## There's Always A Reason by Ray Bracy

When Ray Lindsey and his teammates conduct a baseball school, Dutch Deister and his teammates should attend. They could, or rather would have the opportunity to learn a lot. For instance, they might learn that for a faster ball game the first baseman should stay on first and not visit home plate after every pitch. As the Libby spectators so loudly proclaimed the umpire is the one who is calling the pitches. Also, they might learn that it's neither good baseball nor good sportsmanship for the catcher to step aside in hopes that the umpire will be hit by the ball. In fact, it's sometimes more dangerous for the catcher than the umpire.

Libby always has had, and apparently always will have an excuse for losing. Sometimes it's damp and the shortstop has rheumatism; sometimes the catcher has a sore toe, but there's always a reason. When they played at Troy it was the umpire's fault that they lost. We realize that Libby would be willing to furnish all of the officials for their games, but, although we appreciate their generosity, we feel that that would be too much of a burden for one team and that their opponents should bear part of the load.

As Libby has played every other team in the league they can be sure that no sympathy will be forthcoming from them. However, if Libby wants to protest the game, Troy will be glad to meet them on a neutral field. We would really like to see what new excuses there are.

## Copeland Defeats Troy by Ray Bracy

Sunday the Troy ball team and some of their loyal fans went to Copeland, Idaho, where they lost a wild game to the local team, 17 to 9.

Kuwahara started off the game for Troy with a homerun in the first inning. In the first of the 7th Troy went into the lead by scoring five runs, but when they took the field Copeland took full advantage of several Troy errors and scored eleven times. Jack Guthrie, pitching for Copeland, kept the Troy hits well scattered and maintained their lead.

In his first start this season as a pitcher, Don Moore did a good job until relieved by Ray Lindsey in the 7th inning. Ed Mason made his debut as a ball player when Roger Kensler was taken out because of a sore back.

Among the Troy supporters attending were Mr. and Mrs. Bill Lindsey and Neil, Mr. and Mrs. Bill Kusner, Mr. and Mrs. Louis Smith, Clyde Thornton, Dorothy and Betty Tallmadge, Pat Savage, Helen Obach, and Ray Bracy from Troy; "Slim" and Mrs. Lilienthal from Moyie, and Ray Southwick from Port Hill, Idaho.

Next Sunday Troy meets Clark Fork here in their last league game. How about everyone coming out and supporting the team.

## Anderson-Brown Nuptials

On Friday, July 26, 1946, Georgia Ray Anderson, only daughter of Mr. and Mrs. Ed Anderson and James Brown, youngest son of Mrs. Sig Anderson were united in marriage by Justice of the Peace Hesper at Libby.

The bride was winsome in a rose net street length dress with black accessories. Her bridesmaid, Glenna Taylor, wore white. Ralph Anderson was best man.

Mr. and Mrs. Ed Anderson and Mr. and Mrs. Sig Anderson attended the wedding.

The young couple left for a brief honeymoon in Kalispell. They expect to build a new home in Troy at an early date.

Both Mr. and Mrs. Brown attended High School in Troy. Jim served three years in the service. Georgia Ray attended school in Upton, Wyo., for part of last year.

## Girl Scouts

On Saturday afternoon the Girl Scouts who planned on attending camp congregated at the Scout room where through the courtesy of Mrs. Harold Nelson and Mrs. Cole McDougall transportation was afforded them. Dr. Dixon gave the girls their physical examination.

Camp director this year is Mrs. Francis Cody, a comparative newcomer to our town but one who nevertheless is willing to devote some of her time to this work with the girls. Camp is at Bull Lake and the girls are established in the Tallmadge cabins, situated in the tall pines and cedars through which the rippling waters of the lake are clearly visible.

Those attending are: Janie Wallace, Phyllis Nelson, Donna Paddy, Myrtle McDougall, Olivia Blanchard, Rhea Dolan and Leonia Laffoon.

Remaining with the group from Saturday till Monday were Mrs. Nelson and daughter Joan. On Sunday Mr. Francis Cody visited camp and much to the joy of the girls, he took them boating.

On Monday the campers enjoyed a hike out in the hills.

## Moose in the Vicinity

On a recent morning just at the break of day as Mr. and Mrs. Roy Sales drove along the highway close to the Tux Bolles driveway they saw a large animal standing in the road. Upon closer observation they noted that it was a bull moose. Mr. Sales stopped the car and walked to the side of the road where he had a splendid view of the animal. It did not seem at all perturbed when Mrs. Sales joined her husband to peer over the side of the road into a little pot hole some fifteen feet distant to admire the rather unusual visitor to these parts. Mrs. Sales says he was a beautiful animal, sleek and shing with a magnificent spread of antlers in the velvet.

Moose are infrequent visitors to these parts we are told but quite often woodsmen away out in the hills report seeing elk.

## Dance at Moose Hall

On Saturday night Mr. Herman Peterson and Mr. Roy Mossey sponsored a public dance honoring Mr. and Mrs. Leonard Mossey who are among the newest newly-weds of Troy. The music was good, and there was a large attendance. A very enjoyable evening was spent.

## Teen-Age Dance

Continuing the practice of the past few weeks the dance for teenagers at the school gym was held. To date these dances have been much enjoyed by both boys and girls of the community. On Friday evening some of the young people in this age group from Libby attended. Mr. and Mrs. Les Coffman were chaperones. The Vet's have undertaken to sponsor this dance and Les Coffman who for the past several years has been working with the youth of the town is in charge. Mrs. Russell Baeth is in charge of getting chaperones for the evening. A charge of ten cents is made for each person attending. The proceeds go to buy new records for the nickelodeon. If any of the townspeople have any extra records that they feel like donating they will be gladly received.
