In the far WEST, and offer

RARE CHANCES

FOR THE

ARTISAN, TRADESMAN & SPECULATOR.

The town of McCOOK.

In Red Willow County, Nebraska, has been surveyed, and
lots in the market, for just one year and has now a popula-
tion of 1000 people. This point has been designated
by the C. B. & Q. as the DIVISION STATION
between the MISSOURI RIVER & DENVER,
where the principal shops, a 15 stall round house
and other R. R. facilities have been located on the
Denver Line. A complete system of water works costing
\$25,000 is just being completed giving all the facilities for
comfort possessed of old cities.

Lots will range in price from \$150 to \$500 for business lots,
and \$50 to 200 for residence lots. The history of
points like McCook show an increase of more than
three hundred per cent. in from one to five years, and this
town promises to be an exceptional chance for investments.
