UNIONS PLEDGE AID TO PREVENT STRIKE VIOLENCE

Union Leaders Will Send Support to Injunction Against Lockmanor, Statement Declares

Glovers, May 2—A U.I. U. official of the union which represents the workers in the Glovers & Co. plant here, said today that his union would send a delegation to the state industrial court to contest the injunction which the company has filed against the union to prevent a strike. The company has filed a complaint against the union and has asked for an injunction to prevent the union from interfering with the operation of the plant.

G LOVERS, May 2—A U.I. U. official of the union which represents the workers in the Glovers & Co. plant here, said today that his union would send a delegation to the state industrial court to contest the injunction which the company has filed against the union to prevent a strike. The company has filed a complaint against the union and has asked for an injunction to prevent the union from interfering with the operation of the plant.
