Knights Initiate New Members.

The Knights of Columbus on Sunday last initiated new members, the initiation ceremonies being followed by a banquet served in Menard's opera house.

The order is threefold in character—fraternal, insurance and social, and only those who comply with the rules of the Catholic church are eligible to membership.

The order has within its membership some of the best men of the land among them being the secretary of the navy. Wealth or political standing does not count in the order—a candidate's fitness being determined by his character.

The banquet at 10 o'clock in the evening was a recherche affair as the following menu indicates. It was served by the ladies of St. Patrick's church:

Olives	Canaloupe	Pickles
Sauce Tomate	Deviled Crabs

Besides having one of the largest bands in the world, they have the famous "Kilties" choir and the celebrated Highland dancer and bagpipers; also the giant drum major, who stands 7 feet 3 inches in height.

Should Mr. Bixler be successful in securing this great attraction, excursions will be run from nearby towns to enable our neighbors east and west to hear this superb organization.
