FOOT BALL CLASSIC IN EAST

Meeting of Yale and Harvard Will Settle Big Championship.

NEBRASKA DUE FOR HARD GAME

Oklahoma Should Be the Acid Test for Stiehm's Team of Cornhuskers, Showing What Defense and Offense Possess.

FOOT BALL GAMES TODAY.

EAST. Yale against Harvard, at New Haven. Army against Syracuse, at West Point. Navy against New York university, at Annapolis. Lafayette against Lehigh, at Easton.

WEST. Nebraska against Oklahoma, at Lincoln. Missouri against Kansas, at Lawrence. Minnesota against Chicago, at Chicago. Ames against Drake, at Des Moines. Wisconsin against Iowa, at Iowa City.

BY CLYDE E. ELLIOTT.

Whether Yale or Harvard is to be champion of the east, whether Nebraska is to have a clear title to the Missouri Valley championship and whether Chicago or Minnesota shall hold second place in the Western foot ball conference will be told today in the final Saturday of the foot ball season. After this week only three or four games of any great interest remain to be played--Army against the Navy, Cornell against Pennsylvania, Marquette against Notre Dame and South Dakota against Creighton at Omaha.

Yale and Harvard will put up a great fight at New Haven, with the odds favoring the Crimson, which possesses one of the best teams in its history. The Blue has not been doing so well this fall as in other years and its bare ability to tie Princeton, after being outplayed, does not bode well for it, on paper, in the contest with the Johnny Harvard men. But the Yale bulldog never fails to fight a hard game against the Harvard, and usually wins. So tomorrow's battle, no matter the odds of the records of other games of the fall, will find the Blue playing a wonderful game, and perhaps winning, for who can tell what will happen when these two great teams get together and Yale plays the way only Yale teams can play.

Nebraska and Oklahoma. Nebraska is up against Oklahoma, one of the strongest of the southern eleven, and to win it must play much better ball than it did against Kansas. A few Cornhuskers are not in shape for the game. Erwin and Ross will not play, while Purdy's knee is still bothering him to some considerable extent. Nebraska will do well to win this game. The

SOONERS HAVE DEFEATED KANSAS AND TEXAS THIS FALL, AND, WITH THREE REGULARS OUT OF THE LINEUP, GAVE MISSOURI A HARD TUSSEL.

Minnesota goes to Chicago to meet Stagg's Maroons. The Chicago sport writers seem to think the Stagg aggregation has a show against the Gophers, but the probability is that Minnesota will win by a large score. Ames and Drake meet at Des Moines. Ames is the only team besides Nebraska who has not lost a Missouri valley conference battle, and should it be whipped by the Drake Bulldog will be put out of the race and Nebraska will have a clear title to the championship, which now is being awarded to the Stiehm team by all sport writers in the valley, outside of Des Moines. Drake has a wonderfully fast eleven, but some of its players are crippled. Should these men be in the game Drake will give the Aggies a close fight and may win.

Wisconsin, Western conference champion, goes to Iowa City to meet the Hawkeyes, expecting to win by a large score. The strength of the Badgers should give them an easy game.

Missouri and Kansas, old rivals, play at Lawrence. The Tigers are going fine now, and they should lick the Jayhawkers. The work of Missouri against Nebraska, Drake and Washington proves that it has a scoring machine. Kansas should be defeated by two or three touchdowns. The Army is expected to lick Sprague. The Navy will have no trouble with New York university. Lehigh will give Lafayette a close game.

