

We Feel Mighty Good!

Our holiday trade so far has been the best we ever had. We expected it and prepared for it. We have not been disappointed. That's why we feel good. It has been a source of great satisfaction to us to be able to please the great number of people who have visited our store during the holiday rush. But you can come and keep coming, and our enormous stock will still hold out.

Give Him Slippers.

You can't do better. Slippers always make a splendid Christmas gift. Many will be the storm swept nights this winter and how comfortable will he be, seated at his chair, the heavy shoes cast aside for the more comfortable slippers. How pleasant to contemplate! A pair of slippers is a year-long reminder of the giver. Choosing here is easy for our stock is large.
