An ordinance making it a misdemeanor to post unsightly advertisements, bills, dodgers or circulars within the city limits of Omaha was introduced at a meeting of the city commission Tuesday by Commissioner A. C. Kugel and was referred to the committee of the whole, meeting Monday for discussion.

City commissioners will co-operate in securing some sort of legislation to do away with the unsightly bill boards. The ordinance introduced was drafted by City Attorney Rine. It provides that any posters of such bills shall be subject to fine.

Another ordinance was introduced covering the storing of gasoline, coal oil, petroleum and kerosene within the city limits. It makes conditions and fixes a fine for violation.

Omaha Office Gets Ready for Parcels Post Mail Plans

Official parcels post maps of the United States have arrived at the Omaha office. They are slightly over two feet square, show the country divided into squares or units of area with corresponding rates for all parcels distributed over these areas.

A special consignment of these maps for offices throughout the state are now on the road to Omaha, from where they will be distributed; also a considerable number of parcels post guides and explanatory booklets, which will accompany each map.

Under the provisions of the parcels post law, effective January 1, 1913, mail of the fourth class except permit matter must bear distinctive postage stamps.

The parcels post stamps measure one by one and a half inches between perforation lines. The color is red, in a curved panel across the top supported by a paneled perpendicular column at each end appears the words "United States Parcel Post" in Roman capital letters.

Triangular ornaments occupy both upper corners. The denomination in large numerals is in each lower corner, with the title of the subject and the word cents or dollar between. The subjects of the several denominations are: 2-cent, office clerk; 3-cent, city carrier; 4-cent, railway postal clerk; 5-cent, rural carrier; 6-cent, mail train; 10-cent, steamship and mail tender; 15-cent, automobile service; 20-cent, aeroplane carrying mail; 25-cent, manufacturing; 50-cent, dairy; 75-cent, harvesting; 10-cent, fruit-growing.

TEACHERS FROM TWELVE COUNTIES ADDED TO LIST

According to the figures secured by the executive committee of the Nebraska State Teachers' association, the Lincoln Commercial club padded the registration list of the recent convention with names from twelve Nebraska counties.

If the committee's investigation had not disclosed that 121 names were registered and the membership fees paid by the Lincoln Commercial club, officials of the committee believe Lincoln would have secured majorities for the next convention in the following twelve counties: Fillmore, Hamilton, Kearney, Franklin, Phelps, Jefferson, Adams, Butler, York, Saline, Lancaster and Gage.

Soak

Put your clothes to soak in a Persil solution. Do it early, or let them soak over night. That's better if it's just as handy.

Just bring the clothes to a boil in a fresh solution of Persil. As the water warms, the oxygen in Persil is set free.

Soak - Boil - Rinse well. That's all there is to washing with Persil. Persil can not harm either hands or fabric.

THE SOCIETY OF THE BEE-HIVE

By MELLIFICIA. Tuesday, Dec. 10, 1912.

CHURCH BAZAARS have started in earnest and it has been discovered that many matrons and maids could have made quite a name for themselves in the business world had it been necessary.

At the All Saints' bazaar and dinner last week, the women of the church made \$660. The affair lasted but one day and was held at the Waffles Memorial Parish house. About 200 attended the dinner in the evening. The church fair and dinner was managed entirely by the women of the church, many of whom are prominent in society and also manage large households.

The home made candy and attractive hand made articles for the home appeal to the feminine buyers. Two weeks of church bazaars started Monday in the court of the Bee building.

The women have not only given many pretty things which are for sale, but are giving their time as well, at the church fairs.

At the closing of the first day of this sale over \$400 had been taken in by the five different church societies which are the first to occupy this space in the rotunda of the Bee building.

Last Friday the women of the First Presbyterian church held their annual Christmas sale and dinner and the proceeds as the result of their efforts netted them over \$450.

Debutante Reception. A pretty debut tea was given this afternoon from 7 to 9 o'clock by Mrs. Robert Levi Carter for her daughter, Miss Alice Carter, at their home, 431 South Thirty-eighth street. The rooms were beautifully decorated with cut flowers sent by the friends of Miss Carter.

Henry McDonald and Pete Elsasser Are to Contest for Seat

Lines for the battle between Peter E. Elsasser, democrat, and Henry S. McDonald, republican, over Elsasser's seat on the Board of County Commissioners are drawn. Elsasser was defeated for reelection by McDonald, but he claims that under a statute that is valid, though it never has been put in effect actually, he is entitled to serve one more year; his term not expiring until 1914. McDonald contends the law is invalid.

Certificate of election was issued to McDonald by County Clerk Frank Dewey Monday. McDonald took the oath of office before Deputy Clerk of the District Court Axel Steere yesterday. He then filed his official surety bond in county court.

When the newly elected officials take office January 9 the Board of County Commissioners will meet and Elsasser and McDonald will offer themselves for service as commissioners from the first commissioners district. The chairman of the board, John C. Lynch, will recognize one and refuse to recognize the other. McDonald will be recognized by Mr. Lynch. Elsasser's attorney, J. J. Sullivan, men will institute a quo warranto proceeding against Mr. Lynch. The district court then will decide whether Elsasser or McDonald is entitled to the seat. The case will go to the supreme court for final adjudication.

For Dandruff, Falling Hair or Itchy Scalp—25 Cent "Danderine"

Save the hair! Danderine destroys dandruff and stops falling hair at once—Grows hair, we prove it.

If you care for heavy hair, that grows with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous you must use Danderine. Because nothing else accomplishes so much for the hair.

Just one application of Knowlton's Danderine will double the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have clean, healthy hair if you have dandruff. If your hair has been neglected and is thin, faded, dry, scraggy or too oily, don't hesitate, but get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now? A 25-cent bottle will truly amaze you.—Advertisement.
