

SUFFERED NINE YEARS

Many Remedies Tried in Vain. Well and Strong After Taking Lydia E. Pinkham's Vegetable Compound.

Butte, Mont., Feb. 9.—"For nine years I suffered from backache, weakness and irregularities so I could hardly do my work. I tried many remedies but found no permanent relief. After taking Lydia E. Pinkham's Vegetable Compound I felt a great change for the better and am now well and strong. I have no trouble in doing my work. Every user of Lydia E. Pinkham's Vegetable Compound will get as great benefit as I did from its use."—Mrs. S. McCann, 122 Dewey Ave., Butte, Mont.

The reason women write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought them back to their normal health and freed them from their illness they were suffering from. This is a praiseworthy thing to do and such women should be highly commended.

Price for Print Paper is Altogether Too High—Barnhart Indignant.

The Post's Washington Bureau. Washington, Feb. 9.—The secret of the cost of manufacturing news print paper, as ascertained by the federal trade commission, is out. It was given to the joint printing committee of congress by L. L. Bracken, secretary of the trade commission. The joint committee is charged with the responsibility of awarding the annual contracts for supplies for the government printing office, the largest printery in the world.
