ANNOUNCEMENTS

NOW OPEN---THE MID WINTER TERM OF **BOYLES COLLEGE**

EVERY DAY IS AN ENROLLMENT DAY

TAKE YOURSELF OVER IN A CORNER AND ASK YOURSELF A FEW QUESTIONS as to the best PLACE to secure a business college education. ASK YOURSELF WHY:

BOYLES COLLEGE is the largest business college between Chicago and San Francisco-not even excepting the large schools in St. Louis and Kansas

WHY the Union Pacific Railway, the largest in the world, selected Boyle College as an Official Training School. WHY the largest wholesale merchant in Omaha, without any solicitation, keeps in attendance at Boyles College from one to three students at his own

expense-to be employd in his office as soon as their courses are completed. WHY so many parents send not only one, but all of their children, to Boyles College? WHY does the Cudahy Packing Company have in one department of its

big offices, fifteen stenographers who have graduated from Boyles College? Whi are the Boyles Stenographers and Bookkeepers employed in the offices of all the packing houses of South Omaha? WHY are there graduates of Boyles College at work in every bank in

Omaha-and South Omaha? Has advertising made Boyles College the biggest institution of its kind in west? Will advertising sell goods unless a man has the goods? Will advertising sell education unless a man has the methods behind the advertising? Has the handsome college building made the college?. Was there not a flourishing College before the building was thought of? Do big office, bank and store buildings make business or is the business there to make necessary

Is there but one brief answer to these queries? Is the reason for these things not the simple fact that Boyles College gives its students infinitely superior courses, superior equipment and superior instruction?

If an explanation were needed as to why Boyles College never cuts its tuition ratss, would not these questions and their answers be satisfactory? Having thus reasoned the matter to a conclusion, why not arrange to enter Boyles College at once? You know that there are two classes of people -those that do things and those who make excuses. Why should there be any delay? Call, 'phone or write for particulars, BOYLES COLLEGE,
