ANCIENT CLAIM IS MADE GOOD IN KY.

Butte Man Returns After Establishing Right to Old Land Grant.

Lou Frank, well-known Butte mining man, returned to this city last night after a business trip to Cincinnati, O., where he secured title to a claim for land granted to some of his ancestors before the revolutionary war. The land is located in Kentucky and said to be worth many thousands of dollars. The papers in the case were prepared by Attorney E. M. Lamb.

Mr. Frank heard of the land grant by accident and consulted his attorney, who advised him that he might obtain title to the property. Mr. Frank took a chance and made good.

"When one goes east and visits some of the big cities, he begins to know that we are a nation at war," said Mr. Frank. "We are patriotic here, but the east is more so. One can hear nothing but war in the east. The people are depriving themselves of many things to help out the government. The subscriptions to the Liberty loan in Cincinnati are enormous. Every man who is in a position to go has enlisted."

Mr. Frank has been gone for about six weeks.

ARTILLERY BOYS WILL BE GUESTS OF FORSYTHE

Gregson Springs Manager Will Stage Party Saturday Evening.

Members of the Butte and Anaconda companies of the Washington Coast artillery will be honor guests at a swimming and dancing party which will be given by Manager George Forsythe at Gregson Springs Saturday evening. The general public is invited, and as Mr. Forsythe has planned a real old-fashioned party the patriotic women and girls are urged to be present and make the evening one that will long be remembered by the soldier boys. Miss Smith's orchestra will dispense the latest dance music, a guarantee of good dancing. There will be special train facilities between Butte and Anaconda and Gregson Springs as usual, while hundreds of automobiles will also make the trip.

AIR RAID DAMAGE IN LONDON NOT EXTENSIVE

London, Dec. 7.—Most of the damage done in London yesterday morning in the German air raid appears to have been the work of a single airplane which hovered over the city and dropped five explosive and two incendiary bombs. One of the explosive bombs fell near a residential block, breaking windows, while an incendiary bomb caused a large fire when it fell on a wall paper and brush establishment. A laundry, a brewery and an occupied school and a glassware store-house also were struck, but there were no casualties in these places.

PROFIT MARGIN IS VERY SMALL, COAL DEALERS SAY

(Continued from Page One.)

Swindlehurst. As Mr. Swindlehurst has already approved the reduction made by the county fuel board, he would undoubtedly stand by his first action. This would mean that the appeal would then have to be carried to National Fuel Administrator Garfield.

Local coal dealers declared that they are surprised at the figures reached by the fuelboard. They added that they expected the committee would stand by the July margin of profit, which would have left prices as they have been for the past two months.

How the new prices will work out is also uncertain. One dealer declared that it will take at least a month to determine if there is any profit in selling coal here at the new prices. The amount of coal received from the mines and the character of it figure in the result, said this dealer. He amplified his statement that the dealers might be able to come out even or make a little profit, if they could get enough coal to supply the demand. Not only have the dealers been unable to get all the coal required, but what they do receive contains at least 10 per cent slack. This slack cost cuts down their profits to a large extent, they say.

Where - When & Why?
It's Geo. M. Cohan - himself - in his best picture - at Butte's best theatre - the Rialto, of course! Starts Sunday!

STEEL CLAIMS HE WAS DESERTED BY HIS WIFE

Robert L. Steel is asking for a divorce from Rose Steel on the ground of desertion. The couple were married at Cape Fair, Me., Feb. 16, 1906 and there is one child. The plaintiff is represented by Attorney M. Kerr Beadle. In addition to the decree of divorce the plaintiff asks for the custody of the child.

Alice C. Miller wants a divorce from Julius Miller on the ground of failure to provide. The couple were married in Lavina, Mont., Dec. 12, 1912. In addition to the decree of divorce the plaintiff wants the right to resume her maiden name, Alice Colbert.

FRATERNAL BROTHERHOOD.

ADD IMPETUS TO THE CAMPAIGN

The War Savings Certificate Work Will Go Forward Briskly.

Successful and intensive as has been the war-savings thrift campaign the first week of the drive, it will not be a marker to the intensity which will characterize it next week.

The decision to add an impetus to the drive came today when Director Harry W. Turner, in charge of the state, was notified by Postmaster Goodwin that there is a carload of literature on the campaign at the post-office. Director Turner at once ordered the literature sent to his office in the Montana Electric building on East Broadway, and as soon as it can be assorted it will be sent to the chairman in charge of the various counties in the state.

Director Turner announced today that the organization of the state is almost completed. Sheridan county is the only one still without an organization.

That there is no cessation in the sale of stamps in Butte is evidenced by the fact that Postmaster Goodwin has already remitted \$3,013.67 to the Helena postoffice, where all remittances in the state have been ordered. This does not represent the amount of stamps sold here. A conservative estimate of the stamps sold in Silver Bow county to date is \$20,000.

