

High School News Items

Principal H. L. Bassing met with the class advisers and class officers Tuesday afternoon to constitute a standing Christmas entertainment committee. The annual Christmas program will be given Wednesday afternoon, December 23rd; just before the students are let out for their Christmas and New Year holidays.

The program will include the Christmas tree and the presentation of gifts among the students which has been so successful during the past few years and is looked forward to with keen enjoyment by the faculty and student body.

Eugene Barrett was appointed chairman of the Christmas Tree Com-

mittee. A motion was made and carried that the Christmas program be left in the hands of the Dramatic Club to furnish any featured entertainment aside from the presentation of gifts which should not exceed twenty-five cents in value. The president of each class will appoint two members from his class to take care of the receiving of gifts as well as the appointment of two members to decorate the Christmas tree. The Dramatic Club presented the school with fifteen dollars to help defray expenses of the tree and decorations. Walter Aho was made chairman of a committee of three to have charge of the wiring and lighting of the tree.

The high school students assembled in the auditorium Tuesday afternoon and were favored with several delightful numbers by Baldy Strang's Quartette. "Asleep in the Deep", composed by Jones, was sung by Mr. Marshall. Mrs. Haskins gave a humorous song recital which was followed by a popular number sung by the quartette.

The brass flag pole connection of the colors presented by the class of 1925 has now been engraved as follows: "Presented to the C. C. H. S. by Class of 1925".

The basketball team met the Roberts team on the local floor last Saturday night. The game was very rough. Roberts was sure of herself due to the fact that she beat Park City quite badly recently and the Carbon County High School was not quite so victorious over the Park City team. Roberts thought the game in Red Lodge was going to be a walk-away. The first half resulted in a score of 7 to 0. The game ended, 22 to 1. Horn made the one point for Roberts.

The basket ball team of the Carbon Hi will play Belfry tomorrow night and at Edgar Saturday night. The boys will play Columbus on the 19th. Games for the New Year are as follows: Park City at Park City, January 1; Edgar at Red Lodge, January 9. Coach Schmidt is at present trying to arrange a trip to Sheridan and Buffalo, Wyoming, for games.

PROGRAM BY LITERATURE DEPARTMENT OF WOMAN'S CLUB

The Literature Department of the Woman's Club met at the Library Tuesday afternoon. With Mrs. L. P. Chapman as leader, the day's program was excellent and was enjoyed by the women.

The first number on the program was an interesting and well-delivered talk on China by Mrs. Sam Turner. This was followed by a very good address by Mrs. Emily Sloan in the form of a scenario in three installments, written by Mrs. Sloan and which has been accepted by a correspondence school in the East. Mrs. G. L. Finley recited a number of delightful poems which she has composed.

The program was followed by delicious refreshments served by the hostesses, Mrs. Joseph Swab, Mrs. Elsie Webb and Mrs. Elizabeth Dobson.

Mixed Sweets

Friend to newlywed: "Did you have waffles with honey?"
Newlywed: "No she was too tired to get up this morning."

So Grateful

The wit of the Celt can always be rode to the straight Mike and Pat joke, said a famous after dinner speaker recently, and I hate to be guilty on this count. However, said Mr. McCarthy to Mr. Oshelvin: "You walk very fast." "Yes—but I walk faster when by myself." "Then," said Mr. McCarthy—"I'm glad I'm not walking with you when you are by yourself."
