Presbyterian Pastor Praises Peruna

THE day was when men of prominence hesitated to give their testimonials to proprietary medicines for publication. This remains true today of most proprietary medicines.

But Peruna has become so justly famous, its merits are known to so many people of high and low stations that no one hesitates to see his name in print recommending Peruna.

The Pastor's Letter.

Rev. E. G. Smith, pastor of the Presbyterian church of Greenboro, Ga., writes: "Having used Peruna in my family for some time it gives me pleasure to testify to its true worth."

Catarrah of the Stomach.

Rabbi David Klein, 536 E. Main street, Columbus, Ohio, writes the following to Dr. Hartman, regarding Peruna: "It affords me great pleasure to testify to the curative merits of your medicine, Peruna."

Free Advice.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

An Old Pastor Has Used Pe-ru-na.

No man in the capital city of the State of Ohio is better known than the Rev. James Poindecker. For many years he has been the successful pastor of the Second Baptist Church of that city.

"My attention was called some time ago to your medicine for rheumatic troubles by Mr. Cook, an old reliable druggist of this city, and I take pleasure in saying that I have tried them and found them good."

A Strong Endorsement for Pe-ru-na From the Treasurer of the National Prohibition Voter's League.

Offices National Independent Voter's League, St. Louis, Mo., The Peruna Medicine Co., Columbus, Ohio: "Gentlemen:—I cannot think of words that will express my praise for your most wonderful remedy, Peruna."

"I have suffered from this dread disease more than twenty years, and have only induced to try your remedy against my will after having spent hundreds of dollars in every possible channel seeking relief."

A Venerable Pastor Restored to Strength and Health by Pe-ru-na.

Rev. A. R. Adams, Pastor Christian Church, of Fairfield, Iowa, writes: "I was troubled with sleeplessness and nervousness for a period of nearly one year, also with catarrhal troubles."

"I am satisfied that Peruna has wrought a complete cure in my case and will advise others similarly afflicted to try this remedy."

Catarrah is essentially the same wherever located. Peruna cures catarrh wherever located.

Every great success is sure to make enemies. Peruna is a great success, and through jealousy and envy much has been said calculated to prejudice the public against it.

But those who have taken Peruna know better. The vast multitude of people who have been cured of catarrh in some form by Peruna, will never cease to praise Peruna for the benefits received.

Rev. Dr. Josiah Getz, 47 Park Ave., Albany, N. Y., for years a Rabbi of the Hebrew Synagogue, now retired, writes: "I am fully convinced of the merits of Peruna in cases of colds and catarrh, and as a general tonic."

"I take pleasure in acknowledging the curative effects of Peruna. At the solicitation of a friend I used your remedy and cheerfully recommend your Peruna to all who want a good tonic and a safe cure for catarrh."

Strong and Vigorous at the Age of Eighty-Eight.

Rev. J. N. Parker, Ulton, N. Y., writes: "In June, 1901, I lost my sense of hearing entirely. My hearing had been somewhat impaired for several years, but not so much affected but that I could hold converse with my friends; but in June, 1901, my sense of hearing left me so that I could hear no sound whatever. I was also troubled with severe rheumatism in my limbs."

A Pastor's Endorsement.

Rev. H. W. Tate, 47 S. 11th Street, Columbus, Ohio, writes: "For several years I have been troubled with a peculiar spasmodic affection of the throat. It would seize me suddenly, and for a few minutes I could hold converse no more."

"I finally concluded that it was some catarrhal affection which probably excited the spasms. It interfered with my vocation as a preacher, attaching me occasionally to my bed, and I had heard so much about Peruna as a catarrh remedy that I determined to try it. After taking two bottles my trouble has disappeared."

"Pe-ru-na is the Best Medicine in the World."

Rev. H. Steubenvol, of Elkhorn, Wis., is pastor of the Evangelical Lutheran St. John's Church of that place. Rev. Steubenvol is the possessor of two Bibles presented to him by Emperor William of Germany. Upon the fly leaf of one of the Bibles the Emperor has written in his own handwriting a text.

