Mr. and Mrs. Gene Schermerhorn purchased the Alex Purdy home, and will take possession as soon as it can be vacated.

**Roosevelt Grade School Notes**  
Supt. and Mrs. J. R. Culver leave Thursday of this week to attend the Delegate Assembly of the MEA in Helena. Mr. Culver is chairman of the Finance committee.

The Art department is busy making Easter menu covers for the Jr. Red Cross. One hundred of these are being made in sawdust work. They are also participating in the Auxiliary Poppy Poster contest.

The 5th grade invited the 4th grade to the club program Friday afternoon. A "radio" quiz program was "broadcast" using a microphone made by Jimmie Reynolds and Gordon Miller. Roger Helms acted as "Dr. I. Q." The "Quiz Kids" were: Carol Kearney, Anne Skelly, Jimmie, Richard Williams and Philip Stevens. Phyllis DeLager acted as scorekeeper. First prize was shared by Richard and Jimmie. All contestants made good scores.

The 5th grade have been making diagrams suggested by their study of pioneers of the midwest. Lawrence Streeter made a Conestoga wagon, Lynn Frosts' depicts an early steam locomotive and Phyllis DeLager made a flatboat loaded with goods to take down the Mississippi.

The 4th grade Audubon Club met on Thursday and heard interesting accounts of the bluebird, the meadow lark and the sparrow by Raymond Starling, Phyllis DeLapp and LeRoy DeLager. Bird houses have been made by Larry Holgren, Raymond and Allen Barney. These will be put up in the tree opposite the 4th grade room where it is hoped that birds will build their nests, thus affording the opportunity for the children to observe their habits.

Pictures due to be shown on Thursday, April 4 are: Earth in Motion, Introduction to Haiti, Heart of Inca Empire, Black Bear Twins, and Red Cross Newsreel.

George Cook of Great Falls visited 2nd grade on Monday.

(Too late for last week.)

### American Legion Auxiliary

Regular monthly meeting was held at the hall March 15th, with 18 members answering roll call, and two visitors from Rexford; Mrs. Mooko and Mrs. Anderson. Reports were given by the various committee chairmen. Motions carried for cash donations for the following: American Red Cross; Care of Orphan children in France; Leonard-Wood Memorial. A summary of the proposed Universal Military Training was given by Mrs. Skelley, followed by group discussion.

Mrs. Mosby expressed her thanks for being remembered by cards on her birthday and reported in behalf of the Past Presidents Parley that two books and an afghan were sent to the hospital in Helena. Mrs. J. Broderick was presented with a past president's pin. Several puzzles and cards were brought to be sent to the patients at Warm Springs. (Those who have not yet made contribution may give theirs to Mrs. Morgan as soon as possible.) Report was given that the students of Roosevelt Grade school are entering the Poppy Poster contest; \$6.00 will be awarded in prizes for the best posters, and the best one submitted will be sent in for State competition. Mrs. Alice Owens was reported as recovered from her recent illness, and able to be home again. Mrs. Chalcraft was reported to be a patient in the local hospital, and secretary advised to send flowers. Plans are being made for a special program in April for Pan-American Day.

### American Legion Birthday Party

In keeping with the annual custom of celebrating the anniversary of the organization, Eureka Post No. 74 of the American Legion played hosts to their Auxiliary at the hall Friday evening, March 15, following the business meetings of the two organizations. The Legion members cooked and served a lovely dinner, consisting of chicken and noodles, mashed potatoes, gravy, peas, fresh tomatoes, pickles, bread and butter, coffee, cake and ice cream. The ladies agreed that the men were excellent cooks and gracious hosts, and in appreciation they sang the "Happy Birthday" song to the Legion, followed by an original composition titled "We Thank You For This Dinner."

### It's a Girl

Mr. and Mrs. John E. Morgan are the proud parents of a baby girl, born Friday, March 15. She has been named Barbara Ann. This is the first grandchild in the Morgan family, so her arrival heralded a great deal of excitement.

### Old Time Resident Passes

Inga Griffith Cameron, wife of Chas. M. Cameron passed away suddenly at her home out of Eureka, March 18. Mrs. Cameron was 72 years old, and was born in Santa Le Andro, Calif. She has lived in this vicinity for 33 years. He husband is sole survivor. The body was shipped to Spokane for cremation. No burial services were held.

### Birthday and Housewarming

A surprise birthday and housewarming party was held at Mrs. Joe Terpstra's home Monday at 2:00 o'clock. About 20 guests were present and presented Mrs. Terpstra with a lovely Presto cooker. The ladies all liked her new home very much.

