

ELLSWORTH.

Last Sunday the invincible Whitmanites were badly defeated at the hands of our local aggregation, our regular line-up being used with the exception of Walter House on Short and E. V. Black on the mound who however has been with us so long that he is now one of the regulars and he certainly did good work both at bat and striking out twelve in the mound. Spectacular fielding by Macumber and good consistent catching by Seeborn were features of the game although the whole team played excellent ball. The game which was played at Ashby through the efforts of Pitcher Joe Maupin was a decided success largely due to hard work by Maupin who had an excellent diamond in shape and the game well advertised.

Box score table for Ellsworth game with columns for player names and statistics.

Summary—Two Base Hits, Black 2, House, Carpenter, and Haylett. Walks by Black 5, by Maupin 6. Hit by Black 2, by Maupin none. Stolen bases Arms, Thompson and Haylett. House, Carpenter, McCubbin. Time of game 2 hours. Umpires Howell and Burton. Struck out by Black 12, by Maupin 17.

A good attendance made the game snappy in spite of the high winds and disagreeable weather, many from Ellsworth, Bingham, Ashby, Hayniss and Whitman being present.

Arrangements are being made whereby Bingham on home grounds will play its final game of the season. This promises to be even a more exciting game than the Whitman affair as a side bet has been made, both sides to play regular men except for pitchers. We have the services of Maupin engaged for that date with Black on shortstop and regular team otherwise. Bingham's pitcher will be a fast one although w. have not yet learned his name. Don't forget the date Sunday October 9, Ellsworth ball park. This will be absolutely the last game of the season and certainly will be full of pep as winner takes all.

Father Constant will hold services at St. Bernard's church 9:30 a. m. Sunday October 9. Announcements will be made concerning regular services in this space for this church till after first of the year when a regular pastor will be assigned to this parish.

Manager A. Moore has donated the hall to the Ellsworth ball team for a real dance Saturday night, October 8. All proceeds to go to the ball team which is still some behind from a financial standpoint. Give us your patronage for this night and we promise lots of baseball amusements during the coming year as we will have a fully suited and equipped team which will thus be under very little expense for the coming year. Mr. Moore will give another dance two weeks following. Good music and a good time assured.

THE OMAHA DAILY NEWS NEW \$ 2500 PICTURE PUZZLE

Extra Copies of the Picture Puzzle Will be Mailed on Request

How to Solve the Puzzle In the picture above there are a number of objects and articles that begin with the letter "S." Just take a look at the picture—there are all kinds of things that start with "S." like snake, squirrel, stool, sun, sand, saucer, shoe, saddle, salt and spindle. See how easy it is? Get a paper and pencil. Sit down and study the picture carefully. There are some of them that are very plain and none of them that are hard.

The Judges will use Webster's dictionary in deciding the one who has the nearest correct list of "S" words. Read very carefully the rules and other printed matter on the page, for then you will be sure to get your answer in right.

It certainly is a lot of fun and doesn't take long. Just a few minutes in the evening.

An object or article can be named only once. 6. Do not use obsolete, archaic, or hyphenated words, nor any compound word formed by the combination of two or more complete English words, where each word in itself is an object. 7. The answer having the nearest correct list of names of visible objects or articles shown in the picture that begin with the letter "S" will be awarded first prize, etc. Neatness, style or handwriting have no bearing on deciding the winners. 8. More than one member of a family may compete, but only one prize will be awarded to any one household; nor will prizes be awarded to more than one of any group outside of the family where two or more have been working together. 9. Three Omaha business men, having no connection with The Omaha Daily News, will be selected to act as Judges, and they, not the Puzzle Man, nor anyone connected with the Omaha Daily News, will decide on the winners.
