Wibaux People Should Try This

C. M. Allen states that any one who has constipation, sour stomach or gas on the stomach, should try simple buckthorn bark, glycerine, etc., as compounded in Adler-i-ka, the new German Appendicitis remedy. A SINGLE DOSE brings relief almost INSTANTLY and Wibaux people are surprised how QUICKLY it helps. This simple remedy antisepticizes the digestive organs and draws off the impurities. C. M. Allen.
