We think we can show how much cheaper it is to take the Lady's Book at Two Dollars than at any other magazine at Two Dollars. We will take a late number of both. The Two Dollar Magazine contained 36 articles, the Lady's Book 62.

The Two Dollar Magazine contained 32 engravings, the Lady's Book 56. The Two Dollar Magazine contained 64 pages, the Lady's Book 100.

Twenty-four more engravings, twenty six more articles, and thirty-six more pages, nearly double the quantity. The lowest club price of the two dollar magazine is \$1.25; the lowest club price of Lady's Book \$1.57, only 42 cents difference in the price, which is three and a half cents on each number, and for that sum (three and a half cents), you receive twenty-six more articles, twenty-four more engravings, and thirty-six more pages monthly—certainly a very cheap three and a half cents' worth.

This view of the case has probably never before been presented, but it is a true statement, which any lady can convince herself of by comparing the two magazines.

TERMS, CASH IN ADVANCE. One copy, one year, \$3. Two copies, one year, \$5. Three copies, one year, \$6. Five copies, one year, and an extra copy to the person sending the club, making six copies \$10.

The above terms cannot be deviated from, no matter how many are ordered. SPECIAL CLUBBING WITH OTHER MAGAZINES. Godey's Lady's Book and Arthur's Home Magazine both one year for \$3.50.

Godey's Lady's Book and Harper's Magazine both one year for \$4.50. Godey's Lady's Book, Harper's Magazine, and Arthur's Home Magazine one year \$6. The above is the only way we can club with Harper's Magazine.

The money must all be sent at one time for any of the Clubs. Subscribers in the British Provinces who send for clubs, must remit 36 cents extra on every subscriber, to pay the American postage to the lines. Address: A. GODEY, 113 Chesnut St., Philada., Pa.

GERMANTOWN TELEGRAPH, THE MODEL FAMILY AND AGRICULTURAL PAPER. PUBLISHED AT GERMANTOWN, PHILADELPHIA CO., PENN. EVERY WEDNESDAY MORNING. BY PHILIP R. FREAS.

PRICE—TWO DOLLARS PER ANNUM. We take this occasion to announce to Farmers throughout the country that it is the intention of the Editor and Proprietor of the "Germantown Telegraph," not only to continue as heretofore the Agricultural Department of his paper, but sedulously to add to its character and value by all the means at command.

All necessary space shall be provided for a full record of Agricultural Details and a full development of every branch of the Farmer's Pursuit. He will be practical, and to be of real and substantial advantage to husbandry.

His course, also, will continue to be thoroughly independent, and wholly unbiassed by any other motives than those he conceives to be promotive of the true interest of Agriculture in its broadest meaning. Neither individuals, cliques, societies, or any other influence shall swerve him from the path of right and duty.

Farmers, throughout the country, who desire a Newspaper, issued weekly, and equal to any other family news and literary journal published, which makes Agriculture a specialty, will find the "Germantown Telegraph" to fulfill every condition, and to render it entirely unnecessary for them to subscribe for a periodical exclusively agricultural.

Practical Horticulture, Pomology and Gardening, generally, will meet with particular attention. As a Literary and News Journal it shall not be surpassed by any in the country.

Newly printed on good paper, of the largest class, it shall continue to be one of the handsomest newspapers of the day. Every Family, in town or country, whether they take other papers or not, will find the "Germantown Telegraph" to be worth, in literal benefit, twice the amount of subscription.

No subscriptions received without the cash. Price Two Dollars in advance. Subscriptions not paid within the year, \$2.50. Mail subscribers will have the cash postage deducted when not exceeding 25 cts. per annum, provided the subscription be paid strictly in advance. Postage stamps to this amount will be returned as change with the receipt.

Any person sending five new subscribers at one time, with the cash, will be entitled to the paper for one year. Specimen numbers sent on request.

THE entirely new, very light draught, and superb freight and passenger steamer, SIOUX CITY, BAKER, Master, has commenced running as a regular packet to the above and all intermediate points, continuing in the trade during the season.

The Sioux City, as her name implies, was built expressly for a Sioux City packet, under the especial supervision of Captain Baker, who, in her construction, has spared neither trouble nor expense to make her a No. 1 Missouri River steamer, and one in all respects most admirably adapted to the wants of the river.

She will be found, as regards capacity for business accommodations, inferior to no boat in the trade, and as such Capt. Baker takes much pleasure in pressing her to the favorable consideration of his friends and acquaintances, and the public generally, of being to receive at her hands a continuance of that generous patronage for which he is indebted during a series of years, while in command of different boats in the river.

Shippers can rely upon having their freight handled with the greatest care and dispatch, and passengers are assured that the Sioux City, of being made to feel always quite at home.

Thankful for the very liberal patronage bestowed upon the Omaha the past season, we trust, by strict attention to business, the wants of shippers, and comfort of passengers, to merit a continuance of the same. ANDREW WINELAND, Master. J. J. WILCOX, Clerk. H. T. CLARKE & BRO., Agents.

Entering Town Sites. The following correspondence will show that the act of the last Legislature of the Territory, designating the County Commissioners as the proper persons to enter Town Sites, is not recognized by the Commissioner of the Land Office.

It is a question of doubt whether the Judges of Probate, or the United States Judges, can be regarded as "Judges of the County Court." As soon as that doubt is removed, notice will be given in the next issue of the "Town Sites" a copy of the act of the last Legislature will be placed in the hands of the Commissioner, and under the circumstances, the entries already made may be confirmed.

JOHN A. PARKER, Register. Land Office, May 19th, 1857.

EXTRACT OF A LETTER TO THE COMMISSIONER OF THE LAND OFFICE, DATED LAND OFFICE, OMAHA, April 15, 1857.

Under the "act of twenty-third May, 1854," the "Judges of the County Court" are given the authority to enter "Town Sites." In this Territory there are no such officers as "Judges of the County Court," but the Legislature has recognized the "County Commissioners" as the proper persons to enter "Town Sites," and in view of the spirit of the law, permitted such entries, in the hope that it will meet the approval of the Department.

Very respectfully, your obedient servant, JOHN A. PARKER, Register.

C. F. H. FORBES, CIVIL ENGINEER AND LAND SURVEYOR, being now located at St. Marys, where he expects to make a permanent residence, takes this method of informing the citizens, that he is prepared to do any surveying; and from his long experience in the business, he is able to give entire satisfaction.
