THOMAS SAYS GUN IS FOUND

Prosecutor of Deannison Case Claims Sheriff's Revolver Has Been Unearthed.

Elmer H. Thomas, who has had charge of the prosecution that obtained the indictment of Tom Deannison in connection with the Pollock diamond robbery by a Logan (Ia.) grand jury, says he has received word from Missouri Valley that the revolver which Frank Sheriff said he buried near the diamonds at Missouri Valley has been found. According to his information, the gun was discovered by some boys who were playing marbles on the spot last summer. They have it in their possession, Thomas says, and he hopes to recover it, together with a penknife found by the lads at the same time.

Recently the convict and officers were taken to the spot where the former claimed he had buried the \$25,000 worth of diamonds and near it the revolver.

Last Chance To Go to St. Louis

This week is the last opportunity to be "elected" to take a trip to the St. Louis exposition at the expense of The Bee. Ten more trips will be voted for this week. If you want to go, now is the time to get out and hustle and let your friends know that you want to go. You will find that they will be only too glad to help you, if you call their attention to the fact. There is no reason why you can not have one of

The Last Ten Trips

Next week will be too late, and the chance to take a trip to the exposition will be gone.

Do not forget that you can get 520 votes on a year's subscription in the city and 900 votes on a year's subscription in the country.

You will have a chance to travel from Omaha to St. Louis

Via the Wabash

The WABASH is nearly 80 MILES the shortest and takes you to its OWN STATION at main entrance World's Fair Grounds. Think what this means—quick time, money saved and a delightful trip, not all tired out before starting to do the exposition.

Rules of the "Election"

The ten persons receiving the largest number of votes at the close of each election" will be furnished, at the Bee's expense, as prizes, each a free trip from Omaha to St. Louis and return, to be taken any time during the exposition.

No restrictions are placed as to where the party lives as a candidate for one of the exposition trips.

No votes will be counted for employees or agents of The Omaha Bee.

All votes must be made on coupons which will be published each day in the Bee.

Prepayment of subscriptions may be made either direct to The Bee Publishing Company or to an authorized agent of The Bee.

No votes sent by day will be published in all editions of The Bee.

The "elections" will close each Thursday at 5 p. m.
