LaDonna Scouten Married in Seattle

Miss LaDonna Scouten, daughter of Mr. and Mrs. Harry Scouten of Eureka, Mont., and Mr. Lester Christensen, son of Mr. and Mrs. C. L. Christensen of 1525 35th Avenue, Seattle, Wash., were married Thursday evening, Feb. 20, in the Christensen's home.

The Rev. Gordon Dickie, of the Madrona Presbyterian Church, officiated at the services. Mrs. Marilyn Torgeson, of Seattle, was Miss Scouten's Matron of Honor, and Mr. Rudy Neuner, of Seattle, was the bestman.

Miss Scouten chose for her marriage, a gold dressmaker suit, with brown accessories. She carried a small bible, which has been in the family for over a hundred years, and purple orchids. Mrs. Torgeson, her matron of honor, wore a light grey suit with red alligator accessories. Her flowers were white gardenias and red carnations. Miss June Christensen, sister of the groom, was the candle lighter at the marriage services.

The wedding was followed by a reception in the home, attended by close friends of the bride and groom. Mrs. Harry Scouten attended the wedding and will return to Montana Saturday evening.

After Mr. and Mrs. Christensen return from Vancouver, B. C., they will make their home in Seattle, where Mr. Christensen is with Westinghouse Electrical X-Ray Division.—Seattle Times.

Lincoln Electric Cooperative

There will be a meeting of the Lincoln Electric Cooperative in Eureka Saturday afternoon, March 1, at 2:00 p. m. in the CYO hall. All members, as well as any others interested in the Rural Electrification of Eastern Lincoln County should be present, since this is probably the last meeting before the application for power in this district is submitted to Washington, D. C., for approval.

Any last minute recommendations as well as all new memberships should be presented at this time. There is also a new regulation concerning membership fees which must be voted on at this meeting. Remember, this is a community enterprise for the benefit of every individual, and now is the time to bring in your ideas as well as your complaints.—D. R. Weydemeyer, Secretary.

L. C. H. S. Lions "Champs"

The LCHS basketball team really went over the top when they brought both the Conference Trophy and the Championship Trophy to Eureka. They won a smashing victory in a hard fought game over Libby, Saturday night in a sensational comeback ending with a score of Eureka 48, Libby 44. The Lions astonished the Terriers with a dazzling first period attack for 24 points in a spectacular scoring spree, to gain a lead which they held throughout the final game. The Lions had lost to Libby the night before with a score of 38-46, and was forced to play Polson Saturday morning before the final game with Libby. Our boys played with the energy and speed of a fresh team and was more than Libby could stop.

The Columbia Falls basketball gym was filled to capacity. Each team was supported by their home town and the Eureka section went wild when the Lion Champs captured both trophies.

Captain Gwynn was awarded the well earned prizes by the team, and the broad smiles of the boys and Coach Buckley were well worth the trip just to see. The proud coach will take his team to Anaconda for the State meet in March.

The Lions not only won two trophies this year, to add to our school but are instrumental in the placing of a New Electric Score Board

in the LCHS gym. The team has done so well, the people of this district have responded generously to the two solicitors, Tom E. Price and John McKenzie in raising the money to buy the score board. The score board has been ordered and will be installed as soon as it can be obtained. A list of all donors and their donations will be published in the near future.

The LCHS Lions have done well. The trophies are on display at the Eureka Drug Store.

LCHS Travels Across Border

Two buses and two cars loaded with players and spectators made their way across the Canadian line and over muddy roads to Fernie, B. C., Saturday, Feb. 15.

After meeting those who were entertaining them overnight the teams went to the gymnasium and the girls' game was put underway. The Fernie girls defeated the LCHS girls 25-20.

After the girls' game the Fernie and LCHS boys came out on the floor. During the first half the "B" squad of LCHS played, losing to the Fernie team 14-17.

The second half saw the "A" squad overcoming the lead from a stubborn Fernie five.

The game ended with LCHS on the long end of a 43-27 score with Gwynn leading with 12 points for scoring honors.

After the game LCHS players and coaches were Fernie's guests at a banquet. The team captains were introduced and the principals of both schools spoke a few words to the group.

BYU Honored With Party

Mrs. Homer Garrison gave an ice skating party at her home on Feb. 11th for the Baptist Young People's class. It was a grand evening for skating, since the ice on the pond was frozen hard and was smooth. Pump-pump-pull-away was played on the ice and also hockey. Some played crack the whip which landed a few on the ice.

By 6 p. m. the skaters went to the Garrison home and a lunch was served by Mrs. Garrison and Mrs. Kenneth Hooper. The lunch was decorated with hearts in honor of St. Valentine's Day. The lunch consisted of jello salad, sandwiches, scalloped noodles, and tuna fish, cocoa, vanilla and chocolate heart shaped cookies, a large white cake with white frosting trimmed with red hearts and ice cream. For entertainment the gossip game was started at the table.
