McKELVIE FOR GOVERNOR.
 Successful Business Man.

One of the things frequently referred to in connection with the candidacy of S. R. McKelvie for governor is the fact that he has been an unusually successful business man. Though a young

man, he has shown a foresight and executive capacity in business which commands the attention of observing business critics wherever he is known. His knowledge of Nebraska conditions, together with his natural business stability, is one of the several reasons why McKelvie is usually referred to as **The Popular Candidate.**
