STRENUOUS EFFORT TO FIND BABY'S MURDERERS

Missouri Officials Determined to Run Down Criminals in Keet Case.

Springfield, Mo., June 12.—Secrecy veiled the efforts to trace the persons guilty of the abduction and murder

of Baby Lloyd Keet today. No verification could be had of numerous reports of impending arrests.

Some officials have left here mysteriously on missions which took them to unknown points in the middle west. No definite information was obtainable as to their exact destination.

Authorities were pressing hard their search for Dick Carter, against whom a murder warrant has been issued. Apparently they have obtained all the information possible from Cletus Adams and Claude Piersol, the two suspects jailed at Kansas City, Mo.,

on warrants charging plots other than that concerning the Keet baby, as Judge Arch A. Johnson, criminal court judge, returned today from Kansas City, where yesterday he spent several hours questioning the pair.

Coroner Eli Paxson announced today that he had subpoenaed only six witnesses in the Keet inquest tomorrow. Four of them were the business men who found the baby's body in an old well on the deserted Crenshaw farm last Saturday.

TRY TO CONFUSE COURT BY SWITCHING NAMES

Nebrone Sidelo is on Trial for Stealing a Short Line Pay Check.

Nebrone Sidelo, who with Felix Garcia is jointly charged with having

stolen an Oregon Short Line pay check for \$55, is on trial before Judge John V. Dwyer and a jury today, with County Attorney Joseph H. Jackson, Chief Deputy N. A. Rotering and Deputy County Attorney T. E. Downey representing the state and Attorneys H. K. Jones and D. J. McGrath appearing for the defendant. The two men were arrested and are receiving separate trials.

When the case was called this morning it developed that a few days ago the two men on being arraigned endeavored to confuse the court by one answering that his true name was Garcia, whereas it was Sidelo, and Garcia said that his name was Sidelo. The state insisted that the men be compelled to declare which was which before the trial started, and after this was decided through a Spanish interpreter the trial of Sidelo was commenced.
