**The Vet's Mail Bag**

**Amputee Veterans May Get Tractors**  
 Amputee veterans who are eligible for a government purchased vehicle may purchase tractors with accessories, within the \$1600 limit, the Administration of Veterans Affairs has ruled.

The VA pointed out, after carefully considering the wording of the law and the intent of Congress as shown in the discussion preceding passage of the bill, that the law specifically names not only automobiles, but 'other conveyances' including equipment which will aid the veteran in achieving his occupational aims.

The administrator said: "It appears that the act was intended to be of assistance in the case of a disabled veteran who is a farmer, where a tractor with suitable accessories is necessary to perform labors which he might formerly have been able to manage afoot with a horse and hand-operated equipment, and to permit him to offset the decrease in speed and ability normally resulting from an amputation and compete successfully, financially and otherwise, with able-bodied individuals in the business."

**Questions of the Week:**  
 Q—Where can I get information about readjustment allowances?  
 A—Inquire at a public employment office or at an office of the unemployment compensation agency in the state or territory in which you reside.

**Pensions to Widows and Children**  
 Description: Monthly payments. Widow alone, \$42; widow and 1 child, \$54; each additional child \$6. No widow but 1 child, \$21.60; 2 children, \$32.40; 3 children, \$43.20; each additional child, \$4.80.

Requirements: Service during war period, but death not due to service. Veteran at time of death was receiving, or entitled to receive compensation or retirement pay for service-connected disability, or at time of death had a disability

for which compensation would be payable if 10 per cent or more in degree, and had served 90 days or more with a discharge under conditions other than dishonorable or less than 90 days with a discharge for service-connected disability. Widow must have been married to veteran within 10 years after termination of war. Widow's pension stops if she remarries, but pensions to children may continue until they are 18 or longer under certain conditions.
