The grass is coming up fairly well, though somewhat short for this season. What we need just now is a good warm rain for a few days. I noticed this morning as I was coming to Omaha that a peach orchard between Irvington and South Omaha was in full bloom. It was a beautiful picture and means a big crop if a hard frost does not intervene within the next few weeks. We have been having spring weather for about a month past and a vast amount of potatoes have been planted up in our backluck. We always plant potatoes up there on St. Patrick's day."

Mrs. Smith is inclined to believe the boy is an importer. The matter is being investigated by the Associated Charities.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of them who have tried it are willing to use any other. Mrs. F. F. Starcher of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult.

ANOTHER APARTMENT HOUSE

Ninety Thousand Dollar Building to Go Up on St. Mary's Ave. WILL BE THREE STORIES IN HEIGHT

Frank M. Weskes Buys the Lot for Eighteen Thousand Dollars from Frances Wilde, Owner.

Specifications are being drawn by a prominent Omaha architect for a three-story apartment house of novel design on the lot recently bought by Frank M. Weskes on the south side of St. Mary's avenue between Eighteenth and Nineteenth streets. The building will contain eighteen apartments and will cost between \$80,000 and \$90,000.

The lot is known as the Francis Wilde property and was bought about six weeks ago for \$18,000 by Mr. Weskes, who has interested local capital in the apartment house plan. The lot extends the full block between Eighteenth and Nineteenth streets on St. Mary's avenue, having a frontage of 155 feet and depth of 110 feet, and is directly west of the site on which the new Young Women's Christian association. Several small stores and cottages on the lot will be razed within a few weeks to make way for the new apartment house.

The proposed apartment is to extend 170 feet on St. Mary's avenue and will be 30 feet deep. The site is considered ideal for a large building of this character, as all rooms will be on the outside, as the building will face on three streets. Allowance has been made for considerable space on all sides of the building for lawn and parking purposes.

Many innovations in apartment house construction are planned for the interior of the building. Every inch of space will be utilized. Folding beds will be provided in all bedrooms which will fold up and disappear in the walls. Cabinet and buffet kitchens are planned, where the stoves, sinks and closets for utensils will swing out from their niches in the wall when in use and be placed out of sight afterward.

Each apartment will have outside rooms and light from the rear will be provided by building a large court in the center of the building on the south side. It is probable that the building will be completed this fall and bids will be taken within a few weeks.

Building Permits. The following building permits have been issued: Shimer & Chase company, Seventeenth and Laird, Eighteenth and Sprague, Eighteenth and Laird, three \$2,500 dwellings; 255 Emmet, \$1,500 dwelling; E. A. Headley, Twenty-fifth and Spencer, \$2,500 dwelling; C. F. Palm, Thirty-third and Burt, \$1,500 dwelling; W. E. Effer, 324 Franklin, \$200 building; J. L. Mullinger, Sixteenth and Oak, \$1,500 dwelling; Chicago-Windor laundry, 1813-1817 Capitol avenue, \$50 addition; George Danham, Thirty-sixth and Leavenworth, \$1,500 dwelling space on Blanchard, Twenty-seventh and Bristol, two \$1,500 dwellings; Mrs. C. M. Maul, 176 Douglas, \$5,000 brick store; A. Bush, Thir-

WOMAN ACCUSED OF DRINK

Mrs. Symons, Though Temperance Leader, Accused of Stepping the Forbidden Nectar.

Gilbert Symons, brother of J. P. Symons, was on the witness stand all Friday morning at the trial of the divorce suit of J. P. Symons, formerly organist in Trinity cathedral, against Marie Symons. The witness is a scholar of some note in the Episcopal Theological seminary at Gambier, Pa., and is now the holder of a fellowship for study in Europe. His testimony was only regarding the home life of Mr. and Mrs. Symons while he was living with them in Pennsylvania. He declared that, though she was the president of the local temperance organization, she frequently drank wine.

ROME MILLER TO FIGHT ON

Plan is to Ask Rehearing of Ouster Suit to Make Time.

WANT DELAY TILL NEW HOTEL IS DONE

Supreme Court Decides with Lower Tribunal that Occupant Must Vacate, and that in Forty Days.

According to a recent decision of the supreme court the Her Grand hotel must be vacated by Rome Miller within forty days unless an application for a rehearing of the case is made, which would hold the matter in abeyance for several months. The decision of the superior court affirmed that of the district court and held that Peter E. Her, the owner, was entitled to possession thereof.

Hall & Stout, attorneys for Rome Miller, when asked what further action would be taken on behalf of Mr. Miller, said they had not had an opportunity to confer with their client since the decision of the supreme court, but it is regarded certain a rehearing will be requested, which would delay the matter until the new hotel of Mr. Miller is completed.

The controversy arose between Mr. Her and Mr. Miller about two years ago, when the lease of Mr. Miller for the Her Grand

expired and Mr. Her refused to renew the lease, as he had closed negotiations with two prominent hotel men to erect a new hotel on the corner at Sixteenth and Howard streets.

This action left Mr. Miller out in the cold, cold world as far as the hotel business in Omaha was concerned and he refused to give possession after his lease had expired. Mr. Her brought out proceedings in a justice court and was given judgment, but Mr. Miller appealed the case from that court and other superior courts where judgment was invariably given in favor of Mr. Her.

While the case was being vigorously fought in the courts Mr. Miller bought the Brunswick hotel at the northeast corner of Sixteenth and Jackson streets and the corner lots adjoining it on the east, which gave him a frontage of 198 feet on Jackson street and practically 132 feet on Sixteenth street.

The Rome hotel was planned and will be completed about July 1, when Mr. Her probably will cheerfully relinquish the Her Grand property to Mr. Her.

THOSE SUDDEN TWINGES.

Pain is nature's signal of distress, a warning that must not be ignored. Those sharp twinges in the back, those stab-like pains that follow any sudden twist or turn, are simple signs of hidden danger in the kidneys.

No trouble starts more easily, gains ground more rapidly, nor proves more often fatal than any disorder of the kidneys. All the outward appearance of health may remain until a terrible disease has taken root.

It is best to learn the duties of the kidneys, to watch for early signs of trouble, and to correct any irregularity before its serious stage begins.

The blood goes to the kidneys in an incessant stream, to be cleared of poison and relieved of surplus water. This is passed off by the kidneys in the urine. It is the retention of poison in kidney trouble that breeds fatal disease.

Don't wait. The moment you feel any uneasiness, lameness or pain in the back, the moment the urine shows irregularity, either in its appearance, or in the quantity or number of the passages, begin with Doan's Kidney Pills. This remedy has been curing

kidney troubles for seventy-six years, and never yet has failed to give relief, if taken in time. It cures the kidneys, and thus cures backache, lame back, headache, dizzy spells, urinary troubles, rheumatic pain, gravel, dropsy, swellings, nervousness, languor, sciatica, and all other symptoms of kidney troubles.

Fifty thousand people have testified to the worth of Doan's Kidney Pills. Here's a home case:

OMAHA PROOF. Mrs. O. A. Earl, of 1011 1/2 S. 11th St., Omaha, Neb., says: "My appreciation of Doan's Kidney Pills has in no way lessened. The statement I gave in 1899 touching on the merits of this preparation holds as good today, seven years later, as when I first made it. For two years I was troubled with my back, and although I tried different remedies, none brought relief until I began the use of Doan's Kidney Pills. A short treatment cured me and there has never been a return of the trouble. I recommend Doan's Kidney Pills to a gentleman who stayed with us some time ago and complained of backache. He used them and found most satisfactory results."
