

Moose Officials Visit Libby Lodge

A class of three candidates for Libby Moose Lodge 1039 and two members for the Troy lodge were initiated last Monday evening at the Moose Hall in Libby. The lodge was called to order by Governor D. A. Davidson and the following Libby men were initiated: Alfred F. Olson, Maurice E. Walker and Marland O. Baker.

The degree team consisted of Melvin Paulson, serving as Past Governor; C. L. "Buck" Swan, Governor; Frank Warner as junior governor; Chet Smith, orator; Gleason Pilcher, prelate; Ernest Roberts, Sergeant-at-arms; and E. L. Kemp, asst. Sergeant-at-arms. A prize of a sterling silver Moose ring was presented to Paul Thomas for winning the membership contest. Three of Brother Thomas's candidates were unable to be present for initiation. Brother Dillon of Troy also received a prize from his lodge for his work in the Troy membership drive.

C. L. "Buck" Swan, state director, had as his guest, Al J. Satori, past supreme governor. Following the initiation of the class which was named for Brother Satori, the Past Supreme Governor was introduced to the lodge and gave an interesting talk in which he stated he had enjoyed the pleasure some 26 years ago in being present when Libby Moose Lodge No. 1039 received its charter. The speaker gave an interesting description of the Moose Home at Moose Heart, Ill., where orphans of Moose members are cared for and given a home and home care until they have completed their school work. Brother Satori is now a member of the Spokane lodge. He was Supreme Governor in 1939 and is also a Past Supreme North Moose being the only Moose to hold both of these honors.

Brother Buck Swan also presented the Troy and Libby lodges with collection cradles. Following the initiation and regular meeting, the members adjourned to the dining room where sandwiches, cake and coffee were served.

TRAINING ENCAMPMENT BEGINS AT REMOUNT

Missoula, Mont., Jan. 13—Thirty forest officers from the national forests and regional office in the Northern Region convened Monday at the Remount station where they are participating as trainees in an advanced management training encampment, announced P. D. Hanson, Regional Forester.

Over the years, the job of forest administrator has increased in complexity, and like many other organizations of comparable size, the Forest Service is training its personnel in the advanced phases of administrative and resource management through schools of this nature. In time—after several years of actual experience in the many assignments making up Forest Service work—all younger forest officers will have the opportunity to attend this type of encampment, he said.

Instructors' staff is made up of members of national forests, regional office and experiment station. As a special feature, E. A. Atkinson, Professor of Psychology, and Harold Tascher, Associate Professor in Social Administration, from Montana State University spoke to the group on the evening of January 12.

In the training courses particular emphasis is being given to the resource fields which include timber management, range management, recreation and lands and watersheds and their relation to the economy of the area.

The entire program is being conducted under the general direction of Victor O. Sandberg, regional training officer.

Forest officers in attendance from the Kootenai National Forest are Howard E. Ahlskog and Ernest J. Grambo.

'49ers to Present "Berkeley Square"

If you plan to see only one play this year go to "Berkeley Square" if your budget provides two evenings entertainment in the theatre, see it twice.

This love story of a present day American, who is unceremoniously thrust into a bewigged and powdered life of Eighteenth Century London and an English girl who has been dead more than a hundred years before his birth, is, in its poetic, fantastic way as touching and beautiful a romantic episode as the current theatre offers. And all the justified enthusiasm for the adult intellectual qualities and the fascinating metaphysical conception of time they distinguish "Berkeley Square" and make it the most important play of the season. There has been too little said for the work's enormously moving emotional values.

There is magic in this play, enough to set it apart from the common traffic of the theatre, and to send dreams scudding in the wake of dreams. Therefore, first of all, let us welcome and rejoice in it, for magic is very rare.

For those individuals who are anticipating an entirely enjoyable evening by attending the Senior Class presentation of "Berkeley Square" on February 9 and 10 there will be a clarifying narrative account as well as a complete list of characters in the Western News next week.—Class reporter.

LIBBY ITEMS

In discussing his years of experience in county service several days ago with Commissioner Mahoney, the Western News scribe learned that the Libby Commissioner has been elected three consecutive times to serve on the county board. Instead of being appointed in 1938, Mr. Mahoney was elected to fill out the unexpired term of J. W. Daniel, who did not qualify. Mahoney was re-elected in 1942 and 1943.

Judge L. E. Tripp and J. T. Wilson of Eureka, were pleasant callers Monday at The Western News. Mr. Wilson is opening a law office in Eureka, and expects to move there in the immediate future, going to Eureka from Helena.

Word from Harry Hough of Ft. Jones, Calif., states that rumors heard by some Libby friends to the effect that Mrs. Hamilton Hough was not lost in a plane accident some months ago, while en route from Alaska to the States, is not correct. Mr. Hough writes: "Your account of her being lost coming out of Alaska is correct. There has been no trace of the plane she was on."

Mrs. Nellie White of Milwaukee, came Thursday of last week to visit at the home of Mr. and Mrs. F. C. Robertson. The two ladies are sisters.

Raymond Hrobik of Kalispell, visited Sunday at the home of Mr. and Mrs. T. C. Robertson. Mr. Hrobik and Mrs. Robertson are brother and sister.

Roy Hrabek of Kalispell was a dinner guest at the home of Mr. and Mrs. Thomas Robertson.

Miss Ellen Norris spent the week end in Warland with her parents, Mr. and Mrs. C. C. Norris.

Miss Ann Cobblewick was a week end visitor in the home of her sister, Mrs. Ed Scheffler in Spokane. Mrs. R. C. Covey and two children of Kellogg, Ida., are visiting at the home of Mr. and Mrs. C. J. DeMers.

A letter from Mr. and Mrs. Harry Hough of Ft. Jones, Calif., states they are well and happy, and wish to extend greetings to all their Lincoln County friends. The Houghs state they are having plenty of winter with the mercury dropping down to a minus 2 degrees but have very little snow around Fort Jones. There is much snow in the nearby high country.

Mrs. Pearl Christensen and son, Jerry, spent the week end at Priest River, Ida., visiting with Mrs. Christensen's daughter, Mrs. H. O. Thompson.
