

MRS. J. M. CRAIG, of Los Angeles, Calif., who says no one can feel more grateful for what Tanlac has done than she does. Declares she has gained twelve pounds and her health is now better than in years.

"Of all the people who have taken Tanlac, I don't believe there is anyone who feels any more grateful to it than I do," was the statement made recently by Mrs. J. M. Craig of 674 1/2 East Fortieth street, Los Angeles. "Like so many other families during the influenza epidemic last year we all had it, and my own illness, together with the worry over the rest of our family, brought on a case of genuine nervous prostration. "I was so weak I couldn't even sweep the floor, and during the day I would have to lie down four or five times. I tried to walk but found out half a block was all I could stand before I gave out. Nervous spells came on me often. "Every medicine I tried failed to reach my case until finally my husband urged me to try Tanlac, and I am indeed thankful that he did, for it proved to be just what I needed. "The first two bottles didn't seem to help me. I guess that was because I was so extremely bad off, but on the third bottle I could tell I was improving and that gave me more hopes than ever of getting well. "My improvement from then on was rapid and by the time I had taken five bottles of Tanlac I was better and stronger than I had been in years. I was sleeping soundly at night and had gained twelve pounds in weight. "That was several months ago and from then until now I have been in as good health as I ever was in my life and have been doing all the housework by myself. "It is simply remarkable how Tanlac has built me up and I have told everyone of my friends and relatives what a wonderful medicine it is." Tanlac is sold by leading druggists everywhere.—Adv.

Knew All About It.

There was a small passageway between the dining room and kitchen in Frederick's house that was recently fitted out for use as a breakfast room. One day at school Frederick's teacher had occasion to ask if anyone knew what a "nook" was. Frederick, with the new breakfast room in mind, answered: "It's a place where you eat breakfast to keep the dining room clean."

WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble. Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions. Get a medium or large size bottle immediately from any drug store. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.

Thirty Days.

An athletic young fellow in Australia went on a tear and landed in the police court. The magistrate inquired what the prisoner's occupation was. "He's a professional football player," said his counsel. "He plays outside right for his team." "Oh, he does, does he?" replied the magistrate; "well, then, we must change his position. He'll be left inside for the next month."

For your daughter's sake, use Red Cross Ball Blue in the laundry. She will then have that dainty, well-groomed appearance that girls admire. 5c.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions.