OMAHA UNI DEFEATS PERU

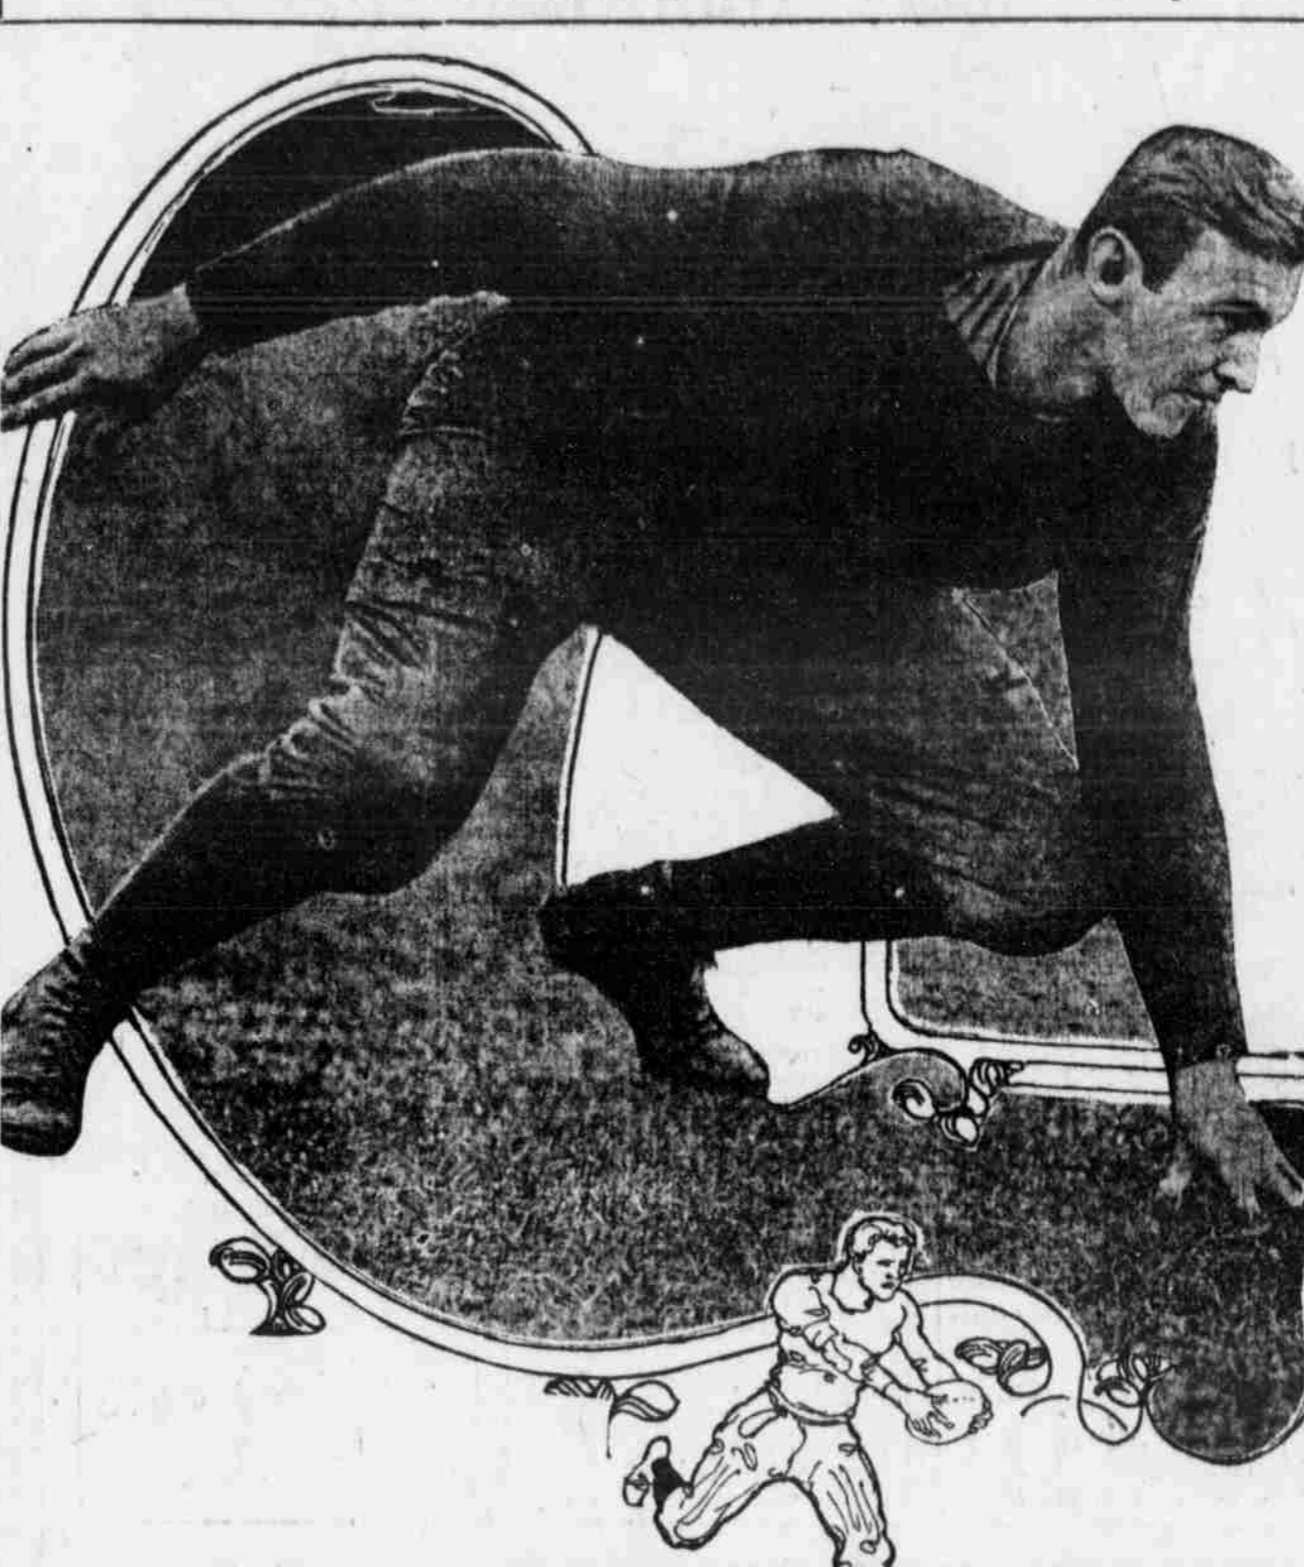

P. Selby Carries Ball Over Goal Line for Touchdown.

COMES EARLY IN THE PLAY

Neither Side Makes Headway in Remaining Quarters and See-Saw Contest is Waged Until the Final Whistle.

PERU, Neb., Nov. 22.—(Special Telegram.)—The Peruvia foot ball team was defeated here today by the Omaha university in a close game resulting in a score of 6 to 0. The only touchdown made by the visitors was secured on an end run by Dow, their speedy halfback, after about five minutes of play. Immediately after the ball was in motion the referee blew his whistle for the purpose of penalizing Peru. Part of the Peru players then rested and the Omaha men secured a clear field. Dow failed to kick goal. The rest of the quarter was uneventful, the teachers making several short gains on forward passes. The ball was on Omaha's forty-yard line at the close of the quarter. In the second quarter the Omahas secured ten yards on a forward pass from P. Selby to Parrish. An unusually good punt of fifty yards was made by Ludka for Peru. Beal made an end run gain of ten yards. Both sides were penalized once in this quarter, which ended with the ball on Omaha's forty-yard line. In the third quarter Beal made a twenty-yard gain on an end run, and also gained ten yards on a faked forward pass. A gain of forty yards on a forward pass from Beal to Long was made by the Teachers. Both sides were again penalized in this quarter, which closed with the ball in possession of Omaha on their twenty-yard line. Omaha lost the ball early in the fourth quarter on a fumble. Omaha was penalized three times in this quarter. The forward pass was used twice successfully by Beal in this quarter, but they found it impossible to score against their opponents and the game ended with the ball on Omaha's thirty-yard line. Omaha lost the ball early in the fourth quarter on a fumble. Omaha was penalized three times in this quarter. The forward pass was used twice successfully by Beal in this quarter, but they found it impossible to score against their opponents and the game ended with the ball on Omaha's thirty-yard line.

