Our reason, when rigidly employed may discern many speculative truths. Until they are substantiated, however, and vivified by FAITH, they exercise no practical influence on our lives. It is not written that we stand by reason, but that we stand by Faith. It is not written that the just shall live by reason, but that the just live by Faith. By Reason no man ever lived, no man ever stood. For we cannot stand upon ourselves. We cannot breathe in a vacuum. We must have something to stand on, something to breathe; and this "something" we receive by "FAITH." Julius Hare Cambridge University.

This is a time when rigid economy must be practised and enforced by men who are properly trained and qualified to handle the important business interests and responsible administrative affairs of the State of Montana.

My record shows a business administration as understood by a business man, and I will continue to fight inefficiency, waste and unnecessary spending of the State's resources.

net earnings shall be added to the fund itself, and the remaining nineteen twentieths shall annually be apportioned to the school districts of the State on the basis of the aggregate actual school attendance in each district during the educational purposes, subject to such regulations and limitations as may be prescribed by law.

Section 14 (of Article 21). All the net earnings accruing to the Permanent Revenue Fund for the University of Montana shall annually be added thereto until it has reached the sum of One Hundred Million Dollars (\$100,000,000). Thereafter only one twentieth of the annual net earnings shall be added to the fund itself, and the remaining nineteen twentieths shall be apportioned to all the educational institutions then comprising the University of Montana, on the basis of the aggregate actual attendance in each institution during the preceding school or calendar year, and may be used for all purposes properly connected with the work of these institutions, subject, however, to such regulations and limitations as may be prescribed by law.

Section 15 (of Article 21). Whenever the purpose for which a certain contribution was made has been accomplished, or can no longer be ascertained or followed, then the total amount of such fund shall be transferred to the State Permanent School Fund and become a Permanent and inviolable part thereof. All contributions without a specified purpose shall be credited to the State Permanent School Fund.

Section 16 (of Article 21). Should the time ever come when any of the three aforesaid permanent funds become so large that no further increase is necessary or desirable, then, in such case, the Legislative Assembly shall have power to provide for the use of all of the net income from such fund for the purpose for which it was created, or it may use the one twentieth of the annual net income which was to be added to the fund itself for the creation of other permanent revenue funds, or for any other public purpose that it may deem wise; provided, however, that none of the foregoing provisions of this section shall apply to any of these funds until it has reached the specific amount fixed by this Article.

Section 17 (of Article 21). The Justice of the Supreme Court of the State of Montana are hereby made and hereby made and constituted a

supervisory board over the entire administration of all the funds created or authorized by this article and the income therefrom. During January of each year, this board shall review the administration for the preceding year. It shall decide all uncertain or disputed points arising in the administration of funds whenever requested to do so by a beneficiary, by a State Official charged with some part of the administration of the fund, or any other interested party; and it may do so upon its own initiative. It shall be the duty of the supervisory board to do and perform all acts and things that it may deem necessary in order to cause the board and officers having direct charge of these funds to administer the same carefully and wisely in full compliance with the provisions of this article and such further legislation as may be enacted relating thereto. The Clerk of the Supreme Court shall be Ex-Officio Clerk of this Supervisory Board.

Section 18 (of Article 21). The Legislative Assembly shall from time to time enact such further legislation as it may deem necessary to carry into effect the provisions of this article.

Section 3. Separate official ballots shall be provided at the general election to be held in November, 1924, which shall have printed thereon all of Article Twenty-one (21) of the Constitution of the State of Montana, as proposed by this act. There shall also be printed on said official ballots, below the said article, squares and the words as follows:

- For the foregoing amendment to the Constitution.
- Against the foregoing amendment to the Constitution.

Each elector who approves this amendment shall mark an X in the first square above, printed, and each elector who rejects it shall mark X in the second square.

Section 4. The votes cast for and against this proposed amendment, shall be canvassed, determined and declared as provided by the laws of the State of Montana.
