Tall Man Would Be a Policeman—Chief of Police Dunn favors tall policemen. He was interested when C. F. Dykes called at his office in quest of a job as a policeman. Mr. Dykes is six feet and eight inches in height and is 28 years of age. He served as guardian of the law in Lincoln, but leaves Omaha to offer his better field. "He would make a fine traffic cop," remarked the chief.

Arrested for Arson—Jeff Davis, colored, 2634 Maple street, was arrested Monday afternoon by police on the county attorney's complaint, charging Davis with arson. He is alleged to have set fire to some household goods belonging to himself. The case was brought by Deputy Fire Warden Edward T. Morris, who is investigating alleged arson and blackmailing among negroes, who are said to have set fires in the north part of the city some time ago.

CHURCH CHOIRS IN EASTER PROGRAMS

Trinity, St. Mary's Avenue and First Methodist Organizations in Special Services.

ALL SAINTS ALSO IN

Three impressive choral services were held Sunday at Trinity cathedral, one at 6 a. m., 11 o'clock and at 7:30 in the evening. American flags added a patriotic touch to the Easter decorations, and each member of the choir wore a small flag on his surplice.

At the 11 o'clock service the patriotic note was carried through the entire service. Mr. Ben Stanley, organist and choirmaster, prefaced the playing of the Easter organ prelude with the inspiring strains of "America," which brought the entire body of worshippers to their feet, and Dean Tancock preached his sermon on "Loyalty," pointing out to the president in civic affairs and to Jesus Christ in religious affairs.

The large choir furnished appropriate special music, with incidental solos by Mrs. Stanley, and other members of the choir, and exalted the service with the beauty and spiritual significance of song. A majestic festival "Te Deum" in B flat, by Dudley Buck, and an inspiring anthem, "Awake, Glad Soul, Awake," by Schnecker, were parts of the almost entirely choral service which especially carried the Easter spirit. The organ music was of the same high and lofty plane of music as the choral portions and the congregational hymns were all of Easter import.

At St. Mary's Avenue.

A large congregation turned out to hear the special Easter vesper service at St. Mary's Avenue Congregational church at 4 o'clock. The service was almost entirely musical, there being but the Scripture reading, "The Entombment" evening, and the "Resurrection" morning, given by the pastor, Rev. G. A. Hulbert, the latter being a brief spoken portion of the consecutive Easter story that was carried out in the music. The service, from the preliminary hymn upon the chimes, worked gradually through the entombment of Jesus to the resurrection and to the grandeur and majesty of the "Hallelujah Chorus," with which it closed. The hymns upon the chimes, organ prelude and a brief prologue for women's voices, "Alleluia," by Liszt, preceded the processional hymn and the entry of the choir, which is under the direction of Thomas J. Kelly. The series of events depicted through the service progressed from the Scripture reading by means of organ solos, hymns, vocal solos and choral numbers, all carefully chosen for their suitability for the arrangement and the occasion. Solos from Mendelssohn's "Hymn of Praise" were sung by Mr. Walter Dale and Mrs. Kelly, incidental solos in the anthems by Mrs. Kelly and Miss Ione Beats, and among the choral numbers was a chorus for women's voices "Alleluia," from the oratorio "Christus," by Liszt. Mr. Martin Bush is the organist. At the morning service thirty-five new members were added to the church.

At the First Methodist church the

morning service was marked by the singing of a new anthem for soprano, "Oh, Thou Ever Living Savior," by Miss Myrtle Wyatt; the words were written by Rev. Titus Lowe and the music by James Edward Carnal, musical director of the church. In the evening the oratorio, "Elijah," was sung by the choir, under direction of Mr. Carnal.

At All Saints Episcopal a special Easter program was sung by the choir, under direction of Mr. J. H. Simms.

BURGLAR "WORKS" WEST FARNAM ZONE

Busy Thief Gets Gems Worth Thousand Dollars in Five Visits.

LETS VICTIMS SLEEP ON

Four houses and one drug store in the fashionable West Farnam residence district was visited by a robber early Sunday morning, who secured jewelry estimated to be worth over \$1,000 and \$34 in cash.

Judge H. H. Claiborne, 311 South Thirty-first street, reported the greatest loss to the police. The burglar entered by breaking a rear window and ransacked every corner of the house. He stole a string of pearls, earrings and rings belonging to Mrs. Claiborne, besides a large amount of jewelry belonging to Mr. Claiborne. Before leaving, the robber frisked the judges' trousers for \$15.

Visits "Dad" Huntington.

"Dad" M. R. Huntington, 550 South Thirty-fourth street, was the next place visited by the burglar. As in the home of Judge Claiborne, the robber entered by breaking a rear window. Mr. Huntington reported the loss of his watch, several bowling trophies, stickpins and other jewelry. The robber even picked the cuff links from his shirt.

At the home of Mrs. F. W. Shackell, 563 South Thirty-fourth street, the robber was not so lucky. He secured \$4.

An unset diamond, \$10 in money and a blue steel revolver was the loot taken from the home of J. A. Meyers, 4124 Cass street. Entrance was gained in the last two places in the same manner by breaking rear windows.

The M. N. Snyder Drug store, 3227 California street, was entered by a burglar who pried open the front door. Five dollars in the cash register was taken.

Police are of the belief that all the burglaries were committed by the same robber. The man worked so smoothly that none of the occupants of the houses he visited were awakened.