Within the next few days Postmaster Goodwin will organize his forces and each of the 40 letter carriers will be selling stamps. The postmen will be enabled to explain the war-stamp movement as they go from house to house, and will thus provide personal touch with all the families in Butte.

Postmaster Goodwin in instructions issued today said:

"Continuous effort should be exerted by all postal employees whose duties bring them into contact with the public to bring to their notice the several distinctive features and advantages of this form of investment (for small sums) of money, the opportunities thus offered for thrift and saving, and the resultant benefits to the government through the use, in the prosecution of the war, of the money derived from the sale of the stamps.

"Both city and rural carriers, by reason of the nature of their employment, have exceptional opportunities to aid in this movement and are expected to participate in the campaign to the fullest extent.

"They will be supplied on a fixed credit with both savings and thrift stamps. Favorable notation will be made upon the records of all stations and employees whose efforts in promoting the sale of these stamps are productive of meritorious results, and proper complimentary publicity will follow any unusual returns."

AN UNLAWFUL DETAINER ACTION BEFORE LYNCH

Davis-Daly Company Would Oust Mrs. N. Birmingham From Property.

The case of the Davis-Daly Copper company against Mrs. J. Birmingham is before Judge Lynch and a jury today, with Attorneys Kemer, Sanders and Kremer representing the plaintiff and Attorney Harry K. Jones appearing for the defendant. It is an unlawful detainer action in which the plaintiff is seeking to have the defendant removed from the premises at 529 West Quartz street, a building located on the Silver King mining claim owned by the plaintiff.

During the lifetime of the late E. Augustus Heinz, the deceased and husband of defendant were close friends, and when Birmingham received injuries which resulted in his death Mr. Heinz allowed the defendant to occupy the building. The Davis-Daly company wants the building, but the defendant has refused to move out, hence the action brought by the company. There is no company record to show that Mrs. Birmingham has a right to the building.

REQUESTS SON BE SENT TO INDUSTRIAL SCHOOL

Father Loses Patience When His Boy Refuses to Obey His Orders.

At the juvenile court session this morning a twelve-year-old boy was before Judge Dwyer charged by his father with remaining out at late hours of the night and refusing to obey his father's instructions. He was ordered committed to the industrial school at the father's request.

Three boys were charged with throwing rocks from the Harrison street viaduct at a Chinaman. The lads all denied their guilt, but the Chinaman identified them and Police Officer Pete Harvey recognized the lads as the ones he arrested on complaint of the Chinaman. The boys had all been before the court before on a charge of breaking windows. They were given into the custody of Probation Officer McCarthy with the understanding that the next time they got into trouble they would be sent to the industrial school without further proceedings.

\$411,000,000 SUBSCRIBED TO CANADIAN WAR LOAN

Ottawa, Dec. 7.—Canada's recent Victory loan subscriptions totalled \$411,000,000, according to estimates made by the executive committee in charge of the campaign. Subscribers number over 719,000.

CONTESTED DIVORCE SUIT IS BEFORE MCCLERNAN

Rose Jackson Says Husband Left Her to Depend on Charity.

Judge McClernan is today hearing the contested divorce suit of Rose M. Jackson against Howard H. Jackson with Attorneys J. F. Emigh and L. G. Denny representing the plaintiff and Attorney Joseph H. Griffin appearing for the defendant. The couple were married at Silverton, Colo., May 15, 1909. The plaintiff in her testimony said that her husband deserted her with the intent to defraud her of her share of life and work to support her and that in 1915 her husband, owing two weeks' wages, had to depend on her friends until she could get the money. The defendant denied his wife had any money and said he provided for her and she had to go to work to support herself.

The case is heard this afternoon.

SAFE, GENTLE REMEDY CLEANSSES YOUR KIDNEYS

For centuries GOLD MEDAL Haarlem Oil has been a standard household remedy for kidney, liver, bladder and stomach trouble, and all diseases connected with the urinary organs. The kidneys and bladder are the most important organs of the body. They are the filters, the purifiers of your blood. If the poisons which enter your system through the blood and stomach are not entirely thrown out by the kidneys and bladder you are doomed. Weariness, sleeplessness, nervousness, dizziness, backache, stomach trouble, headache, pain in limbs and lower abdomen, gait-stiffness, grave difficulty when urinating, cloudy and bloody urine, rheumatism, sciatica and lumbago, all warn you to look after your kidneys and bladder. GOLD MEDAL Haarlem Oil Capsules are what you need.

They are not a "patent medicine," nor a "new discovery." For 200 years they have been a standard household remedy. They are the purest, most reliable, and are perfectly safe, and are perfectly effective in all cases of kidney, liver, bladder and stomach trouble. All druggists sell Haarlem Oil Capsules. If you do not see them, write to the Haarlem Oil Company, 100 West Broadway, New York, N. Y., for a free trial bottle. The Haarlem Oil Company is the only manufacturer of GOLD MEDAL Haarlem Oil Capsules.
