NEW "Pilot-House" Cabs
 with all-round vision

Higher and wider windshield and windows give the driver real "Pilot-House" vision... in all directions! It's all-round vision, still further augmented by newly available rear quarter windows. They're the safest truck cabs ever built, too, with welded all-steel construction. Their comfort is almost unbelievable. Take a ride... and you'll feel that you're "sitting on top of the world"... with all the road yours to command.

NOW ON DISPLAY

You're looking at the most attractive and useful trucks ever designed. The first thing you notice, of course, is their new massive "truck-like" appearance. But underneath—you'll find power-packed chassis, each "Job-Rated" for performance, economy, dependability, and long life.

Because these new Dodge trucks are "Job-Rated"—because they fit the job—they naturally save money and last longer. But you're in for a real surprise, when you see how many additional money-saving and time-saving advantages Dodge has built into these newest trucks.

We urge you to come in and see them without delay. You'll find them years ahead in design... the only really new trucks on the market this year!

NEW All-Weather Ventilation
 Real comfort at ten below or a hundred above! That's because of an ingenious combination of truck heater, defroster vents, vent windows, cow ventilator and a new fresh air intake from the radiator grille. It's the finest "All-Weather" heating and ventilating system available in any truck cab.

NEW Ease of Handling
 You enjoy remarkable new ease of handling and driving in these new trucks. You can turn them in much smaller circles... the same size circle either right or left. You can park, or back up to platforms, with greater ease. With this shorter turning, you also get full-size bodies, longer cabs, better weight distribution.

NEW Comfort

- PLENTY OF HEADROOM.
- STEERING WHEEL... right in driver's lap.
- NATURAL BACK SUPPORT... adjustable for maximum comfort.
- PROPER LEG SUPPORT... under the knees where you need it.
- CHAIR-HEIGHT SEATS... just like you have at home.
- "AIR-O-RIDE" CUSHIONS... adjustable to weight of driver and road conditions.

7-INCH SEAT ADJUSTMENT... convenient hand control.
