Advertise One Price--Sell at Another

We took occasion this morning to investigate the reports which have been circulating lately as to the "BUSINESS methods" (?) which are resorted to by some of the GREAT EMPORIUMS or WOULD-BE CUT RATE drugists of the city of Omaha. They advertise PERUNA--yes, Peruna--at 50c and sell it for 80c, and many other staple articles at this proportion. Here is a HUGE squib cut from the NEW YORK SUN which ANSWERS ANOTHER KNOCK of the full price druggist combination: "For two years past the real 'pharmacists' of New York City waged war on cut price druggists, insisting that the latter adulterated their drugs, otherwise they could not sell drugs at the price asked. An investigation just concluded by THE BOARD OF HEALTH shows that the PHARMACISTS WERE THE REAL OFFENDERS; NOT ONE VIOLATION of the law was discovered among the cut raters, WHILE 300 VIOLATIONS WERE UN-HEARD-OF among the druggists who were the chief kickers." We have another bomb to explode in the camp of cut price combine in a few days. FREE SODA in our South Omaha and Council Bluffs stores Saturday.

Here's another: TWO DOLLAR'S WORTH OF GREEN TRADING STAMPS with a dozen oranges Friday, at 30c. These are sensations in selling. The stamps cost you absolutely nothing. We put any hat or cap that we ask \$1.00 for, against anybody's hat or cap that \$1.00 is asked for, and these oranges are costing you 30c to 40c outside the Bennett store. You can get them from us for 30c, Friday, and \$2.00 worth of stamps with every dozen. Call at parlor and get a new stamp book if you need one. We give this dollar's worth of free stamps to everybody asking for a book. We want you to see the premiums given for green trading stamps. If any other concern in town introduces trading stamps--and we prophesy there will be pretty soon--it will be a question of premium values, and THE BENNETT COMPANY will not be outdone by any of them. Trading Stamps HAYDEN'S THE RELIABLE STORE Trading Stamps

Trading Stamps and How to Obtain Them.

We are now giving trading stamps free with every regular cash purchase. There is a vast difference in the relative value of trading stamps and you will recognize the superiority of ours as soon as you see the valuable premiums they represent. We wish to say that one of our stamps is worth two or even three of any other offered on account of the superiority of our premiums, which are the best that money can buy. Our facilities for purchasing direct from factories in large quantities, for spot cash, and having an additional expense for an extra store and extra help to display premiums, are savings in which you share. This, coupled with a determination to pursue a liberal policy with our customers, make our trading stamps worthy of your earnest consideration. This is particularly true when you know you can select without cost to yourself, any article from this magnificent array of gifts. They are absolutely the best products of the best makers. We will be pleased to have you examine variety and value of these gifts, in order to verify this statement. We will then explain our plan, which in short is as follows, viz: When you return to us a book of stamps, you will be entitled to your choice of premiums in first class. Two books, your choice in second class, and so on. Others pay interest on what they owe. We pay you interest on what you spend.
