LOON LAKE ON PIPE CREEK IS OPEN

A report was prevalent around Libby Monday that Loon Lake at the head of Pipe Creek is closed for fishing this season. The report probably originated as someone's idea of a practical joke.

In discussing the rumor, Deputy Game Warden Vernon Friend states that Loon Lake is open during the regular season from May 22 to November 15; and in addition the lake shall be open to fishing through the ice only, from December 1, 1949 to February 28, 1950.

GRAND MATRON VISITS LIBBY

(Continued from Page One)

Mrs. Joughin put on an original television broadcast over Station STAR. This was the first television seen in Libby and the audience participation was extemporaneous. The diners were in a gay mood, the questions and clever answers made the broadcast a success and a lot of fun. The master of ceremonies delved into the love life and marriage of Harlow Stordock and gave him quite a ribbing. He was so cooperative that he got the chance at the \$64 question at the close of the video. This question was the motive for quick action and talking all during the broadcast as it was promised that a prize of five dollars would be given for the correct answer. The M. C. flashed a five dollar bill as she asked the question, "Will the Libby Dam be built?" With the announcement of the army engineer it will be known if Mr. Stordock's answer was correct. If he gets the prize he must spend it for something needed at the Masonic Hall. The broadcast was a take-off on those to whom the questions were asked and was full of laughs. Clever answers received a lot of applause.

From the banquet the Stars and their O. E. S. guests repaired to the Masonic Hall where Mrs. Eileen Guernsey and Mrs. Dorothy Landon were given their degrees. Mrs. Evelyn Gillespie became an affiliate from Havre. Mrs. Guernsey was distinctive in black and gold. Mrs. Landon was beautiful in yellow organdy in semi-hoop skirt effect. Mrs. Gillespie was lovely in black lace.

Joyce Olson was Conductress and Jeanette Hagerty was Associate Conductress for the initiation. The Star points who gave the lectures were Eileen Lovick, Ada; Thelma Curry, Ruth; Rhea Anderson, Esther; Mary Johnston, Martha; Merle Nelson, Electra.

The Chapter Room was a bower of baskets of beautiful flowers in colors appropriate to the degree work and teachings of the Eastern Star. Fred Curry with appropriate remarks presented the gift from Libby Chapter No. 69 to the Grand Matron.

Mrs. Baumgartner was a regal woman, dressed in grey. She was very gracious and had a pleasing personality. In a wonderful and impressive address she had a real message on the ideals of the O. E. S. for the members.

O. E. S. has 118 chapters in Montana and its growth is very gratifying.

Mrs. Baumgartner was accompanied by her husband. The other Grand officer present was Victoria Baney from Eureka, who is Grand Sentinel. Other guests were Eleanor Crane, Thompson Falls and her husband Floyd Crane who is Worthy Patron there, Arthur Small, Kalispell, Mrs. Serena Swanson, Whitefish, Maxine Peterson, Worthy Matron of Troy, Maurice Nelson, Worthy Patron of Troy.

Mr. and Mrs. Baumgartner were entertained at the home of Duane Sturm, Master of the Masons and Edna Sturm, Matron of the local O. E. S. The Grand Matron and her husband next visited Eureka where they were received and entertained.

After the Chapter meeting punch and delicious assort cookies were served at a beautifully decorated table. The flowers used were bleeding hearts. Those who served punch were Mesdames Fern Shaur-ette, Anderson, Seims, Barkee, and Oertel.
