Republican Candidates of Lincoln County Leave no Doubt as to Their Loyalty.

The two prime purposes of the American people at this time, having precedence of all others are: first to insist upon the absolute and thoroughgoing Americanization of our entire citizenship; and second, to win the war, to win it as speedily as possible, and to end it by the peace of overwhelming victory, a peace which shall guarantee to us, and to our allies and to all well-behaved nations of the civilized world, lasting relief from the threat and horror of German world dominion.

As regards the Americanization, we must insist that there be in this country but one nationality: the American Nationality. There is room in this country for but one language, the language of the Declaration of Independence, of Washington's Farewell address: The English language. Americanism transcends every party consideration. No man who is not 100 per cent American is entitled to the support of any party which is itself entitled to be considered an American party. We should treat as disloyal any attempt to carry water on both shoulders, to conciliate any half American vote here at home.

Everything we do now and everything we say must help win the war. The President has said "Politics is adjourned." He is certainly right, in so far as politics is to be used for personal ends or party triumph. But popular government, even in war, must be carried on by parties. Party spirit must, of course, be suppressed where it hampers or embarrasses.

Therefore the following republican candidates of Lincoln county are loyal American citizens and they scorn to receive the votes of any German sympathizer, or the vote of the traitor, or the vote of the secedist, or the vote of the pacifist, or the vote of the man so hide-bound in politics that he rejoices at every mistake made by the President or his advisors, or the vote of the man who is willing to make an inglorious peace, or the vote of the disappointed profiteer, or the vote of the man who wanted our citizenship and our ships to stay off the high seas and who wanted our embargo placed upon the sale of munitions of war in the markets of the world.

PAUL G. MEYER

Republican Candidate for County Surveyor.

Mr. Meyer has resided in Lincoln county for thirty years. During this time he has held office of County Surveyor for fourteen years. Thirty years of experience in the field enables him to execute his surveys with accuracy and according to the requirements of the law and the decisions of the Court.

When Surveyor R. L. Cochran enlisted for war work he suggested that Mr. Meyer be appointed to fill his place, as he knew his expert work and well-known ability and honesty needed no introduction to the people of Lincoln county.

A vote for Mr. Meyer is a vote for a most competent official.

T. L. CARROLL

Republican Candidate for Representative 77th District.

Says only loyal patriotic votes wanted.

During most of his time he has been engaged in business in Dawson county but he knows western Nebraska needs in every detail, thus being a man of good business judgment was induced by his many friends to become a candidate for representative. As in this time of national emergency we must insist upon absolute efficiency in every department of the state and nation.

Men who know T. L. Carroll know him to be wide awake to all important questions of today and if elected will represent the 77th district with credit.

E. H. SPRINGER

Republican Candidate for Commissioner 2nd District.

No better man ever represented Commissioner District No. 2 of Lincoln county than E. H. Springer and he has not hesitated in his administration to advance the general interests of his constituents by always striving to have them get a square deal.

He is always on the job and he has been very careful not to entangle the county in any lawsuits, therefore has carefully conserved the county's finances.

He obtained by hard work a permit

to build a much needed bridge across the river at Brady which will be built during the next year.

It is conceded that he is one of the best Commissioners Lincoln county has ever had and his experience and knowledge is worth dollars to Lincoln county. It is predicted that he will poll a big majority.

J. T. KEEFE

Republican Candidate for County Attorney.

When Captain Halligan left with his Company, he said, "I desire J. T. Keefe to represent Lincoln county as county attorney as I know his efficiency," and through Mr. Halligan J. T. Keefe's ability has reached the ears of the people of Lincoln county.

He is widely known throughout western Nebraska as an orator and being a fine public speaker he has been called out in many war activities to which he responded with pleasure. During the Bond drives he was going night and day without pay and any audience that listened to Mr. Keefe can judge well his ability and that he is a tireless worker for all war activities.

Mr. Keefe is not only an orator but a very competent lawyer and the legal matters of Lincoln County have been very ably conducted since he has been in office and he has always been on the job.

Mr. Keefe has enlisted for the duration of war, but it is now conceded that there will be a speedy closing of the war with a complete overthrow of Germany and the removal of all threat of German world dominion.

In this case Mr. Keefe would place a competent deputy in the office until his return and then attend to the duties himself.

There is no question if he is elected that he will enforce every law upon the statutes including the prohibitory amendment, in future as he has in the past.

Surely the patriotic people of Lincoln county will concede that he should have the courtesy of the office and poll a big majority vote. Do we not owe it to our soldier candidates, who has explained the Bond drives, put you to thinking about your Red Cross subscription, helped the Sammy Girls place a comfort kit with every soldier that left North Platte and Lincoln county? And now he shoulders a gun and starts for the fighting line, and says "Back to the Rhine, you Huns." Could he be more patriotic. He is entitled to your vote if you are to his patriotism. Think it over and let us see what a good vote we can give a soldier.

AILEEN GANTT

Republican Candidate for County Superintendent.

Miss Gantt has given unusual satisfaction in the office during the past term. She knows the needs of Lincoln county schools and has put them on the front page among Nebraska schools.