Thief Takes Gold Watch From Body Lying in Room

While Theodore Neilson was lying dead in his room in the Eagles hotel on South Thirteenth street Tuesday morning, the result of asphyxiation, some thief entered and robbed the body of a gold watch and chain, according to Neils Neilson of West Union, Ia., a brother. He has asked the police to recover the watch.

In the room with Neilson's body was found Mrs. Maud Taylor, over come with the gas. The theory advanced at the time was a suicide pact between the two. Mrs. Taylor was removed to St. Joseph's hospital at the time. She is out of danger.

Belgium Ruled by a Terror Worse Than Any Told in History

Washington, April 9.—A story of the horrors of German military rule in Belgium and of the tortures inflicted upon Belgians to force their labor for their enemies was revealed here tonight in hitherto unpublished letters to the government from an American official who spent many months in the midst of the reign of terror.

Of the German's explanation that they deported only the unemployed among the conquered people, this official says:

"They needed skilled and active artisans and these men were naturally still unemployed. The authorities did not, however, evidently dare to announce their real wishes."

"Belgium at this moment," says a letter written in December, "is going through a reign of terror, it is hard to believe that the dark moments of the French revolution were very much worse."

"The fashion in which any given recruitment is carried out depends very largely on the character of the officer in command. A guard of Uhlans is generally necessary, sometimes backed with machine guns. At times it is thought necessary to charge the watching crowds."

"Various methods are employed to force the men who refuse to sign and work. Starvation is the most prominent. Men are placed in an excessively heated room and when in a great sweat thrust out of doors."

"In Ghent it is learned confidentially that 235 men have died from the treatment or work they received. In more than one case the wife was summoned to the commandant and handed a bundle of clothes with the laconic remark 'Your husband is dead.'"

Would Raise Five Billion Dollars in "Old Glory" Week

Chicago, April 9.—The National Advisory board, at a meeting tonight, sent a telegram to Secretary of the Treasury McAdoo suggesting a plan for the raising of \$5,000,000,000 for the government in one week, to be known as "Old Glory week." The telegrams asserted that the loan could be subscribed through the advertisers plan at a saving of \$25,000,000 a year for the term of the loan by making the interest rate 3 per cent.

German Minister Given His Passports by the Cubans

Havana, April 9.—Assistant Secretary of State L. G. Patterson, today handed passports to Dr. Frederic von Verdy Du Vernois, the German minister. The minister and his party are expected to sail for Spain April 15. The affairs of the German legation will be looked after by the Spanish minister.

Dick Rutherford to Leave Nebraska if State Board Agrees

Lincoln, April 9.—Reports from time to time that "Dick" Rutherford, assistant coach of Nebraska university, would leave with the end of the school year were confirmed to the extent that he has been proffered the position of coach of Washington university, St. Louis, and has accepted, contingent on an honorable release by the Nebraska Athletic board. The board is scheduled to hold a meeting some day this week, when the Rutherford proposition will be put before it.

Although the call to war has taken four promising athletes from Nebraska, there has been no cancellation of athletic dates by the local institution. Dr. E. J. Stewart, head coach, said it was too early to predict the effect of the war on athletics in the different universities of the country. Dr. Stewart is quoted as saying if the war sentiment becomes such as to take many men from the Nebraska school his personal inclination is to go with them.

"Playing Craps" as Raiders Pass Proves Disastrous

Officers Anderson and Sutton of the morals squad were riding by Twenty-fourth and California street on a street car Sunday afternoon when they saw a group of young men "shooting craps." The officers hopped off the street car right in the midst of the game and grabbed four young men. They gave their names as John Cogan, 3308 Webster street; William Smith, 2414 California street; William Hosiard, 323 North Twenty-third street, and Henry Miller, 2017 Webster street.

Seed That Fell on Good Ground

The first Pierce-Arrow Motor Trucks, sold six years ago, were like seed that fell on good ground. They have borne a hundred-fold to their owners and to us.

Owners who began with one or two Pierce-Arrows have steadily increased their purchases year after year. But they did not buy in quantities until their first Pierce-Arrow had been thoroughly tried out under the most exacting conditions of actual service. Then on the solid basis of operating results they standardized their fleets with

PIERCE-ARROW Motor Trucks

for example: The Texas Company bought its first Pierce-Arrow truck in 1912, and began a series of operating tests that led to the purchase of four more Pierce-Arrows in 1915. These in turn were tested under varied service conditions with results so satisfactory that the Texas Company has now purchased a total of 110 Pierce-Arrow trucks.

Nujol For Constipation

"I Can't Taste It At All, Mother"

Nujol neither looks, tastes, nor acts like the "medicine" the child has been accustomed to. In fact, Nujol isn't medicine at all in the ordinary sense.

Nujol, unlike drugs or physics, is not absorbed by the system, and hence cannot form a habit. It acts as a mechanical lubricant, keeping the intestinal contents soft, soothing the inflamed mucous membranes and so promoting normal movements.

For children, particularly, no other remedy is at once so harmless and so effective.

As Nujol is not a physic but a lubricant, it does not gripe or upset the system. Being tasteless, it is not unpleasant to take.

The Standard Oil Company (New Jersey) has used its world-wide resources in producing Nujol and its reputation is behind the product.

Nujol is the only remedy for constipation we manufacture. The genuine sold only in pint bottles bearing Nujol trade-mark. All bottles filled at our Nujol plant, absolutely modern and sanitary.

Write today for an instructive booklet on Nujol and its uses.