"This honored pastor, in a recent letter to The Peruna Medicine Co., Columbus, Ohio, says: 'I had hemorrhages of the lungs for a long time, and all disappeared. I took Peruna and was cured. It removed the phlegm, and I became healthy, pure blood. It increased my weight, gave me a healthy color, and I feel well and vigorous now. I have been a blessing as you have been to suffering humanity.'—Rev. J. N. Parker."

PULLMAN AFTER REDUCTION

Representative Thinks Palace Car Assessment is Too High.

WHITE DISAGREES WITH TAX AGENTS

Insists in Omaha Tax Case Value of Line is Determined in Its Entirety and Not by Separate Items.

(From a Staff Correspondent.)

LINCOLN, May 12.—(Special.)—The State Board of Equalization met this afternoon to listen to arguments from the various car companies against raising the assessment of these companies, but with the exception of Thomas H. Benton, representing the Pullman company, no representative showed up to protest. Mr. Benton said he had to speak to make, that his report spoke for itself. His company this year returned its property at a valuation of \$2,000 less than last year, which Mr. Benton said was perfectly right, for since 1873 his company had never been decreased, while all other corporations had, as well as had other corporations. The assessed valuation of the Pullman company this year amounted to \$94,703.

Secretary Benson reported to the board that the mileage returned by the car company did not correspond to the mileage returned by the railroad company, the railroads returning more mileage. In some of the counties, said Mr. Benton, where the tax will be very little it will cost the state more money to make out the papers for the apportionment than the tax will amount to. The board discussed informally the reports, but took no action. Auditor Weston and Land Commissioner Folmer were absent.

Disagrees with Tax Agents. Benjamin T. White of the Northwestern railroad filed a brief today in the supreme court in the case wherein George T. Morton is seeking to compel the city council of Omaha to reconvene as a board of equalization and increase the assessment of railroad property in Omaha.

Mr. White, like Mr. Baldwin, files some statements that do not exactly correspond with the arguments of the railroad tax commissioners before the State Board of Equalization. It is that he contends that every mile of the road is assessed on the total valuation and the value of the road is dependent upon every mile of it, thus making an argument against the roads discriminating between main line and side lines. Here are some of the statements along these lines taken from the brief upon which Mr. White made argument: "Every mile of railroad in the state of Nebraska contributes to the value of every other mile; the fraction of a railroad in Omaha is represented in the distributive share value of every township, school and food district and city and village through which it runs, which legally would not be the case if the fraction of railroad in Omaha were assessed in full for local city purposes. Therefore in arriving at the amount of money to be raised by the roads in said state raters pay for not including taxes a railroad pays for all subordinate districts above enumerated through which it runs."

from one end to another, the interest of each county or taxing district therein for the purpose of apportioning the same by ascertaining its value as a whole and distributing such value to the different counties and taxing districts therein.

The apportionment of the share of the total value of the entire railroad to different counties is determined by the rate of levy and the standard of valuation is the same as in other property.

Candle Light Clubs Last. During the next few days the Candle Light club and the Schoolmasters' club will pass into history for this season. The latter will close its work with a meeting at the Lindell hotel tomorrow night, at which will be present the wives of the members.

Some Consideration of Child Study. By Prof. W. M. Kern of Columbus. The discussion will be led by G. W. A. Lukey of the University of Nebraska. The Candle Light club will discuss for the season on Monday night, when the members will have a meeting open to their wives. The program will consist of toasts and Henry B. Ward will be the toastmaster. The Reading Circle will meet with State Superintendent Fowler tomorrow afternoon.

Dunn in Another Role. I. J. Dunn, who lately has been in the supreme court to close up the Diamond pool room in Omaha, is back again today in a different role. He asks the court to set aside the decision of the lower court, which affirmed the action of the Board of Fire and Police Commissioners in refusing a license to A. J. Jorgensen.