Miss Gantt to put it briefly, has every qualification for the office of County Superintendent, broad education, thorough experience, energy and enthusiasm and not the least of her qualifications is one that she possesses in unusual degree, namely patriotism and she instills it in the minds of all the children when she is out visiting the schools.

A vote for Miss Gantt on November 5th will be a vote for the best interest of your own boys and girls.

A. J. SALISBURY

Republican Candidate for Sheriff.

It is conceded all over the state that Lincoln county has a real sheriff and that the people of Lincoln county enjoy and appreciate a good official.

The demand today is for efficiency in every line of work. The work in the office of the Sheriff is not a regular routine, but like lawsuits, is miscellaneous in character and requires experience and good sound judgment.

Why have the people shown their appreciation of Art Salisbury and always given him a good vote?

Because he thinks and acts.

Because in the enforcing of the prohibitory amendment he is on the job.

Because since car thieves have become a menace he delivers the goods.

Because when you call Art he is on the job in the shortest possible time to reach you.

How can Art do these things in such an efficient manner?

Because all the roads, all the crooks

and turns, the short routes are known to him and he knows the people. He is an officer not a politician. It is conceded he will poll a large vote.

S. M. SOUDER

Republican Candidate for County Treasurer.

Two years ago the public expressed confidence in Sam Souder and placed him in office as County Treasurer.

It has been proven that they made no mistake as J. J. Mahoney, County Treasurer examiner for the state of Nebraska said "That the Treasurer's office of Lincoln county is one of the finest in the state of Nebraska, that in the six examinations he had made he found that each collection was correctly entered and the vouchers and other items of credit were properly filed and the cash was not off one cent which could be seen by his report filed with the County Clerk, and this was a record few Treasurers had."

He has been a tireless worker, serving the people of the county with fidelity. His even temperament and experience has made him a very competent official.

E. S. DAVIS

Republican Candidate for State Representative.

Mr. Davis needs no introduction to Lincoln county voters; having served them as County Treasurer and Postmaster in a very competent manner.

"No better man could be found to send to the legislature to help make the laws as he is acquainted with the needs of every branch of industry."

No one questions his loyalty, as his watch word is "Insist that this whole county be united, nationalized, Americanized and that no division of our American loyalty or American citizenship along the lines of national origin or of adherence to an alien flag be for one instant tolerated."

W. V. HOAGLAND

Republican Candidate for State Senator.

Senator W. V. Hoagland of North Platte is a candidate for re-election to the Senate from this District. He represented this District in the 1911 and 1913 sessions and his prior experience and faithful efforts for the stock, farming and irrigation interests of Western Nebraska will insure Lincoln county being on the map in the next Legislature. Mr. Hoagland was one of the leaders in the 1913 session for the State regulation of the Stock Yards and endeavored to secure the passage of workable bonded public grain warehouse law, where the farmer can deposit his grain, obtain a negotiable receipt, and then borrow money on it or sell it when he wants to. A proper law on this subject ought to stop the slumping of the markets in the farmer's grain and destroy the grain gamblers and profiteers. If elected this year he will support a better regulation of the Stock Yards and a better grain warehouse law.

Senator Hoagland does not need an introduction to our people. He was chairman of the Judiciary committee in the 1913 Senate and placed Western Nebraska and Lincoln County on the State map in the Nebraska Legislature. He secured a re-apportionment which gave Western Nebraska two additional Senators and eight additional Representatives. He supported the non-partisan Board of Control of State Institutions, the Initiative and Referendum and has re-written the Irrigation Laws for the benefit of Western Nebraska.

Senator Hoagland is now loyally supporting the Government with his time and finances in the great war crisis, and will do so until the Great Government enforces unconditional surrender of the German Autocrats.

Senator Hoagland did not seek this office. A large number of business men and farmers of Keith, Lincoln and Dawson counties urged him to become a candidate at this time for State Senator, because they demand his return to the Senate very essential in the present crisis. His large experience and ripe judgment and prior faithful work for our people will be a great value in this time of our National emergency.

This District needs the energy, broad-view, unyielding resolution, courage and ability of Senator Hoagland. His character and integrity are unassailable. He will represent our people's interests and has the ability to secure it. Let us give him a unanimous vote at the election.

A. S. ALLEN

Republican Candidate for County Clerk.

Mr. Allen's past record has been service, efficiency and business methods and he will continue in the future as in the past to devote all his time and energy to the County and nation as he has no other interests or business connections and a vote for Allen is a vote for a qualified man.

IRA L. MILTONBERGER

Republican Candidate for Police Judge.

There are few citizens of North Platte who are not acquainted with Miltonberger, and it would be exceedingly hard to find a man who commands respect from the general public more than does Miltonberger and when a man votes for Mitt, he is confident that it is a vote for loyalty, service and justice as he conducts his affairs fearlessly, fairly and thoroughly.

NOW SERVING A SECOND TERM AS SECRETARY OF STATE

We must win the war—not by peace treaty but by absolute and unconditional surrender of our enemies. If elected to Congress it will be my pleasure to assist the President in his every effort to win the most righteous war that was ever waged by any nation.

President Wilson carried every county in the Sixth District in 1916, his majority being 12,642. He should have a Congressman from this district to assist him in the reconstruction days which will follow the war.
