THE MINES OF MONTANA.

The Helena and Company Mine in Old Madison Coming to the Front.

The Helena Mining and Smelting Co. have made a new discovery on their property about 2 miles southwest of Superior, which is reported to be highly valuable.

The ore has been identified as a rich mixed ore, containing gold, silver, lead, and copper. The company is now taking steps to develop the property and to begin mining operations.

NORTHWEST RAILROADS.

A Lad & W. H. Robinson Arrive From Missoula.

The Great Northern Railroad's train from Missoula arrived at Helena yesterday morning, bringing a large consignment of freight and passengers.

The train was accompanied by a large group of investors and prospectors, who were eager to see the progress being made on the railroad's recent extension from Missoula to Helena.
