

It's Time!

Time to turn your thoughts to Haying and Harvesting machinery---and you should make a careful inspection before the rush of work begins. When your thoughts turn that way, turn your footsteps toward the Big Red Shed, where the Deere line is ready for inspection.

Several amateur poultry breeders in town are in deep mourning over the loss of half grown chickens, in last Friday's flood. The rain came up so quickly that they did not have time to house their chickens and they were literally drowned and carried away in the flood.

The addition to the Cut Bank depot is under way and to be perfectly frank and truthful the improvement is not of such a nature as to inspire great enthusiasm. We were assured by the traveling passenger agent some time ago that if we remained perfectly quiet and ladylike we should have our fond desires for a better depot gratified. Is this the reward for our gentle and happy attitude?

Mr. and Mrs. Bomboy were called to Shelby on Tuesday of this week by the death of Authur M. Frogge. The young man was a homesteader in that vicinity and had been ailing since spring, finally succumbing to acute nephritis. Undertaker Bomboy prepared the remains for shipment to Papineau Illinois, the home of the deceased's people.
