**Electricity Used to Thaw Out Pipes**  
For modern, up-to-date methods in thawing out frozen water pipes the Payne & Slater company and George Morris, plumber, take the blue ribbon. During the recent cold weather a private water main which led to a house in care of the Payne & Slater company at Nineteenth and Douglas, was frozen, though it was four feet under ground. In order to get water to the house the company decided to install another pipe.  
Morris, the plumber, broke four picks in the frozen ground in trying to dig a trench for the new pipe. Why not thaw out the old pipe with electricity? He thought. He conferred with one electrician, who told him he was a fool. He told Edward Slater of his idea and Slater talked with officials of the electric light company. They said they would try.  
They niched a wire to each end of the pipe, used some transformers to obtain a low voltage so the "jacks" would not melt the pipe, and, lo and behold, in three minutes the ice was melted and the pipe was running water.

## GRAY HAIRS QUICKLY BANISHED; DANDRUFF, FALLING HAIR STOPPED

Remedy Made from Garden Sage and Sulphur Restores Color to Gray Hair.  
A feeling of sadness accompanies the discovery of the first gray hairs which unfortunately are locked upon as heralds of advancing age. Gray hair, however handsome it may be, makes a person look old. We all know the advantage of being young. Aside from the good impression a youthful appearance makes on others, simply knowing that you are "looking fit" gives one courage to undertake and accomplish things. So why remedy your hair of looking old on account of gray hairs, when a simple remedy will give your hair youthful color and beauty in a few days' time? Most people know that common garden sage acts as a color restorer and scalp tonic on well. Our grandmothers used a "Sage Tea" for keeping their hair dark, soft and luxuriant. In Wyeth's Sage and Sulphur Hair Remedy we have an ideal preparation of Sage, combined with Sulphur and other valuable restoratives for dandruff, itching scalp and thin, weak hair that is split at the ends or constantly coming out. A few applications of this valuable remedy will bring back the color, and in a short time it will remove every trace of dandruff and greatly improve the growth and appearance of the hair.  
Get a fifty cent bottle from your druggist today, and notice the difference in your hair after a few days' treatment. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.
