A Change is in Order...

Change to OIL-PLATING!

Better Protection! . . . Safe-
 guard your new car with Conoco
 Nth Motor Oil. There's an ex-
 clusive additive in Conoco Nth
 that fastens an extra shield of
 lubricant right to the metal
 surfaces. That's OIL-PLATING!

Saves Your Car! . . . OIL-
 PLATING is always there—a buffer
 against wear. Even when the oil
 itself has been squeezed out by
 high loads, high speeds or high
 temperature, Conoco Nth extra
 shield protects moving parts.

Safe Starts! . . . OIL-PLATING
 holds fast. It can't all drain
 down, not even overnight. No
 metal-gouging "dry-friction"
 starts in the morning with an
 OIL-PLATED engine!

Lets You Brag! . . .
 because another additive
 in Conoco Nth fights
 sludge and carbon . . .
 keeps repair bills low!
