SERIOUS REVOLT IN URUGUAY

United States Minister at Montevideo Makes Report to Washington.

GOVERNMENT IS SUCCESSFUL THIS TIME. Belief Expressed that Trouble Will Be Settled in a Month if the Revolutionaries Are Not Assisted.

WASHINGTON, Jan. 21.—According to a cable report to the state department from United States Minister Finch at Montevideo, the revolutionary disturbances in that country is much more serious and extensive than has been supposed here.

There has been three battles, all won by the government, the last one being on January 13. The total number of killed and wounded was about 100. The government forces were estimated at 2,000 and the rebels at 700 to 800. The opinion here is that the insurrection will be suppressed in a month unless aided by its neighbors.

Consider Philippine Shipping. The senate committee on Philippines gave a hearing today on Senator Fry's bill extending the coastwise laws of the United States to the trade with the Philippine islands.

To Prevent Yellow Fever. Surgeon General Wyman of the Public Health and Marine hospital service today returned from Mexico, where he secured the co-operation of that government in measures intended to prevent the recurrence of epidemics in the yellow fever region.

Monument for McKinley. Representative Spalding of North Dakota introduced bills today appropriating \$100,000 each for monuments at Olney, in Dakota, and at Alexander Hamilton in the District of Columbia.

Squadron Reaches Olney. Word has been received at the Navy department of the arrival at Olney, in Subig bay, of Rear Admiral Evans' battleship squadron, consisting of the Kentucky, Wisconsin and Oregon.

HOLLAND SOCIETY DINNER

Prominent Speakers Toast the Valor of Dutch Ancestors.

WILLIAM J. BRYAN DISCUSSES PEACE. Sir Chen Tung Liang Chang Pays High Compliment to the War and Speaks in Favor of The Hague.

NEW YORK, Jan. 21.—More than four hundred members and guests of the Holland society of New York tonight attended an annual dinner at the Waldorf-Astoria.

President Theodore Banta delivered the opening address and proposed the toast of the president, which was drunk standing. John Y. Vrooman read a letter of regret from President Roosevelt, who is one of the oldest members of the society.

I have always thought the respect for ancestors was a peculiar trait of Chinese character. It is the result of Confucius' teaching. But who would expect such a friendly relation of the Dutch with a country like America? This is a land for self-made men, who, as a rule, regard ancestry as a matter of secondary consideration.

Fortunately for the present day and generation the world has advanced so far in enlightenment and civilization as to have other means of settling international disputes than resort to war. At the same time the nations of the earth have been drawn into a closer unity and sympathy.

Senator Hanna III. Senator Hanna was confined to his bed today by a severe cold. A physician said that Mr. Hanna must have rest, although the attack was not serious.