A delicious lunch was served by

### GIRL SCOUT MEETINGS

**MARCH 10, 19, 25**  
The meeting, March 10, was called to order by the president. We discussed old and new business. We brought up going out to find work, but have not yet decided when. We are working on our notebooks. Refreshments were served by Joanne Zimmerman and Norma Jean Haferman. They served hot chocolate and chile. We didn't have perfect attendance. The meeting was adjourned.

Monday, March 19, the meeting was called to order by the president. We discussed old and new business. We had perfect attendance. Now we are each saying a Girl Scout law when they call our names. Refreshments were served by Pat Switzer and Mrs. Shotwell. We had potato salad, cookies, pickles and a soft drink. The meeting was adjourned.

The meeting, Monday, March 25, was called to order by the president. We discussed new business. The girls in our patrol might have a rummage sale. Refreshments were served by Marvel Leckrone and Geraldine Munsel. We had potato salad, a sandwich and a hot dish. The meeting was adjourned. Virginia Rice, Scribe.

### ROE COUNTY EMERGENCY FOOD PROGRAM MANAGER

Mr. Bert C. Roe, chairman of the local AAA committee, has been designated Emergency Food Program Manager for Lincoln County by Secretary of Agriculture Clinton P. Anderson. R. J. McKenna, State AAA Chairman and PMA Director, will head the program for Montana.

In spearheading the program to carry out recommendations made by President Truman's Emergency Food Committee, AAA Chairman will enlist the cooperation of USDA councils, schools, churches, food trade, newspaper, radio, civic and other groups in bringing facts of the food conservation program to every man, woman and child in the State.

President Truman puts the problem of aiding starving millions in other lands squarely up to each of us. "AS YOUR PRESIDENT, I appeal to you again—and to all Americans everywhere—to prove your faith and your belief in the teachings of God by doing your share to save the starving millions in Europe and Asia and Africa. Share your food by eating less, and prevent millions from dying from starvation. Reduce your abundance so that others may have a crust of bread."

Recommendations to consumers by President Truman's Famine Emergency Committee include:

Prevent bread waste. It is estimated that five percent of one slice out of every loaf baked every day goes into garbage.

Mrs. Chet Pluid, Mrs. Lillian Holmes and Mrs. Ethel Johnson.

### Roosevelt Grade School Notes

The 1st grade room has a border of attractive posters made by the children showing free hand cutting of Spring activities.

The 2nd and 4th grade rooms had the first buttercups of the season in bouquets on Monday.

Esther Boorman brought a new plant for the 3rd grade room.

Larry Holgren brought a set of pictures to school last week showing the development of the railroad in the U. S.

The 4th grade room "planted" a small tree in wet soil some time ago and it is now putting forth leaves, with robins made by Audubon Club members, perched in its branches.

Mrs. Guernsey played selections being studied by the 7th and 8th grades, from Greig, Shubert and Tchaikovsky in music class, on the piano on Monday. On Wednesday she played for the 6th grade.

Pictures for March 28 are: Navajo Children, Story of Coal, Venezuela, Curves of Color, Louisiana Purchase.

The 3rd graders have some pretty bird and flower posters. They have also done some splendid printing of the word "Spring" in varied colors for their room decorations.

- Use less bread at each meal. Use potatoes, for example, as alternates. One small serving of potatoes replaces a slice of bread, nutritionally. Use oats more often. A serving of oatmeal equals two slices of bread in food value. Use fruits and other desserts for pastries and cakes.
- Use less wheat cereals and other wheat products.
- Make better use of meat drippings for cooking and seasoning food.
- Serve fewer fried foods.
- Save and re-use fats and oils for cooking.
- Salvage fats that cannot be reused and turn them in to a butcher or grocer.
- Go easy on oils and salad dressings. A teaspoon of fat saved by every person in the United States would mean a total saving of at least one million pounds of fat daily.

Traffic accidents to children 5-14 years old increased 24 per cent in 1945, according to the National Safety Council.

## THE DEATH SENTENCE FOR PRIVATE INDUSTRY?

Public Ownership of electric utilities is only the first step of Socialism.

The Associated Press reports that the British Government, after nationalization of the utilities, has now launched a project to control the farmer.

The report states:—

"Under the plan farmers refusing to plant crops as ordered by the labor government would be evicted from their land."

Any scheme which permits government bureaucrats to first usurp electric utilities and next to evict the farmer from his land is purely Un-American.
