

Mrs. Sherman Noel Heads Woman's Club

The Woman's Club held its annual election of officers Tuesday afternoon, April 8th, when it met in regular session at the Junior High auditorium. Mrs. Sherman Noel was elected to serve as president for the ensuing year. Other officers elected were:

It was reported that Mrs. Ray Rice, courtesy committee chairman was suffering with a sprained ankle and would enjoy calls from the members.

A paper prepared by Mrs. Ned Joughin, International Relations chairman was read in her absence, by Miss Inez Ratekin. It contained Mrs. Joughin's usual keen observations on world events as they are passing before the eyes of the public.

Literature chairman, Mrs. Luvia Craven began her report by commending Mrs. Joughin on her excellent summaries of World Affairs, then recommended the reading of the new book, "Struggle for the World," by James Burnham. "This book follows along the line of Mrs. Joughin's reports," said Mrs. Craven as she gave a brief review of it. "It is destined to be a widely read book" she continued "and will worth your while to put on your own reading list."

Mrs. Oliver Phillips, music chairman, stated that Kirsten Flagstad was back in the United States and explained her position because of her husband's having been a collaborator with the Nazis. "However while Mrs. Flagstad did not explain her own opinions" Mrs. Phillips stated "she at least did not sing in Germany or Norway. Mrs. Phillips went on to tell of other musical personalities, this time a boy violinist and his sister who was a remarkable success as a pianist.

"There were two hundred tuberculosis tests given this month with only three re-actors found" stated Mrs. Harold Thomson, Public Welfare chairman. "The X-rays are to be given Friday she concluded.

Mrs. J. R. Mills was appointed to meet Mrs. Zimmerman of Troy, Cancer Control Commander of Lincoln County and act as chairman of the drive in Libby.

The club decided to resume its old custom of serving light refreshments at each meeting.

Miss Carol Johnson presented her Rhythm Band of the Libby Public School that gave several numbers which were greatly enjoyed by the audience. One number "Indian Dance" featured five boys as dancing Indians.

The program chairman, Mr. and Mrs. W. E. Partlow showed a General Electric color film which gave instructions on the preparation and packaging of fruits, vegetables and meats for locker or home freezing units. The film story continued until the final preparation of the foods as a delicious meal.

The club luncheon will be held May 13 and will be served by the Presbyterian ladies.

Mrs. Ray Welman entertained the Hob Nob Club in her home Friday evening which was spent playing bridge. Mrs. Roy Sherman received high prize.
