BE WISE

Why take risks with your important documents when you can have a box in our fire and burglar-proof vault.

You may have some notes that are your only security for money loaned, and if your house or office burns, you are up against trouble, as it might be difficult to prove that the makers owed you anything.

Mrs. Clodfelder, wife of the agent at Gerber, has been substituting for Miss Berg at the Great Northern station in Armington and has been driving back and forth in a Ford truck.

Sunday, as she was driving along, the wishbone on the Ford dropped down and her car was out of control. She wound up in the ditch with out serious harm. A large car approaching went in the ditch on the other side of the road possibly to keep out of the way of the truck.

Stanley Klimas of the West Side Coal mine has been compelled to enter the Columbus hospital as the result of being kicked by a horse some weeks ago. The leg did not improve and an X-ray examination proved that the bone in his leg while not broken, was split. His stay in the hospital may be short but the matter is uncertain.

It is rumored that Chas. Holmberg was painfully injured when he was accidentally shot in the leg by a .22 rifle which he was handling. Details are lacking but Mr. Holmberg is in a Great Falls hospital.

The men composing the West Side Coal company have been having tough luck. J. V. Harner is doing tunnel work on the Great Northern, Mike Speger is confined to his home with rheumatism, Tex Irwin is just recovering from pneumonia and now Stanley Klimas is in the hospital.

Last Friday evening, the high school faculty entertained the basketball boys at an elaborate banquet and dance.

The menu consisted of:
Deviled Eggs Wafers
Baked Ham Escalloped potatoes Rolls
Cream Chicken in timbals
Fruit Salad Wafers
Ice Cream Cake Coffee

The table was decorated with yellow and white, emblematic of Easter. The favors were yellow baskets of assorted nuts and the centerpiece was the silver basketball won by the boys.

After the banquet the guests assembled in the auditorium where the rest of the evening was spent in dancing. A beautiful lattice-work of yellow and white divided the auditorium. Small basket-balls were hidden in different parts of the room, and the partners for the first dance matched these. For the rest of the evening programs were used. Each of the boys and teachers invited a guest. They all reported a wonderful time.

NOTICE

The Belt Women's Club will meet at 8:00 o'clock Wednesday evening, April 7th in the library room at the high school building.

It is hoped that every woman who has gone into the club will be present at this time and that all of those who are interested in the work will make a special effort to be present. County Agent Cameron plans to be with us for this meeting and will explain the many ways the club can be of service in helping to reap greater benefits from the Extension service in this community.

Anyone interested in club work for the boys and girls in this part of the county is cordially invited to attend.