Sophomores Burn Caps. Held in check by superior numbers and superior strength a big bunch of freshmen this morning stood on the university campus and watched a larger bunch of sophomores burn caps. The freshmen were fresh from the factory that the freshmen had just received. It was over the protests of the sophomores that the freshmen ordered the "0" cap, and when they arrived in a great big box this morning the sophomores were on the lookout. They overpowered the guard, took the box, hauled it to the campus and there the fire did the rest. Last night the freshmen gave their May dance under the protection of the police, and even with the law on their side a number of them were kidnapped and their girl friends taken from them while en route to the party.

Photographers Finish Session. The state photographers today concluded their session by electing these officers: A. C. Townsend of Lincoln, president; J. F. Wilson of Pawnee, vice president; D. W. Wright of Nelson, second vice president; W. C. Bennett of Schuyler, treasurer. With the exception of Mr. Bennett, who has served during the past year. The two big prizes of the convention went to R. C. Nelson of Hastings.

Burglars Are Busy. Burglars last night entered four houses, but secured little booty. At the residence of William Decker, 128 M street, entrance was gained through the hall door, which had been left unlocked, and the burglar went to the second story, where he entered the room of Miss Decker, and ransacked the dresser. Miss Decker was awakened and screamed and the man ran, taking in his stomach and vomiting and continued in that condition until about 10 o'clock the next morning, when death relieved his suffering.

SENTENCE BARKER TO HANG

Jury Takes Only Three Hours to Arrive at Its Verdict.

PRISONER TAKES THE MATTER COOLLY

Convicted of Killing His Brother and Wife on Night of January 21 in Order to Get Money to Marry.

RED CLOUD, Neb., May 12.—(Special Telegram.)—The jury in the case of Frank Barker, on trial for the killing of his brother, Dan, and his wife, brought in a verdict of murder in the first degree and fixed the penalty at death. The jury went out at 6:30 as the verdict was reported at 9:30. The prisoner was called into court and when the verdict was read he showed not the least emotion and when he was returned to the jail smiled faintly.

The attorneys for the defense gave the usual notice of a motion for a new trial of January 21 last. When they were first called into court a search revealed that his brother and wife had gone to Denver and that the personal property of his brother and the lease on the farm on which he had been living had been assigned to Barker. There were several circumstances which cast doubt upon the story told by Frank Barker and a search revealed the bodies of the murdered couple. It is supposed that the murder was committed in order to enable Frank Barker to marry and furnish a home for his bride.

G. A. R. SESSION COMES TO AN END. Installation of Officers Last Business on Program.

KEARNEY, Neb., May 12.—(Special Telegram.)—The annual encampment of the Nebraska Grand Army of the Republic, the Women's Relief corps and Ladies of the Grand Army is now a thing of the past. It closed last evening with a joint public installation at the opera house.

The army installation was the first on the program, East Department Commander Thomas J. Majors being the installing officer.

Department Commander Brown announced his staff appointments as follows: Assistant adjutant general and assistant quartermaster, C. M. Parker, Lincoln; judge advocate, C. J. Adams, Superior; inspector general, Samuel D. Davis, Wilber; chief muster officer, S. V. Cole, Junonia; senior aid and chief of staff, Mart Howe, Lincoln.

The installation of the Women's Relief corps was conducted by Pay Department President Rufus of Harvard and Mrs. Belinda S. Batley of San Francisco, installing officer for the Ladies of the Grand Army of the Republic. At the conclusion of the installation ceremonies refreshments were ordered by Bradford P. Cook and were unanimously passed.

Lincoln Men Visit Albion. ALBION, Neb., May 12.—(Special.)—The Lincoln Commercial club stopped for an hour here yesterday. They were met at the depot by Mayor Mack, who handed them over the keys of the city, but notified them that a search for any liquid stronger than coffee would be fruitless. In response to the mayor's speech the spokesman of the club gave his words that they were not looking for firewater, but for a city where it could not be found, and that Albion was just what they were looking for. The party spent an hour visiting the business men and county officials and spoke highly of the healthy condition of business generally. Carriages had been brought to give the visitors a ride over

OMAHA HIGH SCHOOL DEBATERS WIN

Enthusiastic Audience Greeted Them at Beatrice.