WESLEYAN TIES MORNINGSIDE

Two College Teams Fight Scoreless Game at University Place.

OLD STYLE GAME ADHERED TO

Numerous Attempts to Kick Goal from Placement Fail and Battle Waged with Little Advantage on Either Side.

LINCOLN, Neb., Nov. 22.—(Special Telegram.)—In the hardest fought game ever seen on Johnson field Wesleyan and Morningside battled this afternoon to a scoreless tie. Wesleyan won the kickoff and had a slight advantage during the first quarter due to the wind. Morningside likewise was somewhat stronger during the second quarter. Neither side could make gains through the line and Chamberlain's game foot handiapped the home team on end runs. Both sides were repeatedly forced to kick, McCandless having a shade the better of the punting. Wesleyan's only chance to score a touchdown was in the second quarter when Morningside held on the five-yard line after four desperate attacks by the home team. The visitors had the ball on Wesleyan's ten-yard line during the third quarter, but could not penetrate the stone wall defense. Not teams held to the old style game, Morningside trying only four forward passes, all of which failed. This was partly due to an injury to Holbert, who was forced to retire from the game near the middle of the third quarter. Wesleyan used ten passes, two of which were good for gains. Both sides played clean ball, only three penalties being imposed, two being for Morningside. McCandless was not in his usual form for kicking as he made six tries for goal, one of these in the last quarter going over the bar, but was not allowed because of holding on both sides. Morningside tried one drop kick and one from placement during the third quarter when they played their best game. The second was a good attempt by Holbert from the twenty-five-yard line, after having received a broken collarbone.

