

CREIGHTON DOWNS NORMAL

Omaha Colleg: Team Beats Peru Eleven on a Muddy Gridiron. SCORE IS TWENTY-SEVEN TO NOTHING

Home Team Claimed Another Touchdown, Counting Three Points, but Referee Said He Had Called "Down."

In a field of mud and rain yesterday afternoon the foot ball teams representing the Peru High normal and Creighton college, struggled for gridiron honors on the Creighton grounds.

It was claimed by the Creighton team and its supporters that the touchdown which was made by A. Coad should have counted, but the referee ruled that he had called "down" before the fumble was made on which Coad made his run.

At the beginning of the game Peru kicked off from the south side of the field. Lanigan secured the ball and made a return of fifteen yards. On the next two plays Lanigan also carried the ball and netted fifteen yards more. A fumble on the next play caused Acting Captain Welch to call for a punt.

Peru also executed the second kick-off, and the ball fell to McGovern, who returned fifteen yards. The referee ruled that Creighton had been off on the kick-off, so a penalty of five yards was imposed.

A singular thing then occurred, and one which rarely falls on the eyes of any foot ball enthusiast. The Creightons resorted to the counting game, and D. Coad kicked the spheroid for thirty-five yards twice in succession, and in each instance it was recovered by Kehoe, who got the ball each time after it had been fumbled by Beck.

On Peru's kick-off the ball went but ten yards. D. Coad then punted thirty yards. Peru then punted twenty-five yards and D. Coad made a return of twenty yards.

OMAHA BEATS THE PACKERS

Local High School Eleven Whitewashes Highs from South Omaha. PLAYERS WALLON IN TWO INCHES OF MUD

Score is Twenty-Six to Nothing and Game is Good One Considering the Unfavorable Conditions.

By dint of hard effort the Omaha High School plied up a score of 26 points to South Omaha's 0, in yesterday's game at Vinton street park.

The scoring was all done in the first half, as South Omaha braced up well in the second and defended the north goal, which is considerably higher than the south. The teams were about evenly matched in respect to weight, but Omaha's men were superior in both offense and defense.

South Omaha gained its yards but once in the first half, and it had the ball several times. Thompson, Shields, Stein and Burnett were foremost in the offensive work for Omaha.

At 3:30 sharp South Omaha kicked to Yoder, who advanced the ball to the center of the field. Burnett was sent through for three yards, then Shields for ten and Stein for eight. Thompson made five, Shields five, and Stein five, and an Omaha fumble broke away and ran twenty-eight yards, Stein making the two-point touchdown after six minutes of play.

South Omaha's defense was ragged but spirited. Owing to the mud on the ball Thompson made a poor kick and missed the goal.

Thompson kicked to South Omaha and Putnam fell on the ball, which went to Omaha. Yoder lost three yards on a quarterback play, but Stein covered ten around left end. Here Omaha was held for around left end, but was tackled three yards behind the line by Benson. South Omaha then punted to Benson, who returned the eighteen yards, but Stein kicked the ball on South Omaha's eight-yard line.

Thompson failed to kick goal. South Omaha kicked to Omaha, who made several short gains. Then Thompson, gathering great momentum, burst through the line and, skillfully evading the attacking pack, he carried the ball for a long gain.

South Omaha lost ten yards on the next play, but Stein covered ten around left end. Ferguson attempted to sprint around left end, but was tackled three yards behind the line by Benson. South Omaha then punted to Benson, who returned the eighteen yards, but Stein kicked the ball on South Omaha's eight-yard line.

CAMBRIDGE MASS. OCT. 31

In an intensely exciting and decidedly sensational football game Harvard defeated the Carleton team yesterday.

The margin of the score was made possible by one of the most unique tricks tried on a foot ball field for many years. Dillon at the start of the second half received the Harvard kick-off on his five-yard line and then hiding the ball under his jersey hid it behind his back.

The second Harvard score came a few minutes later and was also made possible by a straight foot ball. Marshall kicked both goals. Carlisle made desperate but unavailing efforts for another score in the darkness.

The run of Dillon was the feature of the game and will undoubtedly give rise to a vast deal of discussion. The instant he caught the ball the entire Carleton team clustered about him so that no one could see what was being done.

Harvard's success was due to the teamwork of the entire team. Carlisle, the left end, was much admired. He did the best defensive work for South Omaha. Condon also did good work in holding Omaha's line backs.

The nearest South Omaha got to Omaha's goal was the twenty-yard line. The game was mud to a depth of two inches, and the players were much handicapped by the load of mud each had to carry.

A crowd of 100 witnessed the contest. The rain during every minute of play somewhat dampened their foot ball ardor, however.

South Omaha Kicks First. At 3:30 sharp South Omaha kicked to Yoder, who advanced the ball to the center of the field. Burnett was sent through for three yards, then Shields for ten and Stein for eight.

Thompson made five, Shields five, and Stein five, and an Omaha fumble broke away and ran twenty-eight yards, Stein making the two-point touchdown after six minutes of play.

WINS FROM DOANE, HIS OLD RIVAL, BY A MARGIN OF ONE

Bellevue, Neb., Oct. 31.—(Special Telegram)—"We've beaten Doane!" is the cry of everyone at Bellevue tonight. The sixty representatives of Doane college have gone home disappointed, but happy to be defeated by a worthy and hospitable foe.

Not in years before has there been so much enthusiasm at Bellevue in the preparation for a game. The foot ball rivalry between Doane and Bellevue is long and bitter, and the game was watched by a large crowd.

During the intermission the Bellevue cheer leaders sang and the Doane cheer leaders sang. Several end runs took the pigskin to the Doane line, but the Doane line held them back.

The team work on both sides was excellent. Bellevue's play was off-side, but finally held for downs after Rice, Shelley and Moore had backed through for twenty yards. Brownback drove through and forced Brownback back five yards, and it was Bellevue's best play of the thirty-yard line.