BEATRICE, Neb., May 12.—(Special Telegram.)—The Omaha and Beatrice High schools debated this evening the question, "Resolved, That the negro of the south should be disfranchised." Omaha won the debate and Joseph Swanson of Omaha was given first place for individual work.

The attendance was large and the audience was a most enthusiastic one. Each of the speakers was liberally applauded and when the verdict of the judges was announced the winners were given an ovation.

Omaha was represented by Richard Hunter, Lyman Bryson and Joseph Swanson. The Beatrice representatives were Stuart Dobbs, Chester Hill and James Ayres.

Give Kidlow Warm Reception. YORK, Neb., May 12.—(Special.)—Hon. J. N. Kidlow, who was elected this week grand chancellor of the Knights of Pythias of Nebraska, was met last evening at the train with carriage by the members of the Knights of Pythias of this city and escorted to his home.

Mr. Kidlow on entering his house was taken into the parlor, where the lights had been previously extinguished and there he was given the scare of his life. In the room were the wives of the members of the order, who gave him a reception that he will never forget. Refreshments were brought and the evening was enjoyed by all who attended. Mr. Kidlow is one of the most active members of the order here and is one of the leading business men of York.

Veteran Fireman Retires. YORK, Neb., May 12.—(Special.)—At a meeting of the fire department, J. V. Hyder, who for the past nineteen years has been a most active member and officer of the York fire department and to whose credit is the efficiency of the York fire company is being resigned last night as chief. His resignation is due to the fact that he is elected commander of the Third ward and could not serve in both offices. Mr. Hyder is the oldest chief of any volunteer fire department in the state and is the best known fireman in the west.

CONDUCTOR CRAWFORD AND HIS BEAUTIFUL WIFE Suffered for Years With Backache Caused by Kidney Disease, But Were Both Quickly Cured by Warner's Safe Cure

MR. AND MRS. ELMER CRAWFORD.

"I cannot think of anything more wearing to a man who has to attend to the strenuous duties of a railroad conductor than the gnawing backache and general suffering that come from diseased kidneys or any blocking of the system with uric acid. I know it was so in my case. I suffered all the time when my wife told me how quickly and completely Warner's Safe Cure cured her of piercing pains in the back, resulting from kidney trouble. I got a bottle of it, and it cured me, too. We have used only four bottles of Warner's Safe Cure as the best medicine in the world for this awful scourge."—ELMER AND MARY CRAWFORD, 90 W. 11th St., New York, March 28, '04.

The testimony of Mr. and Mrs. Crawford is similar to that of thousands of men and women who have been saved from wretchedness and premature death by Warner's Safe Cure. If your kidneys are weak or diseased, your life is in great danger. It will be inflammation of the bladder and urinary organs, stone in the bladder, gravel, headache, arid and piercing pains in the back, indigestion, dyspepsia, constipation, torpid liver, rheumatic pains and swellings and all kinds of kidney and skin diseases; if a woman bearing-down sensations, fainting spells and painful periods.

MAKE THIS SIMPLE TEST FOR KIDNEY TROUBLE: Let some morning urine stand in a glass or bottle 24 hours, and if your kidneys are affected it will become cloudy, particles will float about in it, or a sediment will form. Warner's Safe Cure has been used and prescribed by 50,000 or over thirty years as the only positive cure for all diseases of kidneys, bladder, liver and blood. Cures even stubborn cases of long standing. Sold at all drug stores or direct, 50 cents and \$1 a bottle. Refuse substitutes. They are worthless and very often exceedingly dangerous. Ask for Warner's Safe Cure. It will cure you. Doctor's advice and medical booklet free. Warner's Safe Cure Co., Rochester, N. Y. "SAFE FILLS MOVE THE BOWELS GENTLY AND AID A SPEEDY CURE"