BLAIR MAKES GOOD SCORE OVER WEEPING WATER

BLAIR, Neb., Nov. 22.—(Special Telegram.)—Weeping Water high school lost to Blair high school football team here this afternoon, 14 to 0. During the first quarter the game was in the shadow of the locals' goal but the visitors lacked the ability to make the required number of yards. Weeping Water used the Kansas shift to good effect and worked the forward pass to a good advantage. Blair's first goal was scored during the second quarter by a delayed forward pass. Bolt to Haller. Blair's last touchdown was a fake line buck with Peterson taking the ball around right end for twenty-five yards to a touchdown. This was the spectacular play of the game. For Blair Peterson starred but Kemp and Nearhood did good work in recovering fumbles. Blair has run up a total of 284 points to their opponents 17 for the season and they have not been scored against on the local gridiron this season.

ELLSWORTH COLLEGE TRIMS BUENA VISTA

STORM LAKE, Ia., Nov. 22.—(Special Telegram.)—In what was one of the hardest fought football games ever seen on Buena Vista field, Ellsworth college defeated Buena Vista here today by a score of 6 to 0. Aside from the first four minutes of play, when Ellsworth scored a touchdown on Buena Vista's fumble, the locals had a shade the better of it. Ellsworth worked the forward pass to more advantage than the locals. Gatzman, Johnson and Hawson starred for the locals and Blackstone and Trickey for the visitors.

ATHLETICS AND BELMONT TO PLAY CHAMPIONSHIP

The Athletics and the Belmonts have been booked to play at Fort Omaha next Sunday. These two teams are among the foremost contenders for city independent championship. Harry Wright is now playing quarterback for the Belmonts and has devised a

OKLAHOMA LOOKS VERY STRONG

All Sooners in Fine Shape, While Cornhusker Purdy Has Not Fully Recovered from Injury to His Knee.

LINCOLN, Neb., Nov. 22.—(Special Telegram.)—The Cornhuskers wind up the football season of 1912 tomorrow afternoon with a game with the Oklahoma team, which promises to be the hardest of the season, eliminating the Minnesota game earlier in the season. The Sooners arrived in Lincoln this afternoon, seventeen strong, and put up at the Lindell. They held a short practice at the state fair ground in the afternoon and then returned to the hotel to rest for the game. The visitors had little to say on the outcome of the game, except they expected to put up a stronger battle than Nebraska was apparently expecting. The Cornhuskers held their practice of the year this afternoon, running through signals, but doing away entirely with scrimmaging. All the squad is in excellent shape but Purdy, who is still suffering slightly from injuries received last Saturday, Erwin is out on account of delinquency. The game may bring a shift in the backfield. Stiehm has taken Howard from end and is using him as fullback, where the Omaha lad is showing up in fine shape. Towle will also probably start at quarterback.

NEBRASKA CITY HIGH TEAM DEFEATS ATLANTIC ELEVEN

NEBRASKA CITY, Neb., Nov. 22.—(Special Telegram.)—Nebraska City high school football team defeated the high school team of Atlantic, Ia., this afternoon by a score of 33 to 0. A large crowd was present. Marshall who captained Nebraska City baseball team and has been training the Iowa team for some time, was sorely disappointed at the showing they made today.

CHADRON NORMAL WINS

CHADRON, Neb., Nov. 22.—(Special Telegram.)—The foot ball game here today between Chadron Normal and Wayne Normal resulted 27 to 0 in favor of Chadron.

BROKEN BOW WINS

BROKEN BOW, Neb., Nov. 22.—(Special Telegram.)—A big crowd witnessed the game today between the Broken Bow

and Mason City High schools, in which the former team won with a score of 31 to 0. Mason City was outplayed at every point, although putting up a good fight. The punting of Cole, who played left half, and the good work of Crawford at end featured.

RHEUMATISM
URIC ACID CAUSES IT—S.S.S. CURES IT
Every variety of Rheumatism is caused by an excess of uric acid in the blood; the different forms of the disease depending on whether this uric acid settles in the nerves, muscles or joints. In Sciatica it is the nerves which are attacked, the muscular form shows the muscles to be the seat of trouble, while manifestations of articular Rheumatism are evidence that the joints are being diseased. To cure Rheumatism the uric acid must be removed from the blood; the circulation must be made pure. This cannot be accomplished with external applications; such treatment may furnish temporary relief from the pain, but it does not reach the producing cause. S. S. S. cures Rheumatism of every variety and form because it purifies the blood. It goes down into the circulation, neutralizes the acids and dissolves the irritating deposits which are pressing on the sensitive nerves and tissues, and producing pain. Whether your case of Rheumatism be acute or chronic S. S. S. is the medicine you need; it will cure you and at the same time build up the entire system by its fine vegetable tonic effects. Look on Rheumatism and any medical advice free to all who write.
