

DEACONESS HOSPITAL CAMPAIGNERS TO PUT IN 7 MORE BUSY DAYS

Rev. J. H. Mitchell, Manager of the Hospital Fund Campaign, Declares That Butte Must Subscribe \$86,000 Within the Next Week to Make Successful the Efforts to Give This City Adequate Hospital Service.

With seven days of the campaign remaining and \$14,000 subscribed Rev. J. H. Mitchell and his co-workers today began the final drive for the remaining \$86,000 of the \$100,000 needed for the immediate needs of the Deaconess hospital.

Needs of Butte. Mr. Mitchell added that there is a desperate need of increasing Butte's hospital facilities. The present hospitals are overcrowded. Patients are obliged to wait until beds are vacated. These delays are dangerous and bring on days of needless suffering.

Appeals to Generosity. Mr. Mitchell today appealed to the citizens of Butte, urging them to give as generously as possible.

Five Divisions. The five reorganized divisions which make the final drive are as follows: Team No. 1—J. L. Carroll, colonel; William Hoelck, C. J. Nepper, L. J. Noble, L. A. Wilson and C. V. Robb, captains.

Team No. 2—Mrs. C. P. Irish, colonel, total subscriptions, 196. Team No. 3—C. S. Jackman, colonel, total subscriptions, 620. Team No. 4—Guy Lewis, colonel, total subscriptions, 440.

Once Had an Evil Reputation. Presence of Troops Has Helped.

Those chosen were Owendolyn Bower, R. Greers and Phillis Knowlton. HUH! A fellow we know can't understand why the Root Commission can have nerve enough to ask the Government to practice economy. And he can't understand why we are sending American railroad experts to Russia and France to show them what to do, when right here at home it takes a seventy-mile freight shipment 10 days to arrive, and one 700-mile freight shipment has been on the road since January.
