Wayne Robbe Wins Paper Name Contest

The Evergreen won first prize in the contest to rename LCHS's paper. As well as choosing a new name for the paper the contest served to publicize it.

First Prize—Wayne Robbe, The Evergreen. One year subscription to the school paper.

Second prizes—The Lion's Roar, suggested by Maxine Broderick, Lois Benson and Marie Kuchenski. Semester subscription to paper.

The Evergreen was chosen because it signifies something of both the scenery and industry of this area as Eureka is the "Christmas Tree Capital of the World" and logging is its major industry. The old paper was called Ksanka Annex due to the towns proximity to Mt. Ksanka, but the name held only local significance.

Coach Buckley Weds Missoula Girl

Coach Larry Buckley this September 14th lightly tripped his way to the city of Missoula. Business affairs led him to this fair city.

His business consisted mainly, it seems, of taking a wife—the former Miss Marjorie Hall.

Too bad girls! The coach is a married man.

LCHS Enrollment Shows Increase

A total of 144 students are enrolled in Lincoln County High for the 1946-47 school year to date. The boys outnumber the girls 79 to 65.

The largest class is the Freshman with 52, 30 boys and 22 girls; second are the Sophomores with 18 girls and 17 boys, total 35; Seniors outnumber the Juniors by one with an even number of boys and girls the total being 28; the Junior class with 10 girls and 17 boys is the smallest in high school.

There are three students taking P. G. courses. Kenneth Payton, Clyde Parker, and Faye Bonger.

Local Teachers Organize MEA

All the grade school teachers, and there, A. J. Barney, Lawrence Buckley, and D. R. Boslaugh from High School met in the Grade school lunch room on Wednesday September 18th, and decided to have a local chapter of the M. E. A. again this year.

Mrs. Long, last years president, presided and Mrs. Swing, last year's secretary, gave a review of the business conducted during the past year.

The new officers elected were Ed Bailey, president, Mr. Barney, vice president, and Nancy McLaughlin, secretary.

Refreshments of coffee and cookies were served.

LCHS Plays Alumni In 6 to 6 Tie Game

LCHS began this years football season last Saturday by playing the Alumni to a 6 to 6 tie.

The first score came in the early part of the game, when in the last of the first quarter Duane Meuli broke through the Alumni defense and made a beautiful 60 yard run, which started as a left end run. He had to reverse his field to elude the opponent, and with very good interference, took the ball over for the touchdown. When the Lions tried for the extra point they missed the kick and tried to run it, but fumbled the ball. At the end of the first quarter the score was LCHS 6 and Alumni 0.

During the second quarter neither team got into scoring position, and at the end of the half it was still 6 to 0 in favor of LCHS.

No other score was made until the first half of the last quarter when Bud Beagle of the Alumni passed to Dale Purdy over left end. Dale was downed just over the goal line which made the score 6 to 6. The Alumni tried a right end run for the extra point, but the runner was downed. The Alumni made one more bid for the game, but not having the time, the game ended in a 6 to 6 tie.

The starting lineup for the LCHS Lions was: Duane Meuli Art Purdy, Bobby Purdy, Paul Hobson, backs; Walt Chalcraft, LE; Dale Holder, RE; Leo Peltier, LT; Don DeShazer, RT; Robert McKenzie, LG; Orvil Richards, RG; Jimmy Peltier, C.

Subs were: Gene Johnson, Gale Holder, Don Payton, Everett Richmond, Hubert McKenzie and Ted Harvey.

Good Squad Out For Football

Once again Lincoln County High School sees the opening of the football season.

Thirty willing and able students turned out the day after school started. Four have dropped out since then, which makes a good sized squad for the new coach, Mr. Buckley to work with.

Their practicing so far has been composed of blocking and tackling and learning plays. No definite positions have been assigned to any particular person yet.

LCHS Football Schedule

The following games will be played by the LCHS Lions: Sept. 28 at Whitefish, Oct. 5 at Libby, Oct. 12 at Columbia Falls.

A date is being held open for the Kalispell game here.

Film Program Inaugurated

LCHS teachers have selected approximately two hundred and twenty-five films to be shown in connection with the various high school subjects. These films will be used in every department of school for educational purposes.

Running time for each film is usually 11 to 12 minutes but some will run as long as 45 to 50 minutes. The average showing will be seven films a week.

Last spring the board for LCHS purchased a Bell & Howell Film-sound 16mm projector.

Films are purchased by the high schools and deposited in the State Film Library at Helena which now has approximately eighteen hundred films on deposit.

Tobacco Valley Grange

The Tobacco Valley Grange met in regular session September 24th. Balloting on candidates proved favorable.

Sister Jean Jackson reminded the Grange of the bazaar this fall and the Harvest-Supper. The dance report was given by Mary Jackson.

Brother Moses of the Agricultural Committee reported on the actions of the O. P. A. in regard to farm products and its effect on the markets. An article was read in regard to the Grange adopting a policy on the bills that will be coming up at the next regular Legislature.

Brother Murray urges Grangers to instruct their delegates in these matters before the State Session in October. Discussion followed in which several patrons expressed a desire to have the legislative committee draw up resolutions to present at our next meeting, Oct. 8.

A communication from State Master Weydemeyer was read pertaining to the State Session and also explaining the extension fee now affecting candidates.

Brother Anderson gave the dance report of September 21.

The Grange voted to make an adequate donation to the National Building Fund. The Grange was sorrowed by the death of Brother John Helms. The charter was duly draped in his memory.

Cards of Thanks were read from Mabel Peltier, Agnes Badgely and the Crawford family.

The final plans were made for Booster Night which will be observed Sept. 30 in the Grange Hall.

Due to the death of Brother Helms, several costume singing groups could not take part in the program; however, 4 members appeared.

Josephine Webb won first place singing, "A Soldier's Last Letter." Lilian Leighty and Anne Carpenter blacked out for a darky number. Bruce Leighty accompanied them on the guitar.

The Grange sang, "God Bless America," and "The Church In The Wildwood." Sisters Swing and Harvey played a piano duet.

Sister Alverson prepared the lovely birthday table.

Completion of an agreement for Federal-state operation of the school lunch program in Montana's public schools during the coming year has been announced by R. J. McKenna, Production and Marketing Administration Director for Montana.

The agreement between the Department of Agriculture's PMA and the Montana Department of Public Welfare, named by Governor Sam C. Ford as the state administering agency, is made under the recently signed School Lunch act," McKenna stated. "This act provides for a permanent school lunch program with greater responsibility for administration and support assumed by states. The state agrees to match Federal allocations with funds which include credit for local contributions of food, labor and equipment and income from sale of lunches to children. Past experience of lunch programs in Schools of Montana indicates that Federal funds would have been more than matched on this basis and the only anticipated cost to the state for administration."

The school lunch program has operated in the state previously on a year-to-year basis under the Department of Agriculture. During the 1945-46 school year, 150 public and non-profit private schools in the state participated in the program. As Montana law prohibits private schools from sharing in disbursement of Federal funds or meeting the matching requirement, the lunch program in private schools will be handled by the PMA state office at Bozeman.

The new act, designed to promote the health and well-being of the Nation's children and encourage local use of abundant farm crops, continues the nutritional standards that were in effect under last year's program. Schools participating in the program must agree to make lunches available to all children in the school without discrimination and regardless of ability to pay.

The act also provides money for the purchase of lunch room equipment. Allocations for this purpose will be made to individual public schools as determined by the Montana Department of Public Welfare and to private schools by the State PMA office.
