Libby Garden Club Holds Meeting

The Libby Garden Club met at the home of Mrs. Orlo Johnson Tuesday afternoon, January 20, at two p. m., with Mrs. Stella Redfield and Mrs. Elizabeth Johnson as co-hostesses.

The new officers elected in November were presented by Mrs. Myrtle Yaple, courtesy chairman, and immediately took over their duties—Mrs. Kappa Rice, President, Mrs. Marion Johnson Vice President, and Mrs. Doris Chapman, Secretary. Mrs. Nina Barkee, Treasurer, was unable to be present having been called to Minnesota on account of the death of her mother early in January.

The regular business meeting was held, during which Mrs. Rose Robertson reported on her trip to Missoula last week, where she attended a planning meeting for the convention of the State Federation of Garden Clubs to be held in Missoula late in June or early in July, in conjunction with the Rose Show of the Missoula Rose Society. Mrs. A. M. Sterling of Ronan, State President of the Federation, presided at this meeting. A delegation from the Libby Garden Club are planning to attend the convention, and are requested to assist as hostesses while there.

The yearbooks for 1948 were distributed. The club wishes to express its appreciation to Reverend and Mrs. Stearns, who printed and decorated the very attractive booklets. After the business meeting, Mrs. Etta McCullom presented a "surprise pie," which contained a written fortune for each one present, causing much merriment when they were read aloud.

The club also wishes to thank Mrs. Pearl Rinley, formerly of the State Fish Hatchery at Libby but now in Arlee, who sent a generous supply of beautifully decorated pine cones for our Christmas party, to be distributed to all members and guests.

A talk on house plants and their care which was to be given by Mrs. Jean Thomson, will be carried over until the next club meeting at the home of Mrs. Myrtle Yaple in February.

A delicious dessert lunch was served by the hostesses at the close of the delightful afternoon.

More than 700 fires occur in homes daily, averaging about \$350 loss per fire.

NADINE WHITEFIELD HAS DESIGN ON DISPLAY

Eastern Washington College, Jan. 19—On display in a contemporary floor covering exhibit at Eastern Washington College is a design by a Libby student, Nadine Whitefield, daughter of R. N. Whitefield. Chosen for the exhibit was the work of seven students submitted in different art classes. The exhibit features geometrical designs with predominant brown, green and blue colors as the theme of the modern home of the future.

Also on display at E. W. C. this

week is the International Textile Exhibit. Classes in which Miss Whitefield is a student are studying in detail.

Mrs. Rose Brouillard returned Tuesday from Hot Springs, where she has been visiting.

Mrs. Virginia Hansen of Troy came into Libby Monday to spend three or four days.

Mrs. J. R. Claypool of Kalispell, spent the week-end as the guest of her daughter, Mrs. Don Leach and family, returning to her home Monday.
