family probably saved their lives.

MAYOR HAS CLOSE CALL. Cleveland, Ohio, June 3.—Police of Cleveland, Columbus and other cities today are searching for two men believed to have planted a bomb at the home of Mayor Harry L. Davis late last night. No one was injured.

The bomb was planted under a cellar window, and the explosion was so terrific that it tore out practically the entire north side of the house. Windows in many houses for several blocks were broken.

Mayor Davis was seated on the lawn on the opposite side of the house with his wife and several friends when the explosion occurred.

Butte, Through cooperation of Anaconda Copper Mining company four excellent park sites secured. Public golf links embraced in municipal playground plan.

Great future predicted for Montana silver as result of lifting restrictions on price and export. Silver mining was once the principle industry of the state.

Can a political movement such as the Nonpartisan league, based on arraying class hatred against capital, succeed in our country?

Great Falls—Judith basin cliffs bring 55 cents. Lambs ranging 110 per cent.

City improvement is subject at Havre. To include public playground and park.

Dillon—Paving and street lighting contracts let.

Winter wheat loss lighter than ever before in state. Crop ten per cent over last year's.

Bainville—Large oil warehouse to be erected here.

Land sales bring \$300,000 to state with buyers eager for Montana land.

Every western state is interested in the better outlook for the lumber industry.

Helena—Anaconda Copper company granted refund of excess railroad rate on ore.

Bozeman—Work on bank and office building to start soon.

Troy—Government plans construction of 18 miles highway in upper Yakk valley at cost of \$70,000.

Billings—Montana Tractor company to erect \$65,000 structure here.

Many new school buildings to be erected throughout state. One million

dollars to be expended.

Hysham—Treasurer county good roads association formed here for the purpose of continuing state highway from Yellowstone to Rosebud county.

Deer Lodge—Inmates of state penitentiary here building chapel and assembly room.

Every industry, large and small, is interested in the constructive program outlined at this time by congress. Repeal of luxury tax and reconsideration of general federal taxes will put new spirit into business.

Kalispell—\$125,000 contract for constructing 35 miles of road in North Fork valley from Coal Creek to Canadian boundary let to Spokane firm.

Three Forks—Work commences on construction of Madison dyke and drainage system near here.

Scobey gets new school house.

Three Forks—Jefferson Valley drain now assured fact. Will reclaim nearly 5000 acres rich bottom land.

Livingston—Work on new \$20,000 Park county fish hatchery started.

Great Falls to soon have a fish hatchery to be built at Giant Springs.

This congress promises speedy and affirmative action on oil and water-power measures which mean so much toward increased development in western states.

Great Falls—30,000 trout placed in Beaver creek.

Great Falls—Making of national playground out of portion of forest reserve on upper reaches of Sun River contemplated.

Great Falls—Corporation to be organized to re-open woolen mill at Manchester, 8 miles west of here.

Dillon—\$20,000 organ to be installed in picture theatre here.

Whitefish—Great Northern railway to build bridge 14 over Whitefish river.

Glasgow, Montana, June 6, 1919. All registered warrants, School District Numbered Five (5) are this day called for payment, and cease to draw interest on this date.

C. F. TURNER, Treasurer, Valley County.
