SUNNY JIM SAYS

I have an automobile, it's as nice as nice can be
And best of all my grocer is buying it for me
When out upon a road I drive, I do not let them pass
And best of all, my grocer is helping buy my gas
And if I break an axle. No need for me to care
I have a willing grocer who always treats me fair,
Some day I'm going to pay him (that is if things go right)

But if in trouble I should get, it's grocery bill—good night.
